## IOWA WON CHAMPIONSHIP

### BAILEY AND MONNETT WIN IN DOUBLE FINALS

State Tennis Tournament Finals Held Today—Good Meet

Iowa won the state championship in the doubles this morning. Bailey and Monnett defeating Holbrook and Tellier rather easily. The Ames men were not in as good form as they were last year when the Bailey brothers defeated them with great difficulty in the final at Oskaloosa. The match was however, closer than the score indicates, each point being fiercely contested. A strong wind made the playing somewhat more uncertain than usual. The score of sets was 6-3, 6-2, 6-0.

The preliminaries yesterday were hard fought in most of the matches.

Bailey and Monnett of Iowa won over Brush and Yoran of Cornell, 7-5, 6-1, 6-2.

Tellier and Holbrook of Ames won over Belden and Blatherwick of Grinnell, 6-2, 6-2, 4-6, 6-2.

Grinnell and Normal drew byes in the preliminaries. The semi-finals were very closely contested.

Bailey and Monnett of Iowa won from Shearer and Hoats of Normal, 6-3, 6-3, 6-1.

Holbrook and Tellier of Ames won from Howard and Thornburg, 6-0, 6-0.

In the finals this morning, Iowa won over Ames, 6-3, 6-2, 6-0, winning the state championship. Each of the winners will receive a \$5 gold medal.

In the preliminaries of the singles, Joy of Normal won from Belden of Grinnell, 6-2, 6-4.

Maxwell of Cornell won from Thornburg of Penn, 6-2, 6-2.

Iowa and Ames drew byes in the preliminaries.

In the semi-finals, Holbrook of Ames won over Maxwell of Cornell, 6-2, 6-2.

Bailey of Iowa won from Joy of Normal, 6-1, 6-0.

Holbrook of Ames defeated Bailey of Iowa, 7-5, 6-2, 6-0. This gives Holbrook the state championship in the singles.

At the business meeting of the association in the parlors of the St. James hotel last night it was decided to hold the next meeting at Cedar Rapids. Coe College was voted into the association about two weeks ago by correspondence and will hold the next meeting.

The secretary-treasurer goes to Coe for next year. The president will be elected from the State Normal and the vice-president from Penn College.

The annual meet of the Iowa Inter-collegiate Track Union was postponed yesterday on account of rain. It is being held today in Marion, Ia.

Dr. Dean is entertaining the senior medics this afternoon and evening at the Country Club.

## MEET TO BE HERE

### STATE HIGH SCHOOL TRACK MEET NEXT YEAR

Association Decided to Hold Next Contest at Iowa City in Spring of 1904

The following telegram was received from H. E. Spangler this afternoon relative to the track meet of the State High School Athletic Union for next year. As the message shows the meet will be held in Iowa City.

"Drake and Grinnell fought hard, but we landed the meet for the university by more than a two-thirds majority. Chapman and Monilaw worked for Drake, all of Grinnell for Grinnell, Cook and myself for Iowa. Drake offered 40 per cent of their expenses but the high schools rather took the offer as an affront and as Norman Vincent of Davenport said, it is not the amateur spirit to buy the meet. The vote on the place of meeting stood Iowa 12, Grinnell 5, Drake 1.

The Association passed a vote of thanks for Grinnell's treatment at the past three meets. The result was accepted pleasantly all around. The officers for next year are, president, Campbell, Council Bluffs; vice president, Woods, Harlan; secretary, Lacalli, Marengo; treasurer, Sheppard, East Des Moines; executive committee, Cook, Independence; Webb, Davenport; Murphy, Ida Grove.

Spangler

## HEAVY LIST OF DATES

Prof. W. C. Wilcox has Arranged to Address Seven Educational Assemblies

Prof. W. C. Wilcox of the department of history has made a number of dates for educational lectures during the next two months.

He has been obliged to decline invitations to speak in Sioux City and Wilton Junction and to refuse with thanks two requests to deliver Decoration day orations.

The addresses Prof. Wilcox has arranged for will all be before high school graduating classes with the exception of those at Washington, Ia., where he will speak to a Chataqua assembly.

On May 28, Prof. Wilcox will speak to the West Liberty high school on "How High is the High School?" He will speak on the same subject at Sibley on June 4 and again at Oregon, Ill., on June eleventh. At Hopkinton on May 29, his subject will be "The Educated American Girl," and at New Albion, on May 30, "What is an Education?" To the students of Howe's Academy, at Mt. Pleasant, he will speak on June 6 on "Political Dyspepsia." The subject of the professor's addresses at the Washington Chataqua assembly on July 6, 7 and 8 will be: "The Manifest Destiny of the United States," "The Era of Napoleon Bonaparte in Europe," and "The French Revolution."

## MIDDLETONIAN SOON

### WILL BE OUT FIRST OF WEEK

Bigger and Better than Ever Before—Credit to Editors and School

The second number of the Middletonian will be out next week. The printers are finishing the last form and it will go at once to the binders. It will contain eighty-two pages of reading matter and six full page half tones. The editors have enlarged the edition. This has made more work, but the grade has not been lowered. It is more of a strictly medical magazine than ever before. The articles are accurate and scientific. All, even those by under-graduates, show careful preparation. The leading article is by Dr. Jepson, professor of surgery, and treats of head injuries. The handling of this common and difficult class of injuries is well described by one who has been uniformly successful in their treatment. G. R. Bice, '03, discusses the pathology and treatment of Scarlatina. In a clear style, comprehended readily by the layman, D. D. Talcott '04 gives a brief synopsis of intestinal perforation as treated by the various authorities, complicating typhoid fever. Undoubtedly the strongest article is a discussion of the cancer cell by C. L. Lambert, B. S., fellow in Pathology. The article is illustrated by ten careful drawings made by Mr. Lambert. The paper is the result of original work, and is along lines that give promise of some new ideas in the cancer theory. "Rheumatic Fever" is the title of an article by Herbert Pease '04, in which he has discussed an excellent bibliography. Dr. Sones of Panora has an article on "Pneumonia," and Dr. Burge of Iowa City ably handles "The Right Heart and Diagnosis." Under the veiling title of "A Re-discovered Health Resort" is an entertaining sketch of the Isle of Pines by Dr. Clarke, professor of Hygiene. F. L. Siberts has a short article on athletics, and F. W. Bailey on the Phi Rho Sigma fraternity. Besides this there are some newsy class and alumni notes. The chief editorial is a plea for a better combined medical course.

### Seven Try for Prize

Three women and four men participated in the competition for the French Medals this morning. Mr. Mitchell who was to have taken part, was detained in Cedar Rapids by business and so did not take the examination this morning. The examination was held in room 119 L. A. beginning at 10:00 a. m. The papers will be marked by Prof. Van Steenderen, Mr. Bush and Prof. Ansley or Prof. Sturm and the result will be announced from commencement stage.

Die Germania is to have a picnic next week Tuesday.

## ZET JUNIORS WIN

Unanimous Decision for Negative in Debate on Trust Question

The Junior Irving-Zetagathian debate was held last night in the auditorium and was a discussion of the proposition that Senator Hoar's plan is preferable to entire federal control of corporations. O. R. Davis, J. G. Berryhill and D. H. Fitzpatrick upheld the affirmative for Irving; A. W. Laurer, U. G. Hayden and H. L. Bryson the negative for Zetagathian.

Notwithstanding considerable quibble as to the interpretation of the question, the contest was exceptionally strong and showed thorough preparation on either side. The affirmative argued that Hoar's plan of dealing with corporations was conservative and yet adequate in that it called for publicity, prevention of discrimination and responsibility of directors of corporations engaged in interstate commerce, leaving to the state the control of combinations doing business wholly within their state. They held that, according to the question, the negative must uphold federal control of all corporations, municipal and local as well as federal. They objected to such a policy as radical, as breaking down the division of power between the state and federal government: as being impossible of attainment and, on the whole, undesirable.

The negative maintained that the entire federal control for which they stood referred only to concerns doing an interstate business. They showed the lack of uniformity in state legislation, the necessity for federal control and its support by leading authorities holding that Senator Hoar's plan would be uneffective, that its attempted remedies are too drastic and that its advantageous features could better be administered by the federal government.

The judges of the contest Prof. E. A. Wilcox, Prof. S. Calvin and Prof. H. S. Richards returned an unanimous decision for the negative.

### Elect Debaters

At the regular business meeting of the Philomathean society last night, A. O. Thomas was chosen as their candidate for nomination to the presidency of the oratorical association. Also Paul Dorweiler and A. C. McLane were elected as leaders for the preliminary Iowa-Illinois debate for next year with E. R. Jackson, O. A. Thomas, C. E. Moffitt and P. J. Kruse as the other members of the debating team.

Six of the churches of the city will unite in Memorial service with the Grand Army and Woman's Relief Corps in All Souls Church on Sunday next at 3:30 p. m.

The University of Iowa Minstrels will probably show in Des Moines Wednesday night.

Delinquent Iowan Subscribers should pay their subscriptions at Once.

Let us Incorporate

If the details can be satisfactorily arranged the incorporation of the Athletic Union, or of its executive committee, the board of control, will certainly be most expedient. It should do away with personal responsibility for the obligations of the association which has been a source of trouble and annoyance in the past. It will furnish a check on the expenditures of the Union for in order to preserve the credit of the corporation it will be necessary to keep it in a solvent financial condition. Nothing will be lost by the step as, if necessary to find individual guarantors for the obligations of the association, this can be done as easily or more easily under the new order of

things than under the voluntary association we have at present. While some benefit will be derived from the fact that when incorporated the debts of the Union will rest on the corporation instead of upon individuals, still the most important good to be obtained from incorporating will lie in the fact that it will put the Union in shape to borrow money and assume financial obligations. When the credit of the association becomes such that a loan is refused, this will furnish a danger signal to the management.

The work of the ball team yesterday at Des Moines is most pleasing. It is to be hoped the men were not so worn out running bases that they will be unable to circulate against Pitcher Brown today.

Don't forget that to obtain the excursion to Des Moines, two hundred must signify their intention of going by signing the lists.

Such original investigations as those of Mr. J. H. Lees show the depth and scope of university work and are a tribute to the quality of that work in the graduate college.

The secret of getting things done lies in keeping eternally at them.

Minnesota will have two men to succeed general manager Luby. R. T. Barnard will manage the football team and William B. Deering will take charge of all other branches of sport.

Frank A. Stromsten, instructor in morphology, has been appointed to a fellowship in Princeton University where he expects to spend two years in obtaining his doctor's degree.

Prin. R. M. Estes '02 has been re-elected at Lamont. He will not accept the position again however.

All those who go to the state meet at Des Moines, Wednesday, the 27th, may have their absences excused by signing the register at the Iowa headquarters.

*CCCC*

THE CAPITAL CITY COMMERCIAL COLLEGE  
 Y. M. C. A. Building, Des Moines, Iowa

IS the largest and most successful commercial school in the west. Nearly one thousand students attend it each year. There are sixteen members in the faculty. The school has a national reputation and is everywhere regarded as a leader among business training schools. It occupies a position among institutions of this character similar to that of Princeton, Harvard and Yale among the leading colleges and universities. It has become famous throughout the western states by reason of the thorough work it is doing in the way of fitting young men and women for active commercial pursuits. Hundreds of our graduates are today occupying responsible positions in the principal cities and towns of the west. Call for our elegant new catalogue. It contains detailed information relative to the work of the various departments. Address, W. H. McCauley, Pres., Des Moines, Ia.

THE LOWDEN PRIZE

An examination for the Lowden Mathematical prize will be held on Saturday, May 30th, 1903, from 9:00 to 12:00 a. m., in room 116, hall of Liberal arts.

Competition is open to all students who are finishing with the current year, the sophomore work in pure mathematics. The prize of fifty dollars (\$50.00) may be divided equally between not more than two candidates, or may be withheld if it shall appear that the work of no candidate is of a superior order of merit. The subjects to be covered by the examination are Algebra, Geometry, Plane Trigonometry, Analytical Geometry of two dimensions, Differential and Integral Calculus.

The members of the committee charged with the award are Professors Weld, Veblen and Sims, ex officio, Mr. Lorenz and Mr. Mitchell. The questions submitted in previous examinations will be found upon the bulletin board in the mathematical library.

Those intending to compete are requested to submit their names to Professor Weld at an early date.  
 George E. MacLean, President.

 Spaulding's  
 Base Ball  
 Supplies

HAVE been used for over twenty-seven years wherever baseball is played. The player can rest assured that any article bearing the Spaulding trade mark is official and the one that is in universal use. TENT FOR GRADUATION

Great Demand to Hear Commencement Exercises Forces this Action

The executive committee of the board of regents being convinced that the opera house would be entirely incapable of accommodating the unusually large crowd at commencement this year, have decided to again hold the exercises in a tent. In the absence of Regent Holbrook, Regent Abernethy acted as chairman of the committee. A tent seating twenty-seven hundred people was arranged for and will be placed in the same position as last year on the west slope.

Preliminary drafts of the plans for the gymnasium, assembly hall and armory were submitted by architects Proudfoot and Bird of Des Moines and thoroughly discussed. Completed plans, in time for the meeting of the full board in June, were ordered.

It was voted to loan the university's instrument for scientific deep sea soundings to the Geographical Society of Baltimore, Md. This is the only instrument of its kind in the United States and was telegraphed for by the Baltimore scientists with the result that their request for it was acceded to.
