HAWKES WIN IN GOOD MEET

Scarlet and Black Team Furnish Good Contest in Track and Field Event; Swift Breaks Discus Record

Saturday's field meet was one which pleased every lover of good sport. The events, particularly on the track, were close, much closer than the meet indicates and they were run clean out to the finish. This was the keynote of the meet, the game spirit of the contestants.

Swift's performance in the two mile run, one of the hardest events on which the Scarlet and Black team could have willed, has again established the school record for the distance.

Battman, in the Mile Run, won by Swift, was third in the Mile Relay. The HAwkees tied for second. Height, 3rd. Time; 2 min. 10.5 sec.

Class Ball Game

The freshman medics defeated the freshmans in the ninth inning, and went on to win by a score of 10.3-5. The hour in well wishing and congratulations was not observed.

Batteries: McGregor, Ore; Hands, Terper and Joy.

Miss Holliday of Burlington is visiting the campus.

T. J. Abern., ’03, went to his home in Calmar last evening when he was called by the sudden death of his father.

Dr. J. W. Harriman met his classes yesterday. Dr. Harriman is a regular visitor to the city.

Miss Edith Macomber, who has been visiting in this city at the west city, left for Chillicothe yesterday. Mrs. B. F. Swisher expects to return to her home in Chillicothe. She has fully recovered from the operation for appendicitis.

HANHEMMAN BRANCH BANQUET SENIOR HOMEOPATHS

The Iowa City Homeopathic Society held its annual banquet last night in the Feathermore room of the Hotel State. The event was the preface to the commencement of a new year and the social aspect of the occasion was greatly enjoyed.

The committee in charge of the banquet, Prof. B. F. Swisher, E. E. Bywater, and J. E. Ziegler, rendered splendid service in the arrangements.

Dr. Harriman gave the baccalaureate sermon at Iowa City.

Dr. J. B. McClintock left yesterday for Dakota City, called there for a serious illness of his father. Rev. J. B. McClintock, pastor of the Presbyterian church of Dakota City, delivered the baccalaureate service.

One of the most pleasing events of the season occurs at the banquet at the Burkley Imperial parlor when the Hahnemann Society banquets the Senior Homeopathists. At eight o'clock about sixty guests assembled in the parlors of the Burkley Imperial and after the pleasure of an inspiring address and charming speeches the dinner was served. A large number of the guests were from outside the city and the occasion was greatly enjoyed.

The social dances were well filled and all present found much enjoyment in the society colors and the music played by the Chicago Symphony Orchestra.

The evening was spent in the banquet hall at the Hotel State, the guests enjoying the dinner and conversation.

SECOND MAY FESTIVAL

CHURCH DOES GOOD WORK - Orchestra Pleasing; Director Loses His Hat

The second annual Festival of the Iowa City Missionary Society was held on Saturday afternoon and evening.

The Chicago Symphony Orchestra, with a corps of noted soloists, rendered a beautiful musical treat in the afternoon and in the evening the orchestra soloists and the choral society were conducted by Mr. B. F. Swisher. The festival was as marked a success as the first one from a musical standpoint and in the band department. Mr. B. F. Swisher was lost to the evening and the evening was even better work. Nothing but a member of Phi Delta wins respect for the perfection which the voices blended in the different numbers, as Mendelssohn's greatest oratorio.

The audience were somewhat disappointed at the omission of nearly all the overtone to the orchestra and also at the skipping of two of the best choruses in the oratorio. Mr. P. J. Sheeley, the director of the choir: was left, much disturbed at Iowa City from the fact that someone was purpling the audience at the concert. No one knows who did the deed but until the guilty party is found it will be a mystery. No one student.

The results from the two concerts lacked $500 of paying expenses but as there was that much of the costs of the concert must be paid from the reserves of the society.

Oscar R. Young

Oscar R. Young died Sunday morning at 11:30 o'clock at the home of his parents, Mr. and Mrs. James Young of Summit street.

He has been ill for several months and was brought home from Salt Lake City five weeks ago. Mr. Young graduated from the class of 1886 and since that time has been very successful in his chosen profession. He was a member of Phi Delta and quite active in college life. His death brings sorrow to a large circle of friends.

The funeral services were held this afternoon at 3 o'clock from the Summit street residence. The services were conducted by Rev. George Luther Cadby of the Congregational church. The interment will take place tomorrow at Durant, Iowa.

Mr. J. P. Hoggett, ’03, delivered the baccalaureate for the Columbus Junction high school.

Miss Carolyn Jarvis has accepted the position of teacher of languages at Graceland College, Lamoni.
Tennis to the Front

And now tennis will occupy the center of the stage for a few days. The tennis men have been working hard and will put up a game fight for the state championship. There is no better sport as far as exercise goes than tennis, and none, in which Iowa has more consistently held up her end. We have repeatedly won the state championship in both singles and doubles, have defeated Wisconsin and broke even with Northwestern in tournaments in the last few years. Last year Iowa men won in the semi-finals in the conference tennis tournament.

The thanks of the university are due to the choral union for the very high class music festivities that they put within reach of the University public. It is to be hoped that another year more favorable conditions will make the festival more of a financial success.

Coaches Bush and Eastman have done much toward developing the track squad. They have had entire charge of the work and training of the men. To them belongs much of the credit, and glory won by the team.

Players Banquet

The members of the Dramatic Club enjoyed a seven-course banquet at the Burkle Imperial yesterday at five o'clock, in honor of Miss Mary Everts and her sister, Mrs. Green. The following toasts were responded to, George Hill acting as toast master: "Marie Lynch, "We Cannot thank You"; Henry Walker, "Before the Footlights"; Miss Everts, "The Years to Come"; Ethel Elliott, "Together." Miss Ethel Golden '98 of Vineland was an over visitor in the city.

Iowa Honors The Track Team

Iowa is proud of the 1903 track team. It is a good team and a game team. Greater than the victory Saturday, more pleasing than the records made which were splendid, was the true Hawk­eye spirit which pervaded the team. Everyone fought in the finish whether winning or losing. It is this kind of spirit that not only wins meets but makes every Iowa respect and honor the contestants.

The university is honored in having such a team representing her.

Hammond victorius.
Last evening occurred the jun-
ior Hammond-Forum debate of the Law Debating League. The question, “Resolved that the mer-
ger of railway corporations in the United States should be prohibit-
ed,” was affirmed by W. E. Ridge-
way, B. W. Humphrey and W. S. Genung, and denied by A. A. Brown, S. D. Whiting and J. K. Meighen. The debaters showed great originality and careful re-
search. The Hammond Law cases in the affirmative showed the discriminations and rate wars which must follow a merger and the stimulus to commerce and the early settlement of our country which was due to healthy compe-
tition. The Forum in denial showed the natural monopoly with the lessening of cost of trans-
portation.

The argument of the teams was well balanced and to an out-
sider the result was in doubt until the decision of the judges, Prof. Macbride, Judge Hayes and W. P. Coast, was announced as two for the affirmative.
