The Iowa IOwan

The Iowa IOwan believes that the suggestion relative to granting the members of the university band, free tuition in the university, is a good one and one that should receive consideration on the part of the proper authorities. The Iowa band now is largely a voluntary organization and as such it has prospered. But because a number of students have been willing to give them time to an organization that advertises the institution, as much other as it is no sign that their generosity should be expected.

The recognition of the band by awarding free tuition to its members is the recognition of part the professional students have in the makeup of the organization. Many hours are given by these students to the band, even though they are not required to take drill.

Iowa university is proud of her band and should make the recognition of the spirit that has made the organization so successful.

Mrs. Lillie Reynolds, P. '97, is again taking work in the college of pharmacy.

Miss Grace Collins, P. '98, is registered for special scientific work in the college of liberal arts.

James Risser of Perry town has entered the Boston school of expression and is studying for the stage. Mr. Risser is a graduate of Iowa, receiving his B. A. degree a Boston diploma in 1890. He has disappointed to the Des Moines Register.

Friends of Iowa City will be pleased to hear of the accident which befell William H. Hamilton, principal of the Albia high school. In a railroad accident he was killed and he was the husband of a former student. His arms and his jaw were broken and he was out of danger. Mr. Hamilton graduated from the university in 1897, and has been in close touch with Iowa City affairs since, so that he is well known here.

A SUCCESSFUL
PIANO BUSINESS

Our ad has not appeared in these columns for some time owing to the fact that we have been too busy to write advertisements. The giving away of $875.00 to piano purchasers as per our last ad has proven to be the most successful business venture we have ever undertaken, and the number of pianos which we have sold throughout the state of Iowa and Western Illinois has largely exceeded our most sanguine expectation. We have added two first class salesman to our force and have replenished our stock with a car load of pianos, fresh from the factories and stimulated to greater possibilities, we have cut the prices until the bargain hunter will be amused and the figures which will appear on the price tags on every piano in our stock from now until after the holidays. The prices which we are making have never been attempted in this country for an equal grade of goods, and shrewd buyers will take advantage of this opportunity to own a piano at less than the majority of dealers pay for them.

Our Stock is Composed of
Such Renowned Makes as

Chickering & Sons
Packard
Gabel
Richmond
Guest
James M. Starr
Steger & Sons
Webster
And Many Others, all Leaders in Their Respective Class

Prof. W. C. Wilcox will address the afternoon meeting next Sunday day at 2 p.m. on the subject, "The Last Stand of the Christian Religion."

While these services are arranged and supported by the Y. M. C. A. they are in no way planned for its members alone, but are meant to be of interest to every university man.

Sioux City Journal: At a commercial club banquet in Iowa City, a few evenings ago, a speaker said: "We have plenty of ability here to make Iowa City the best town in Iowa." It seems impossible for the Iowa City people to have a meeting without referring to the state university.
