McClain Says Line Averages 210 Pounds

Drake is Coming—Strong in Rookies and Confident of Winning

"Drake's line averages 210 pounds. They look like a hard proposition to me," said Donald McClain, last year's general manager. "They have a great many of them who have been seen and are from green players and sometime I think Drake may do things to us."

"If we get a good round score against Drake, so that we may look forward to the Minneso-ota game with some confidence. Our team has not played in dry weather yet. Its three games have been played in mud and rain, so I hope we can have some thing different tomorrow."

"I expect a big crowd for tommorrow's game," said Manager Spangler, "We are not going to make money on the game, I think. Drake thinks this is her year of years and is taking the thing seriously. Examinations are also coming from Cedar Falls and Davilltown."

A general mass meeting of all students for the purpose of awakening enthusiasm in athletics will be held in the liberal arts auditorium tonight.

Speeches will be made by Coach Chalmers, Manager Spangler, and others. The presence of every student is wanted. This is the first meeting of the situ- dents this year for the purpose of taking over athletic prospects and all old and new students will want to be out to see and hear and enjoy the event. Profess- or Wilder, and Prof. M. W. Byers have also consented to speak.

THE ROOTERS' CLUB

The Rooters' Club met last evening and elected temporary organi- zation. The club will meet at 6:30 this evening to elect officers and practice yells. Every university student is asked to turn out for the meeting. Members open to all and no fee is charged.

LOCATION OF THE CLASSES THIS YEAR

Leaders Have Been Chosen and Prospects Are Good for Successful Work

The Bible study department of the Young Women's Christian Association announces the follow- ing classes and leaders for this year:

No. 1, Court St., Mrs. Prall, No. 2, Summit St., to be elected by the class.
No. 3, Iowa Ave., Laura Lewis. No. 4, Cal House, Madge Young.
No. 5, Dubuque St., Lela Blaine. No. 6, Davenport St., Pearl Langdon.
No. 7, Market St., Lulu Monot.

Every girl is invited to become a member of the class to which she is the nearest. The course to be studied this year is "Dr. Howard Agnew Johnston's" "Stu- dies in Personal Work" and is one which will undoubtedly prove very interesting and helpful. It is the course which was taken at the Lake Geneva conference this year by the delegates from this association, under the instruction of the author of the book. The Bible Study work is one which is very important, and should not be neglected by any girl who can possibly take it. The small size of each group is another thing which makes it helpful. The times of meeting for the first class will be posted on the bulletin boards.

Kappa Sigma gave an informal dancing party in their new home last night. About twenty couples were present.

Monday night the Dramatic Club was initiated, Sadie Jacobs, '06, Minus Boole, '05, and Leslie McAliff, '06.

The Cross Country Club held their second run yesterday under the leadership of Bush and East- man. Eighteen men ran the course of five miles.

Beta Theta Pi will initiate to- night when Clyde Topping of Burlington; Robert Alford of Waterloo and Frank H. Wilson of Sioux City will be shown into the mysterious.

Prof. Wilcox of the history de- partment, left noon for Mor- rison, Ill., where he lectures to- night on "Henry Clay the Leader of the Whig Party." Tomorrow he may lecture in Davenport on the "History of the Eastern Question."

Ivy Lane has added the following to its list of members: Misses, Holiday of Burlington; Maynard, of Council Bluffs and Lyon, of Sioux City; Messers, Clyde Topping of Burlington and Frank Wilson of Sioux City. The Inland Physics history class were held Tuesday night at the home of Miss Alice Bienemy.

EMINENT JURIST

SIR POLLOCK STUDENT AND LAWYER

His Unpretentiousness Makes His Great Popularity in This Country

Sir Frederick Pollock is un- doubtedly the most eminent Englishman living in the realm of written law. Americans find it much to the foreigner's credit that he stands for high position and undoubted attainments won in four generations. His great-grandfather, we are told, was lawyer to the fourth of the Georges; his grandfather— a judge—was also a judge. The Court of Exchequer, his father, a lawyer of great culture and charm and editor of the "English Re- ports." In the fields of law and politics Sir Frederick is one of the best known and most volumi- nous writers of the day, having put his name to volumes and authoritative in matters of con- tract and partnership. In addition he is regarded as one of the most accomplished linguists in all Eng- lish. A writer and linguist, and using the mother English, he has been a far more capable with all his attainments, legal and academic. Sir Frederick remains with no- me of his contemporaries to de- gree. Herein, perhaps, is to be found one of the secrets of his great popularity in this country.

IOWA CITY GOLF CLUB

At the annual meeting of the Iowa City Golf Club, held Wednesday night, Dr. VenRide, Dr. Hague and J. W. Rich were elected to the Board of Managers for the coming year.

Sixteen new names were handed in for membership among them a number of club.

Provision was made for allow- ing members of the Country Club to take out playing membership cards on these lines.

Carrier Contest

A special money prize has been offered by the manager of the Iowan to each carrier and mail- ing clerk who goes through the week without a complaint against him. The standing of the con- test at 9 o'clock Thursday even- ning was:

Dyer Williams, no complaint. Frank Murphy, no complaint. Geo. Gerber, two complaints.

President G. E. MacLean.

Several things are going to happen which you cannot afford to miss. One is the Drake game, the other is the Fredrick Pileck. After we win Drake game, we ought to be in proper enthusiastic mood to greet the great jurist.

If the prevailing influence that seems to have touched the freshman-sophomore contingent of the university keeps on, there will be nothing for the reporters to fill their space with every fall. However hard it may be on the reporters, their journalism is in a condition much to be desired.

Root, root, root and keep on rooting next Saturday when Drake is here. Drake comes determined to put up a hard contest. They will be accompanied by a strong crowd of loyal and lusty rooters. Iowa ought to be able to drown them out. She can if she will. So Root! Root! Root!

The Hawkeye board are having their usual annual change after an office. This Iowan has never had Utopian dreams of an elegantly furnished room in the university. They have such things in the east. But in the pioneer west such a thing can scarcely be hoped for. Yet the Hawkeye certainly needs a permanent office. The present practical solution would be an office large enough for all the university publications to have desks in. The ideal of a suite of offices for each would be more than our share.

AMUSEMENTS

"In Convict Stripes" is a play that takes possession of the spectator and makes him laugh and to laughter with equal skill. It tells a horrible story of the life amongst the hills of South Carolina. It will be seen at the opera house on next Friday night.

The theatre-goers of this city are preparing for a right royal welcome to be tendered Mr. Walter Whitlaide on the occasion of his production of his most recent success "We are King." in this city on Wednesday October 11th next. It has always been a great pleasure to welcome Mr. Whitlaide in the Shakespearean and other plays which he has presented from time to time and since his new play has made such a pronounced success, an evening of rare enjoyment is anticipated upon his coming visit here.

Capt. Richmond Pearson Hobson, U. S. N., the hero of the Marlima's lectures October 19, at the armory of "The United States as a World Power." Captain Hobson attracts large audiences throughout the country not only as a popular hero of the Hispanic-American War, but because he is magnetic and attractive as an orator. He brings a wealth of information in a message that pertains to our national life, and inspires patriotism. Scans reserved without extra charge at Cerny & Louis' on and after Wednesday October 14, at 1:00 o'clock at 50c.

The King of the Land of Pie has ordered his Lord Chamberlain to make a Treasury Pie, to be divided between his three daughters and princesses, at their marriages with three princes, living near. The Lord Chamberlain directs the making of the pie and pockets much more than his share. He resorts to villainy by encouraging the princesses to break with their princesses, for then he thinks he can manage the whole of the pies. He nearly succeeds but is foiled by Kit Cat, the court jester. Kit Cat straightens things out, the pricnesses are unhappy after giving their lovers the Milton. They reconsilier, make up with the princes and all ends happily. At the opera house October 8 and 9 under direction of Mrs. Florence V. Coleman.
