IOWA CITY, IOWA, WEDNESDAY, DECEMBER 21, 1904

No. 60

"PROCS" COVER TOWN

FRESHIES AND SOPHS BUSY AGAIN

Scraps Are Narrowly Averted This Morning—Probably The Last

What will in all probability be the last attempt of either of the two first year classes to give evidences of physical superiority occurred early this morning when the members of the freshman class scattered "procs" to the four corners of the earth, containing sentiments not at all complimentary to the courage or physical strength of the second year class. The "procs" were pasted all over the city and after the pasting process was completed the freshmen stood guard for fear the bills would be torn down by the sophomores.

The fears of the freshmen were well grounded for no sooner had the "procs" been well posted than the sophomores got wind of it and speedily got together. They were vastly outnumbered but they managed to get away with a large number of the freshmen posters before the freshmen discovered them. One freshman carrying about 200 of the prized hand bills was captured by two sophomores and the bills confiscated and passed around for souvenirs among the sophomores.

The sophomores were unable to do a great deal toward tearing down the bills about the university campus and had to undergo the sight of the upperclass members perusing the posters on their way to classes. By noon all of the bills had practically been destroyed.

Iowa Alumni Will Banquet

The Des Moines association of State University alumni will give an informal dinner at the Savery hotel at 7 o'clock next Tuesday evening for the alumni of the institution in attendance at the meeting of the State Teachers' association. It is estimated that at least eighty guests will be in attendance. The dinner will be \$1 per plate. Invitations will issue today, but if any alumni are missed they are expected to appear and procure tickets in advance. A social evening will be enjoyed, with speeches and spirit calculated to arouse a stronger feeling of active loyalty to the institution.

C. P. Frost the sophomore who was injured in the annual class fight is having his knee treated in the hospital.

Dr. Margaret Shaffner of the department of economics has been granted a six weeks leave of absence. The time will be spent in doing research work in New York City. Clarence W. Wassam will have charge of her classes in the meantime.

RINKER QUALIFIES

GETS IN HAMILTON CLUB FINALS

Iowa Ranks Well Among The Other Western Universities—Finals in March

Prof. H. E. Gordon head of the department of public speaking of the University of Iowa has received word from the Hamilton Club of Chicago bearing the intelligence that Purley Rinker the Iowa representative to this contest has successfully qualified for the finals which will be held in Chicago in March.

Representatives of all of the leading western colleges and universities were allowed to submit orations to the Hamilton Club for consideration. Four out of the entire number were to be permitted to deliver their orations before the club for final competition. The four selected were to have been the best with respect to thought and composition. There was a tie on two of the orations for fourth place and as a result five orators will be permitted to appear in the finals.

The five schools to be thus represented are Iowa, Minnesota, Michigan, Chicago and Knox.

Iowa students are highly pleased over Rinker's success in getting into the finals inasmuch as all of the big western schools were entered in the competition. Last year Henry G. Walker for Iowa successfully qualified and then won third place in the finals at Chicago.

Valuable prizes are given the winners of this event.

The subject of Mr. Rinker's oration is "Alexander Hamilton."

Miss Everts, Dean of women will spend the holiday vacation in Minneapolis.

The Wright county students organized Tuesday noon and elected Miss Margaret Mulinx of Dows president and A. N. Bean of Eagle Grove vice president.

Notice of a United States civil service examination for positions on the Isthmian Canal commission have been received at the university.

Contestants in order to enter the N. O. L. preliminary must hand three typewritten copies of their oration to Professor Gordon, room 312, liberal arts building, before 4 p. m. January 13, 1905.

ELECTION TONIGHT

VERY LITTLE INTEREST IS SHOWN

Some Candidates Are Out For Official Positions—Annual Election

Business began to pick up today among the politicians in the athletic union and indications are that tonight's election will be productive of considerable excitement in spite of the apathy which seemed to prevail at first.

Although there has been some activity among the politicians the leaders of the various factions, if there be any, are slow about announcing candidates. It is understood that the name of Tom W. Green will be placed before the meeting for president. W. I. Atkinson may also be a candidate for the official head of the union. Harry Boies has also been spoken of for this position.

Thus far one candidate has been mentioned for vice president. He is "Andy" Chalmers.

Thus far there are but two avowed candidates for the secretary-treasurership. L. L. Williams will be nominated for this place and appears to have a good following. Joe Burgess will also run.

The chief desire on the part of those who are candidates for official places in the athletic union is to gain a vote on the board of athletic control. The president and treasurer each have votes on this board.

Honor For Dr. Rockwood

The September number of "the American Journal of Physiology" contains a very learned article by Dr. Elbert W. Rockwood on "The Elimination of Endogenous Uric Acid." The article contains the results of a number of original experiments performed by Dr. Rockwood in the laboratory of Physiological Chemistry at the University of Iowa.

The December issue of the Journal which is just out contains another article by Dr. Rockwood, assisted by L. B. Mendal, on the "Absorption and Utilization of Proteids without Inter-mention of the Elementary Digestion Processes." This article contains valuable results obtained by experiments from Sheffield Laboratory of Physiological chemistry at Yale University.

Among these are experiments on "The Absorption of 'The Absorption of Proteids from the Small Intestine,'" "The Absorption of Native Proteids from the Peritoneal Cavity," "The Fate of Foreign (Vegetable) Proteids Introduced Directly into the Circulation."

Dr. Rockwood's observations are a valuable supplement to the catalogue of statistical data on this subject published by Burian and Schur.

FIRST GAME SOON

BASKETBALL TEAM TO PLAY MINNESOTA

Jan. 13, Date Scheduled For Initial Match—Team Being Picked

The varsity basketball squad held its final practice last night before the Christmas vacation. A preliminary choice was made for the regular team consisting of Donelan, center; Ross and Barton, forwards; Schenck and Wilson, guards. All but Schenck and Ross are new men, but they are playing the game in good form.

So far it looks likely that all the positions will be filled except possibly center. Parsons, last year's center will probably not play and none of the new men are playing strong enough for this position. Last night in a twenty minute tussle with the fast senior team, the varsity scored repeatedly but no count was made of the goals. Most of the men are in good physical condition and only need a system of team work to bring them into first class shape.

Manager Walker is carrying on negotiations with Minnesota for a game there the 13th of January, and it is very likely that the game will be played. Minnesota puts up one of the finest games of basketball in the country and the varsity will hardly be in their best form for such an early game. Other games have been arranged and the complete schedule will soon be announced.

The material is the best the university has ever had, and as soon as practice can be carried on in the gymnasium a winning team should be developed. The number of men to choose from this year is double that of any previous year.

Crawford County Club Organized

In accordance with the general university movement, the students of Crawford county met yesterday afternoon and organized a "County Club." Crawford is one of the most strongly represented counties, the total number being 17, with every member enthusiastic and a loyal supporter of the university. Ray Randall acted as temporary chairman and the following officers were elected: Lorenz Lorenzen, president; A. E. Miller, vice president; Fred H. Soehl, secretary and treasurer.

The students of Lehigh University have adopted an honor system. Their pledge is as follows: "We, the students of Lehigh University, do hereby pledge ourselves, on our honor, to abstain from all fraud in university written recitations, quizzes and examinations and to take proper measures to prevent any infringement of this resolution."

IOWAN PUBLISHING CO., PUBLISHERS

CARL W. ROSS MANAGER

The Iowan wishes to remind its subscribers that there are only two weeks remaining in which to benefit by the \$2.00 subscription rate. All subscriptions unpaid after January 1st will be charged at \$2.50. Those who wish to take advantage of the reduced rate will kindly see to it before the Christmas holidays.

This will be the last issue of the DAILY IOWAN until January 5. The DAILY IOWAN wishes a merry Christmas and a Happy New Year to all of its readers. The IOWAN feels that to wish each student a pleasant vacation would be superfluous.

Iowa university should feel proud of the recognition that has been given the Iowa professors at the national meetings of learned societies which will gather in Chicago during the holidays. A number of the Iowa professors have been asked to give papers before these societies. The distinction is no small one when it is considered that the greater part of the membership of these bodies comes from east of the Alleghany mountains and consists of the leading educators of the great eastern universities.

More County Clubs

The Delaware County students have organized a county club with the following as officers: Charles H. Davis, president; Geo. S. Banta, vice president; Miss Harriett Rich, secretary.

E. C. Fitzgerald of Rock Rapids has been elected president of the Lyon County club.

Hamilton county which is represented in the university by a strong delegation of students, has elected Robt. Stevens to officiate as president of the club.

Edda Elects

Edda held its semi annual election of officers Saturday night. Considerable interest was manifested during the election. The following were elected: M. A. Hemsing, president; Miss M. Smith, secretary; E. O. Voluum, treasurer; Dr. G. T. Flom and Prof. A. A. Veblen, executive committee.

At Other Schools

Maryville, Tenn. College has recieved \$100,000 from the blind philanthropist, Ralph Voorheis, of New Jersey, \$15,000 are to be spent in building a chapel and assembly hall, and \$85,000 will go into the endowment fund.

For the first time in Harvard's history not a single Bostonian was chosen in the senior class day elections.

Dartmouth's basketball team has the same personnel as last years team, and last week the veterans were beaten unmercifully by Syracuse by a score of 35 to 9.

Owing to an attack of melancholia caused by illness and his inability to be graduated with his class, William J. Aydelotte, twenty-two years old, a student at the Maryland University School of Pharmacy, Baltimore, committed suicide.

Sangster The Grocer

Robert Glass Remley won the freshman contest for 6th place on the university chess team.

Dr. J. D. Claybaugh of Dexter was a visitor at the university yesterday. He brought a clinic to the university hospital.

Almost all the debaters in the preliminary for the Minnesota contest will remain in the city during the holidays to work up on the debate. The preliminary for this will be held sometime in January.

In consideration of the nearness of the holidays, the program of the assembly this morning consisted wholly of music. Solos were sung by Miss Norma Coover and by Messrs. Davis and Brown. The men's quartet, consisting of Messrs. Brown, Bailey, Rogers, and Bradley, also rendered two selections. All the numbers were exceptionally well received.

The men chosen by Irving and Zetagathian societies to take part in the preliminaries to the Nebraska debate have submitted a revised compact to Nebraska, making changes in the matter of judges and in the time allowed each speaker. It is expected that these questions will be settled by the opening of school in January.

L. A. Seniors are requested to write words for class and college songs. Such songs must be in the hands of the music committee not later than Jan 8, 1905, to insure insertion in the 1905 Campus Song Book.
