Opening Number of S.U.I. Lecture Course Tonight at Congregational Church

RARE RELICS FOUND

INFORMATION ABOUT THE LECTURE COURSE

Dr. Duran J. H. Ward Is Interested In Lake Okoboji Mound

The recent discovery of archæological remains in a mound once located in Dr. Duran J. H. Ward of this city has interested himself may result in the acquisition of valuable knowledge concerning the Indians who inhabited the heart of the country 200 years ago. The find of the discovery which throws light upon the ancient race is the fact that in the mound, two skeletons have been found and it was not heretofore thought that the race of Indians which lived here possessed the knowledge to manufacture such simple implements of warfare.

The mound recently unearthed at Okoboji is one of the most interesting that has come to the attention of Iowa archeologists. Already seven peculiar skeletons have been brought to light and it is estimated that the mound is still rich in remains.

Dr. Ward is now interested himself in the further exploration of the mound. He is endeavoring to secure permission to excavate the mound so that it may be preserved.

The archæological minds which have been working in the mound regard the expropriation that took place at the mound at the time of the mound's discovery. In addition to the skeleton, the mound contains some of the remains of old capital.

Arrangement for the Lecture

The Graduate Club met in room 118 liberal arts building last evening. Thirty-five new members were elected to the club which at least indicates the progress it is making. A committee was appointed to secure a lecture, to be held under the auspices of the club, sometime before the Christmas as a discussion of plans for the meeting of American Association of Graduates, students occupied the remainder of the time.

Minnesota Stirred Up

Minneapolis, Nov. 10.—At the University of Minnesota, the enthusiasm over the Wisconsin game Saturday is at the top wave. Tomorrow night a big demonstration is planned to take place on the campus. About fifty coal cars have been donated, and these will form the nucleus for such combaticent material as can be foraged between the river and the fairgrounds. It is expected that 12,000 persons will take part in the performance.

Miss Mary West of Sioux City is pledged for Rapp Koppa Gamma.
At Other Schools
Cornell has tried an experiment this year in the way of providing a training table for the freshman football squad. The plan, which has just been put into operation, has proved a decided success.

An inter-communicating telephone system is to be installed at Nebraska soon. The system is designed primarily for the convenience of members of the faculty. A phone is to be installed in each of the departments, and in the residences of the different members of the faculty.

AMUSEMENTS
"Dada Thorne" is an awful sweet girl, boys ever meet her? No. Then come to the Opera House next Monday evening.

An American Citizen in England, "a four act comedy drama, admirable performed by Guy Hickman and his clever company attracted the largest audience seated in the Grand Opera house in the past three years last evening. Long before the beginning of the excellent performance every seat in the house was taken and standing room was sold at a premium. In return for such a magnificent audience, Mr. Hickman and his company put on one of the best repertoire productions ever seen in this city at popular prices. Citizen's Daily Courier.

**World's Fair**

St. Louis

Closes Dec. 1.

Only a few weeks more and the great Fair will be a thing of the past.

Never in the history of the world have so many of its treasures been brought together. Can you afford to miss the opportunity?

If you have been once, wouldn't it pay you to go again? You didn't see it all. It isn't far away.

The Rock Island train stops at main entrance to the World's Fair.

Reduced rates daily. Ask about them.

TO HAVE GLEE CLUB
SINGERS ARE GETTING TOGETHER
Meeting Held Last Night To Arrange For Organization
At a meeting of a few of the students interested in music last night in the auditorium of the hall of liberal arts a committee was appointed to see about the organization of a university glee club. The committee was headed by Dr. H. J. Frentiss of the medical faculty and consists of one representative from each college in the university. The other members are as follows: Atkinson, Law; Brown, Graduate School; Bailey, Medicine; Parsons, Homoeopathic Medicine; VanDorn, Dental; Files, Liberal Arts; Humphrey, Pharmacy.

The committee is holding a meeting this afternoon at the office of Dr. Frentiss to perfect the organization of the club.
