JEFFERS IS A STAR

MAKES GOOD RECORD IN CROSS COUNTRY

Time Good But Not Enough Candidate Out—Riley Proves a Dark Horse

The second competitive cross country run held yesterday afternoon brought out a "find" for Iowa athletes. Jeffers of the '05 law class, besides winning the contest easily lowered Hands' record of last year by almost a minute. Jeffers succeeded in covering the course—from Close Hall, north over Dubuque street to the Brighton Beach road, a distance of 4 miles, in 23 minutes flat. Hands' record last year was 23 minutes, 49 seconds. This remarkable performance on the part of Jeffers insures that he will be an important figure in the track events next spring.

Shaw, L. A. '05, who entered last night's contest out of training covered the distance in 24 minutes.

The members of the sophomore class have scored a lead now which will be hard for the freshmen to overcome. The score of points as far as these two classes are concerned stands 127 to 80 in favor of the former.

The summary:

Jeffers	Law	'05	20	points
Shaw	L.A.	'05	19	"
Riley	"	'07	18	"
Johnson	"	'04	17	"
Felt	"	'06	16	"
Askwith	"	'07	15	"
Easton	"	'06	14	"
Hutchinson	"	'05	13	"
Perrine	"	'06	12	"
Jones	"	'06	11	"
Salisbury	"	'06	10	"
Moon	"	'06	9	"
Davidson	"	'06	8	"
Glass	"	'07	7	"

The standing of the classes;

	L'05	L.A.'04	'05	'06	'07
1st. run	20	18	19	47	40
2nd. run	20	27	32	80	40
Totals	40	35	67	127	80

In the contest for the individual cups Jeffers to all appearances has the first place disposed of; Johnson is at present second with 35 points to his credit, while Felt (33), Hutchinson (32), and Easton and Askwith (30 each) are closely bunched for third place. Riley '07 proved to be something of a dark horse in finishing in third position. The date of the third and last run has not been definitely fixed; it is possible that it may be delayed until Tuesday, November 24, in order to give the men opportunity to recover from the last two races. Meanwhile the practice runs will be held as usual on Tuesday, Thursday, and Saturday.

Prof. G. F. Flom will read a paper on "The Volospa," A Cosmogonic Poem from the "Elder Edda," before Whitney society Monday evening.

Next Assembly in Memory of Frank W. Russell

President MacLean announced at assembly yesterday that the assembly next Wednesday would be a memorial service for Frank W. Russell, the famous scientist and alumnus of Iowa.

Members of the science faculty who were associated with Mr. Russell in his work, will have charge of the memorial service next week and will speak.

The newly elected members of Phi Beta Phi entertained the old members last night at the home of Miss Hazel Higley '07.

ARRIVE AT COLUMBIA

TEAM REACHES CITY SAFE AND SOUND

Practice on Rollins Field This Afternoon Was Fairly Satisfactory

SPECIAL TO THE IOWAN: BY R. A. COOK

COLUMBIA, Mo., Nov. 13.—The Iowa football team arrived in Columbia this morning and are feeling as well as possible under the circumstances of their long night ride. The road bed was not as smooth as the Michigan Central, and the bumps and jolts were not conducive to rest in the arms of the Morpheus. The engineers were more accustomed to hauling freight than passengers, and the Pullman blankets were not oppressively warm, but everyone was feeling cheerful this noon, and in fighting spirits.

The team is stopping at the best hotel in the city, the Power House, which is much like the Globe Hotel of Iowa City. The team had stiff practice this afternoon on Rollins Field, and limbered up from their ride on the train.

The morning was spent in walking about the university campus, and inspecting the buildings. Missouri has many good buildings pleasantly located.

As Rollins Field is about two miles from the telegraph office and the agent desires a brick telegraph house erected on the field and a formal request in writing before extending wires to the grounds, it is possible that the news of the game Saturday may be delayed in transmission.

Bulletin, Number 70 of the University publications, just issued, contains the address of Senator George Frisbie Hoar, on "The American Citizen." This is the commencement address delivered at the University of Iowa last June.

Robert B. Berryhill C. E. '86, formerly a resident of Iowa City has formed at Phoenix, Arizona a news company. Mr. Berryhill has had experience in this line as he was formerly at the head of a similar company at Ft. Dodge Iowa.

The biography of T. S. Parvin is practically ready for publication. Mr. Morcombe says of his work, "I shall feel satisfied if when this book is published and read by the friends of Mr. Parvin, they shall find a likeness of the man, in which the high lights are not too strongly placed, nor the shadows too deep. If it can be recognized as conscientious work, and if the book will be a contribution, however slight, to the history of Iowa, I shall consider my work well done."

Cross Country at Chicago

In the first run for the selection of members of the Cross Country Club at the University of Chicago yesterday Lightbody, the new man from De Pauw, did some phenomenal work. He finished first with a big lead, covering the course of approximately four and a quarter miles in 22:56.

The Freshmen held a meeting Thursday but no business was transacted and another meeting was called for next Monday at 3:30.

Miss Louise Brockett, Ex. '04, of Des Moines has issued invitations for a card party complimentary to Miss Preston of Iowa City, on next Wednesday evening.

A dispatch from Washington says of Iowa City's candidate for the federal judgeship: Senator Allison and former Attorney General Remley of Iowa called at the White house today, and the latter was presented to the president. It is said that Remley's candidacy for the vacant federal judgeship in Iowa was brought to the attention of the president. Senator Allison also presented Mr. Remley to Attorney General Knox.

Heps Entertain

The Hesperian society entertained the Zetagathian society in the Zet hall Thursday evening. The main feature of the entertainment was a "Hare and Hound chase which was a pleasing divergence from the usual amusements of such gatherings.

The Iowa preliminary debate will be held at Illinois tomorrow night.

By provisions of the will of late Gordon McKay of Newport, R. I., Harvard University will receive \$1,000,000.

The Phi Deltis will entertain Saturday evening, November 21, the night of the Iowa-Illinois game, at which several of the alumni of the local chapter and fratres from Champaign will be present.

The Nebraska State Journal of Lincoln contains a very interesting article concerning President MacLean and his work at Iowa.

The Baconian Club meets on Friday evening, November 13, at 7:30 in the Physics Lecture room. The paper will be read by Dr. Andrews, on the subject, "Some Relations of Mass to Chemical Action."

Iowan Meeting
The IOWAN Board will meet Saturday at 1:00 p. m. in the northwest room of the Old Capitol. Important business and all are requested to be present.

No Thanksgiving Day Game
The athletic authorities of Wisconsin are advocating the abolishing of the Thanksgiving Day game, among the Big Nine. Two reasons advanced are, that it interferes with the festivities of the day, and in general is not popular. But the important reason, for which they claim originality, is, that if the season ends the Saturday preceding Thanksgiving, then on that day there may be played a championship game.

It is suggested that no season, except rarely, will end with any one team having a clear title to the championship. If all the schedules close on the Saturday before Thanksgiving the two teams who have the best titles to the pennant or the two who are disputing over its ownership can meet on some metropolitan field and finally determine the matter in the biggest game of the season. This will bring always the greatest and most important foot-ball contest of the season on Thanksgiving Day and in a large city,

where the gate receipts will be a fortune.

The determination of what teams shall play will be left to a committee of one from each college in the Conference. As to the place for holding the contest, Chicago seems to be the most in favor.

There is much in the movement to commend it; but the traditions of the Day among students and alumni, will be hard to overcome.

AMUSEMENTS

Years ago when Clay Clement was unknown in many cities where he is now a favorite, "The New Dominion" was promised a comedy whose purity, sweetness, and gentle humor made in idyllic in its charm, while the Hohenstauffen of the actor was accorded its proper rank as one of the most appealing and artistic creations of the modern stage. "The New Dominion" of today has lost not a wit of its beauty or its interest—The Detroit Free Press.

The famous Whitney Opera Co. will bring the very latest comic opera success "When Johnnie Comes Marching Home" to the opera house on next Thursday. The entire production will be direct from the big New York theaters where it ran to crowded houses all last winter. The martial scenes, the old time songs, the spirited ensembles, the patriotic out-craeks are all contributing elements to the success of the latest work of Stanislaus Stange and Julian Edwards. But it is perhaps the resurrected, the rejuvenated crinoline hoop skirts of forty years ago that catches the fancy of most of those who see the opera. The chorus girl in hoop skirts is a pleasing novelty. She is picturesque and is brand new and thanks to the ingenuity of the authors of the piece she is in much and pleasing evidence.
