MICHIGAN WINS CONFERENCE MEET

SWIFT SCORES FOR IOWA

Fair Records Broken in Fast Meet

Chicago Websters Win 1900 Yard

Hard-Roiled Ankle

The meet held in Chicago Saturday was one of the best in the history of the Conference. Notwithstanding that a drenched rain was falling the track was fast and records were broken in both the dashes, in the two mile run and in the two mile jump. High jump Brewer, of Michigan, tied the former record of 5 feet 11 inches.

In the 1900 yd. dash Blair (c) covered the distance in 22.6 seconds, running out Archie Hahn (o) and breaking the conference record and trying that of Maybury of Wisconsin. In the 220-yard dash the tables were turned and Hahn fought his way into the three yards ahead of the Maroon runner in 21.5 which broke the record of Kebog. Michigan's great distance man set a new mark for the two-mile relay, finishing out with the former record being held by himself. In the pole vault, Dvorak (o) cleared the bar at 16 feet, defeating Jerry McGee of Chicago and setting a new record for this event, the old one being held by Chapman of Drake.

Swift of Iowa made good in the discus throw as was expected but did not equal his previous performance. Two men had a hard battle in the javelin. Both Ihle and Persky were able to pull up and take fourth. Persky won the competition with 292 yards, Ihle had 285 yards in the final throw.

FRESHMAN CONTEST

IRVING AND ZETAGATHA DE-VIDE HONORS

Good Appearance put up by Freshman Contests Made Excellent Show- ing Last Night—Irving Wins Debate

The freshman contest held in the auditorium and the liberal arts building last night resulted in an even set of honors, being won by the debate and Zetagathia securing the oration and declama- tion. Notwithstanding the high degree of every man putting up a fine appearance.

The oration securing first place was given by Win. Healy of the Zetagathia society. Robert John Robert Emmett, J. C. Crossman for Irving delivered exceedingly well. The oration on "John Brown" but his opponent bettered him on thought and composition.

The question—Resolved, that municipal corporations should obtain possession and control of the Gas Company, and to this the affirmative was attached. G. J. McFadden and G. L. Lynch and denied for Zetagathia by E. E. Brown and C. R. Quigley, McFadden and Reese making the closing speeches. The affirmative was awarded the decision by the judges.

Irving argued that there should be an ownership and control of the gas by municipalities, public utilities are natural monopolies, winning by cheaper rates would be secured, franchises cause corruption. In reply Zetagathia contended that private ownership is more progressive, tends to economy, that corruption is due to bribery and municipal ownership would increase this corruption. The declamatory contest was won by C. L. Brittel for the Zetas with "Regular Army of the Senate" which was given in a very realistic style. R.E. Jones for Irving made a very good speech giving "Sparksac to the Gladstarts."

The judges of the debate were: P. S. Pierce, Sam R. Sloan, and Prof. Benj. F. Shambaugh; of the declamation, Prof. H. G. Plum, Prof. Benj. F. Shambaugh and J. F. Huglet, of the oration. C. M. DuPont, Prof. Calvin and Prof. Smith.

The Phi Rho Sigma fraternity gave an enjoyable banquet at the Berkeley Imperial last evening in honor of the graduating members.

Among the guests present were Dr. L. W. Dean, J. R. Guthrie and John W. Harrisman. Toasts followed the elegant repast. Dr. Dean carried off the palm as the after-dinner speaker with a speech on various remarks on "Alanya Woong, Never Wed."

Dr. J. F. Gray, of Albia, is ex- changing greetings on the campus today.

GREEN TO THE RESCUE

President Gets the Senior Invitations from C. O. D.

There was trouble among the seniors over the otherwise peaceful and rainy Sabbath day. The class invitations came Friday afternoon and when the commit- tee called for them, there were asked for ninety-six dollars as a small supplementary formality to their delivery. This did not seem very fair and the committee and neith- er did the fact that the invitations were at the express office. Various wild schemes and devices to obtain them were mooted, over Saturday and Sunday. The committee was asked to put up ten dollars apiece which they refused to do with promptness and deci- siveness. It was proposed to call the class meeting and raise the money there in the manner of raising the church debt.

Finally when it seemed likely that mother and father would have to be invited by means of the weekly letter home, President got the senior invitations from C. O. D. in the receipt of the college. He borrowed the ninety-six at the bank and released the invitations for the seniors.

The New Editors

The annual election of the Iowan board was held yesterday resulting in the choice of H. M. Pratt for editor-in-chief and Paul Dorweiler, John F. O'Connell, J. F. Kuns, and Henry G. Walker for editors. Oliver Longville and H. C. Parsons were elected to the board, the former from the college of law, and the latter from the college of homeopathic medicine. The newly elected editor-in-chief has fairly won the honor which has come to him by faithful, capable work on the Vidette-Reporter, for a year and a half and the Iowan for two years. Under his direction the paper will, without doubt, take strides of advancement. Among the editors elected Henry G. Walker and Jno. F. Kuns both received their preliminary newspaper training on the S. U. L. Quill. They are among the most prominent and able members of the junior liberal arts class. Mr. Walker has been prominent in oratory and debate and Mr. Kuns managed the successful 1904 Hawkeye. Paul Dorweiler is also a member of the junior class and has won honors in debating. Jno. F. O'Connell was introduced into journalism on the staff of the Atlantic Telegraph and has served with ability on the Iowan board for the past year. These four men with R. A. Cook and Mr. Pratt will constitute a particularly strong corps of editors and both the Iowan and the university are to be congratulated upon their election to positions of authority on the paper.

They Lay Down Their Tasks

A number of members leave the Iowan board by graduation this year. These are Frances Gardner, H. G. McClain, Robt. J. Bannister, R. M. Anderson, W. F. McCulla, E. N. Bywater, A. N. Brown and W. F. Bushnell. All of them have had much experience in college journalism and as the seniors of the board they have had a great deal to do with the conduct of the Iowan this year.

It may not be premature at this time to thank the university public for the hearty support and favor which they have accorded the paper this year. We feel gratified at this expression of approval and at the same time, if the Iowan is ever to be what it should be this support and co-operation from the whole university body must increase immeasurably. We bespeak for next year's editors a much fuller and more sympathetic support from all. More should try for the board. More should submit articles for publication. More should be-think themselves to aid in the matter of news items. It is only in this way that the Iowan can come to represent the university in all its different phases in that full and exact way which is its ambition and object.

The senior girls of Y. W. are to be entertained at the home of Prof. and Mrs. W. C. Wilcox tomorrow at a five o'clock luncheon.
