As the University Daily, THE IOWAN will contain important faculty and under graduate notices, the accounts of games, intercollegiate telegraphic news, reports of lectures, and all interesting facts regarding the activities of Iowa and other universities.

We will prove to be a valuable record for reference, illustrated by occasional half tone cuts.

To the under graduate students THE IOWAN is indispensable. It contains the official bulletins which every student must read. The Tempe, Geo. E. MacLean and Dean Ames N. Carrier both advise every student to take the university paper.
