DUAL MEET THIS AFTERNOON
GRINNELL AND IOWA MEET ON TRACK
Field Meet Being Held on Iowa Field
Grinnell Athletes Confident of "Jack" Watson's Training.

The dual meet with Grinnell colors was being held on Iowa field this afternoon.

"Jack" Watson, Grinnell's trainer, brought in a sharp bunch of athletes and has them nicely trained for the meet. Grinnell looks to the sprinters, the distance runs and the jumps to bring in the points to defeat Iowa easily.

The confidence of the Grinnell athletes is well founded. "Jack" Watson is as great as it ever was and they went into the meet full of hope of victory.

THE GAME WITH AMES.

The phenomenal pitching of the Iowa team was demonstrated on a few badly bunched errors allowed the state college to win over Iowa in the first two innings, and six of the first two innings Iowa played to bases before Adams got the better of Ames, but had hard luck at the bat. For six innings the variations were close at home, but on eight men to bases, in the fourth inning Iowa did not get a hit, yet got two hits, when the bases were filled, only to lose all chances of scoring by inability to hit safe.

Brown struck out ten men and allowed only three hits, scattered so as to be harmless.

In the first innings Whistler went out from Bascom, who other Carrier out at third. Evans was hit in the side by the bat.

On the other hand, Ames bunched her hits, when the bases were well filled. In the first innings Whistler went out from Bosman. Bosman went to first on four balls. The other Carrier out.

Brown got the third on Adam's hit. Burns made a sacrifice, scoring Hampson and Adams both went to first on four balls. The other Carrier out, White went down on a bunt. The other Carrier out. Coad both walked filling the bases, only to lose all chances of scoring by inability to hit safe.

BATTALION BALL
MILITARY PARTY POPULAR
Second Annual Military Party Very Successful—Great Many Guests Present—Gov. Cummins Unable to Attend

The second Annual Military party given by the battalion last Friday at 7:15 o'clock was a well attended and well filled. The music for the march was entitled "Col. Burnett" and was sprung as a surprise by the orchestra.

The decoration of the evening were made up of patriotic red, white and blue bunting which was arranged in such a way as to produce a very effective effect under the many electric lights used. In the center was hung a large university emblem studded with small electric lights. The plan for the stage at the south end of the armory was much the same as that used at the beauty pageant. The Tau Delta party two weeks ago except the color effect. Steps led up to a balcony which overlooked the floor. At the north end of the orchestra some large Flags were in abundance everywhere.

The dance program consisted of twenty-four numbers and six extras, which were made up largely of military music. Performances were served at the north end of the gallery during the evening. A number of our town guests were present.

In the receiving line were: Pres. and Mrs. George E. MacLean, Mrs. A. N. Carriker, Dean and Miss Gregoire, Miss Young, Captain and Mrs. Howell, Colonel and Mrs. Walter M. Davis and Col. and Mrs. George K. Burnett, Gov. A. B. Cummins who was expected to be here until a few days ago, was detained in Sioux City where he was being initiated into the Shriners. A few of the students.

The management committee of the party was composed of the commandant and staff of the battalion. They are Col. George R. Burnett, Majors R. H. W. McFarland, and H. E. Hadley, Lieutenants A. K. Hess, J. F. Kirby and Will Baughn.

At the annual freshmen-sopho- more contest of the Philomathean society the freshmen represented Cornell, and the sophomores, who were expected to be here until a few days ago, was detained in Sioux City where he was being initiated into the Shriners. Senior Play
The senior class play which will be put on at the opera house on Sunday night of commencement week has been meeting several drawbacks and hindrances but it is now on a good working basis and is being rehearsed five times a week.

The first drawback was given to the play a month ago when George Hill owing to a great amount of extra work was forced to withdraw from the cast. His vacancy being filled things were running along smoothly until last week, Mr. Carlson a senior engineer was offered a very good position with the Rock Island road and withdrew from the cast to accept it.

FRESHIES PLAY CORNELL

Tom McLachlin, the university sports expert, has returned from a week's stay in Sioux City, where he attended the state convention of women's work and was back from the local lodge of that order.
They have, with a great measure of success, taught him many lessons. In short, the four years of university training have given him a view point which enables him to see over obstacles which at first looked up before him as insurmountable barriers. If he has taken advantage of all the phrases of the opportunity for advancement conscientiously and diligently he now can see and do things which before would have been to him among the impossibilities.

Yes the university has wrought wonders but after all it is but the beginning. Just a small start.

The real fight is just commencing. If the university has done much for the departing senior the years before him in life's university will do much more. The true old man is one who has kept on developing year after year.

He is one who always struggled for advancement, who constantly had a higher aim in view. As he attained one goal he strove for another.

The point is, to the man who has improved his opportunities here the university will indeed be an "Alma Mater" but after all it only furnishes a foundation and just prepares him for the real fight. A senior, while he stands a wonder in comparison with his verdant freshmen days yet has only a small inkling of the things he must know before he can bring home success.

The Minnesota Daily in an article setting forth a new editorial policy for that paper has the following to the-point statement on a university daily's policy in general:

"A University Daily, in our opinion, has a wider and larger sphere than simply to collect and print the news as it comes to hand. It should stand for some settled principles and it should advocate and maintain those principles in an honest and fearless manner, using its influence for the betterment and improvement of the University which it represents."

The Cardinal says the Badger team appears to be, not too gentlemanly but "too ladylike, even perhaps, too old-woman-like."

Two Books—Two Cents
The Burlington Route has just issued two publications of great interest to homemakers. "Nebraska" is the title of a 48-page book descriptive of the agricultural resources of the state, profusely illustrated with farm scenes and supplemented with an accurate sectional map. "Big Horn Basin" is an illustrated folder telling all about the rich but undeveloped portion of Northwestern Wyoming. The Big Horn Basin contains wonderful openings for small ranches along good streams, with a million acres of government land open for settlement under the United States land laws.

Both publications will be sent to any address on receipt of two cents in stamps. Address J. FRANCIS, General Passenger Agent, Burlington Route, Omaha.
