SCIENCE OF MAN

ANTHROPOLOGY SOCIETY
FORMED LAST NIGHT

Students Are Eligible on Pay-
ment of Small Fee—Sec-
retary Chosen

For the past two years there
has been considerable talk in the
city, about the subject anthro-
polgy and the organization of an
anthropological society.

About a week ago a call was
sent out to those interested in
the subject and Membership
persuant to the call a score of
people met in the liberal arts
building.

A temporary organization was
then formed with Prof. Conant
in the chair and Dr. Ward as Secre-
tary.

After a lengthy discussion as
to the sphere of the proposed
association and its relations with
other allied bodies, a constitu-
tion was drawn up and adopted.
The meeting then proceeded to
the election of a permanent sec-
retary and treasurer. Dr. Jesse
H. Ward was elected.

It was then voted to adjourn,
to meet at the call of the secretary
presumably within two weeks.

The following constitution was
adopted:

Believing that knowledge both
of earlier and later man is now
so far advanced as to render it
time to bring all this knowledge to
the注意 of the public, a society
is formed, to be known as the Iowa
Anthropological Association.

I. This Association shall have
its home at the University of Iowa.

II. Its object shall be to pro-
mote the Science of Anthropology.

III. It shall hold a yearly
meeting for the hearing of re-
ports, papers and projects, and
for the election of officers. Other
meetings may be arranged for and
held from time to time.

IV. It shall elect a President,
Vice-President, Secretary, Treas-
urer, and an Executive Board. The
Executive Board shall con-
sist of the President, Vice-Presi-
dent, Secretary, Treasurer, and
five additional members. Five
members of the Board shall con-
tinue to hold their position until
the call of the president or the re-
quest of two of them.

V. The Executive Board shall
meet quarterly, and at the call of
the president or on the re-
quest of two of them.

VI. The Executive Board shall
publish the purpose and plans,
reports, papers, etc., of the Asso-
ciation, the amount of money it
expends,

VII. Membership is obtained
by the payment of one dollar
annually.

LACK OF CHURCH TRAIN-
ING DEPROLOGED

Chancellor of New York Uni-
versity Deplores the Lack
Among Students

Chancellor MacCracken of New
York University deplored the
lack of church training shown
by the average student in his
annual address to the student
body Saturday. He said: "I wish
we could require from every
freshman a Sunday afternoon
of prayer and that we would
require that he know by the heart
the New Testament, the Sermon
on the Mount, a church catechism
of some kind and a score of the
Scripture Psalms and best classic
hymns. This university will join
any association of universities
and colleges that will demand
this as an entrance requirement.

Country Club Wins

The tournaments between the
Iowa City Golf Club and the
Country Club was held last after-
noon on the links of the Iowa

rain not all the players were
able to complete the two rounds.

However the contest was full
of interest and very close. The
Country Club won by the narrow
margin of two points. The scores
were as follows when the rain
ended the contest.

Country Club I. C. Golf Club
Eastman lost to Lambert 49 pt.
Westfall won from Fullerton 9 pt.
Gordon won from Plum 6 pt.
W. Gordon won from Hagen 6 pt.
Carper lost to Goodwin 8 pt.
Parrains lost to Seashore 13 pt.
The match between A. C. Gor-
don and Finkbine was a draw.

Efforts are being made to com-
plete arrangements for a game
match between teams represent-
ing the Universities of Chicago
and Iowa this fall.

Literary Chat

In the current number of the
Scr ipture monthly magazine the
prominent state universities of
the west are mentioned in a write
up. The article deals with the
life in the several schools. Iowa
is illustrated by some of the best
buildings to be seen at the se-
veral schools. Iowa is recalled
by a picture of the liberal arts
building. The building is held up
in excellent contrast with other
buildings shown.

PRACTICE IS GOOD

TEAMS DO FAST WORK ON
SOD FIELD

Drake-Iowa Game Next Sat-
urday, Will be a Good Exhi-
biton of Football

The practice last night was
held on the field, where Satur-
day's game was played. The
field has an excellent sod sur-
face and will do much to help the
men, in developing speed in their
playing. Practice will con-
trast to be held late this week. Sod
field can be put into condition
for Saturday afternoon.

The work last night was hard-
er than any previous night, and
the team followed a snap and vim,
which has been lacking up to
this time. The work will con-
continue along these same lines,
so as to get the team in good
condition for the game with
Drake on next Saturday, and
with Minnesota on the 17th.

The Drake will have the hard-
est proposition of any of the state
teams to meet this weekend. Then
playing will be better, be-
cause of the fact that there will
be a large number of rooters, from
Des Moines, to help them
win the game. It is hoped that
the weather will be pleasant so
that all who are interested in the
Iowa team, will have a chance
to turn out and see this game,
and cheer Iowa on to victory.

The Des Moines crowd, will
arrive during the morning, about
about 300 of Wellesley's team will
be present. It is said that Iowa
white will be greatly in evidence
at the game.

THE DAILY IOWAN

VOLUME NUMBER 8

The cross country runs, that proved so popular last year should not be allowed to lag this year. The runs were of great value in keeping the men in training. Then they afforded an exercise in which a large number could take part. Moreover, they were a form of exercise not violent.

Amusements

The gowns worn in the new production "A Gambler's Daugh- ter" are all striking, not of the usual filmy type, but made of genuine dressing room materials, rich in color and of costly texture at the opera house next Wednesday.

"In Convict Stripes" is a play that takes possession of the spectator and moves him to tears and to laughter with equal skill. It tells a horrible story of the life amongst the hills of South Carolina. It will be seen at the opera house on next Friday night.

The King of the Land of Pie has ordered his Lord Chamberlain to make a Treasury Pie, to be divided between his three daughters and princesses, at their marriages with three princes, living near. The Lord Chamberlain directs the making of the pie and pockets much more than his share. He resorts to villainy by encourag- ing the princesses to break with their princes, for than he thinks he can manage the whole of the pie. He nearly succeeds but is foiled by Kit Cat, the court jes- ter. Kit Cat's straightforwardness, the princesses find they are unhappy after giving their lovers the mitten. They recon- cile, make up with the princes and all ends happily. At the opera house October 8 and 10 under direction of Mrs. Florence V. Coleman.
