DRAKE MEN GIANTS

McCLAIN SAYS LINE AVERAGES 210 POUNDS

Drake is Coming—Strong in Rooters and Confident of Winning

"Drakes line averages 210 pounds. They look like a hard proposition to me," said Donald McClain, last year's general manager of athletics, who has seen the Drake men at practice this week.

"A big crowd is certainly coming down to see the game from Des Moines, continued McClain, "They think at Drake they're going to win and they're going to root to a fare-you-well. They certainly have a strong team and some reason for their confidences."

CHALMERS NOT SURE

"I am not at all confident over the Drake game" said Coach Chalmers this noon "Drake's men are much heavier than ours. Their line looks bad to me. The Iowa team is working hard, but they are green players and sometimes I think Drake may do things to us."

"I hope for a good round score against Drake, so that we may look forward to the Minnesota game with some confidence. Our team has not played in dry weather yet, Its three games have been played in mud and rain, so I hope we can have something different tomorrow."

"I certainly expect a big crowd for tomorrow's game," said Manager Spangler, "We are going to make a bunch of money on the game, I think. Drake thinks this is her year of years and is coming en masse. Excursions are also coming from Cedar Rapids and Davenport."

MASS MEETING TONIGHT

A general mass meeting of all students for the purpose of awakening enthusiasm in athletics will be held in the liberal arts auditorium tonight.

Speeches will be made by Coach Chalmers, Manager Spangler and others. The presence of every student is wanted. This is the first meeting of the students this year for the purpose of talking over athletic prospects and all old and new students will want to be out to see and hear and applaud. Prof. Frank Wilder, and Prof. M. W. Byers have also consented to speak.

ROOTERS MEETING

The Rooters' Club met last evening and effected temporary organization. The club will meet this evening at 6:30 to elect officers and practice yells. Every university student is asked to turn out for the meeting. Membership is open to all and no fee is charged.

RESERVED SEATS

Varsity students and others in

the city, who wish to secure desirable seats in the center of the grandstand, will be better satisfied if they reserve their seats early in the morning, as there, no doubt will be a great rush for seats, after the special train arrives, and all the desirable seats will be gone before the box-office at the grounds is opened.

No. 2. Summit St., to be elected by the class.

No. 3. Iowa Ave., Laura Lewis.

Every girl is invited to become a member of the class to which she is the nearest. The course to be studied this year in Dr. Howard Agnew Johnston's "Studies in Personal Work" and is one which will undoubtedly prove very interesting and helpful. It is the course which was taken at the Lake Geneva conference this year by the delegates from this association, under the instruction of the author of the book. The Bible Study work is one which is very important, and should not be neglected by any girl who can possibly take it. The small size of each group is another thing which makes it helpful. The times of meeting for the first class will be posted on the bulletin boards.

Kappa Sigma gave an informal dancing party in their new home last night. About twenty couples were present.

Monday night the Dramatic Club will initiate, Sadie Jacobs, '06, Miram Stookey '06, Rob Quigley '06 and Leslie McAuliff '05.

The Cross Country Club held their second run yesterday under the leadership of Bush and Eastman. Eighteen men ran the course of five miles.

Beta Theta Pi will initiate tonight when Clyde Topping of Burlington; Robert Alford of Waterloo and Frank R. Wilson of Sioux City will be shown into the mysterious.

Prof. Wilcox of the history department, left this noon for Morrison, Ill. where he lectures tonight on "Henry Clay the Leader of the Whig Party." Tomorrow night he lectures in Davenport Ia. on the "History of the Eastern Question."

Ivy Lane has added the following to its list of members: Misses, Holiday of Burlington; Maynard, Council Bluffs and Lyon of Iowa City; Messers Clyde Topping of Burlington and Frank Wilson of Sioux City. The initiation exercises were held Tuesday night at the home of Miss Alice Remley.

EMINENT JURIST

SIR POLLOCK STUDENT AND LAWYER

His Unpretentiousness Makes His Great Popularity in This Country

Sir Frederick Pollock is undoubtedly the most eminent Englishman living in the realm of written law. Americans find it much to the foreigner's credit that he stands for high position and undoubted attainments won in four generations. His great-grand father, we are told, was saddler to the fourth of the Georges; his grandfather—a judge—was chief baron of the Court of Exchequer; his father a lawyer of great culture and charm a "Queen's Remembrancer." Although the family is notable in England, and the name carries with it no little weight, especially in legal circles, the present Sir Frederick has done more than any other member of the family to press the name forward. He has the titles of LL.D. from both Edinburg and Dublin, is a D.C.L. of Oxford, and he is both professor of jurisprudence at the ancient home of sound learning and editor of the "English Reports." In the fields of law and politics Sir Frederick is one of the best known and most voluminous writers of the day, having put his name to volumes that are authoritative in matters of contract and partnership. In addition he is regarded as one of the most accomplished linguists in all England, speaking several languages and using the mother English with rare felicity. With all his attainments, legal and academic, Sir Fredick remains withal modest and unpretentious to a degree. Herein, perhaps, is to be found one of the secrets of his great popularity in this country.

Iowa City Golf Club

At the annual meeting of the Iowa City Golf Club, held Wednesday night, Dr. Von Ende, Dr. Hagen and J. W. Rich were elected to the Board of Managers for the coming year.

Thirteen new names were handed in for membership among them a number of students.

Provision was made for allowing members of the Country Club to take out playing membership cards on these links.

Carrier Contest

A special money prize has been offered by the manager of the IOWAN to each carrier and mailing clerk who goes through the week without a complaint against him. The standing of the contest at six o'clock Thursday evening was:

Dyer Williams, no complaint.
Stanley Hands, no complaint.
Frank Murphy, no complaint.
Geo. Gerber, two complaints.

PRESIDENT G. E. MACLEAN.

Several things are going to happen which you cannot afford to miss. One is the Drake game, the other is Sir Frederick Pollock. After we win Drake game, we ought to be in proper enthusiastic mood to greet the great jurist.

If the civilizing influence that seems to have touched the freshman-sophomore contingent of the university keeps on, there will be nothing for the reporters to fill their space with every fall. However hard it may be on the reporters of lurid journalism it is a condition much to be desired.

Root, root, root and keep on rooting next Saturday. When Drake is here. Drake comes determined to put up a hard contest. They will be accompanied by a strong crowd of loyal and lusty rooters. Iowa ought to be able to drown them out. She can if she will. So Root! Root! Root!

The Hawkeye board are having their usual annual chase after an office. THE IOWAN has never had Utopian dreams of an elegantly furnished room in the university. They have such

things in the east. But in the pioneer west such a thing can scarcely be hoped for. Yet the Hawkeye certainly needs a permanent office. The present practical solution would be an office large enough for all the university publications to have desks in. The ideal of a suite of offices for each would be more than our share.

AMUSEMENTS

"In Convict Stripes" is a play that takes possession of the spectator and moves him to tears and to laughter with equal skill. It tells a horrible story of the life amongst the hills of South Carolina. It will be seen at the opera house on next Friday night.

The theatre-goers of this city are preparing for a right royal welcome to be tendered Mr. Walker Whiteside on the occasion of his production of his most recent success "We are King," in this city on Wednesday October 11th next. It has always been a great pleasure to welcome Mr. Whiteside in the Shakespearean and other plays which he has presented from time to time and since his new play has made such a pronounced success, an evening of rare enjoyment is anticipated upon his coming visit here.

Capt. Richmond Pearson Hobson, U. S. N., the hero of the Marmac, lectures October 19, at the armory of "The United States as a World Power."

Captain Hobson attracts large audiences throughout the country not only as a popular hero of the Hispano-American War, but because he is magnetic and attractive as an orator. He brings a wealth of information in a message that pertains to our national life, and inspires patriotism. Seats reserved without extra charge at Cerny & Louis' on and after Wednesday October 14, at 1:00 o'clock at 50c.

The King of the Land of Pie has ordered his Lord Chamberlain to make a Treasury Pie, to be divided between his three daughters and princesses, at their marriages with three princes, living near. The Lord Chamberlain directs the making of the pie and pockets much more than his share. He resorts to villainy by encouraging the princesses to break with their princes, for then he thinks he can manage the whole of the pie. He nearly succeeds but is foiled by Kit Cat, the court jester. Kit Cat straightens things out, the princesses find they are unhappy after giving their lovers the mitten. They reconsider, make up with the princes and all ends happily. At the opera house October 8 and 10 under direction of Mrs. Florence V. Coleman.

Really, is there any good reason why you should not be using a Parker 'Lucky Curve' Fountain Pen? I am making good pens—and warrant them—pens perfected by the experiences of many years. Among the pens I am making is one for you, which, after it is fitted to your hand, you should not part with for many dollars, so pleasing would it be. Any one of the 9,000 dealers selling the "Lucky Curve" will be glad to help find "your" pen. If you cannot find them in your city, please order direct.

My pens, quality considered, are not expensive. They are capable of many years of satisfactory use. They start in price at \$1.50, to \$2.00, \$2.50, \$3.00 and higher, according to size and ornamentation. I also sell a dollar pen, the Palmer (without the "Lucky Curve"), an excellent pen for the money.

In any event, let me send you my catalogue. It contains information you ought to know and costs you nothing. Kindly write today.
