Rhode Scholars Are Coming up

To Expectations—Excell

In Everything

The list of candidates from the various colleges of Illinois which will be entered for the Rhodes Scholarship examinations this year is now in the hands of President George E. MacLean

and will be announced within a day or two.

No exact figures as to the number of candidates are now obtainable but it is expected that every college in Illinois will have at least one representa

tion.

In a personal letter just received by President George E. MacLean of the State University, Dr. George B. Perkins, of England, who is at the head of the Rhodes Scholarship Trust, speaks very highly of the Rhode Scholars who are now in residence at Oxford from the United States.

In the same letter, Dr. Perkins says: "In recent visits to Oxford, I have been informed that the scholars elected last year in all but one case have made a favorable impression at the university, where much interest is taken in the types of men sent as representatives of the different states and territories."

Dr. Perkins went on to say the following schedule for examinations to be held in United States. January 18, 9 a.m. to 4 p.m., Latin; January 18, 10 a.m. to 12 noon, Geography; January 18, 1 p.m. to 4 p.m., Latin; January 18, 5 p.m. to 7 p.m., Greek; January 19, 8 a.m. to 10 a.m., French; January 19, 10:30 a.m. to 12:30 noon, German; January 19, 1 p.m. to 4 p.m., Latin; January 19, 5 p.m. to 7 p.m., Greek; January 20, 8 a.m. to 10 a.m., French; January 20, 10:30 a.m. to 12:30 noon, German; January 20, 1 p.m. to 4 p.m., Latin; January 20, 5 p.m. to 7 p.m., Greek.

The State University will have two candidates this year, Carl W. Ross, and Jacob Van der Zee.

Polytechnic Elects Officers

Polytechnic mot last night with Miss Higley. After the regular program officers were elected for the middle term as follows: Leo McAliff, president; Joe Been, vice president; Stella Stargent, secretary, John Parrish, treasurer.

Dr. Gilchrist’s residence was slightly damaged by fire Satur
day night.

Work in all departments at Ames will be resumed January 17. They have a four weeks winter vacation.

Dr. Horace addressed the assembly yesterday morning. His theme was the university life at the university of Pennsylvania, the best college in the United States, as far as the great colleges at that university is the anniversary of Dewey’s victory.

The meeting was of the greatest interest and the students and bonfire style familiar for the university after football.

AMERICA IS MAKING GOOD RECORDS AT OXFORD

The site of the new dam will be just above bridge

100 Feet North of Burlington

Street Bridge is Thought

Best Location

The dam will be commenced as soon as is deemed advisable and will be finished by the midsummer of the present year.

The dam will be a valuable acquisition to the engineering department of the university. A course in hydraulic engineering is now added to the engineering course.

Dentists in Session

Iowa City dentists will attend the second annual meeting of the Southeastern Iowa Dental Society at Burlington, Monday and Tues-
day next week. Dr. A. W.

Starbuck of this city will conduct the clinics, and has been decided upon by the authorities in charge.

It will be built just one hun-
dred feet above the Burlington street bridge. This is not the location most desired but it was found that it could be erected with much less expense.

A rock foundation is obtained at a depth of sixteen feet in the existing remains of Roman art. The principal purpose of this study was to obtain new ideas and material for his classes in Roman and Greek archaeology, of the site also visited parts of Greece, including the city of Athens.

On his return home, while in Boston, he read a paper on "The Excavations in the Roman Forum in 1904," before the American Institute of Archaeology, then in session in that city.

During the second semester Professor Fairbanks will give a course in Greek sculpture which will be illustrated by many fine photographs which he has brought with him.

Students Receive Medals

Last Monday several members of Company I who are students in the university were awarded illustrated medals for excellence in mark-

manship.

Riffman's medals were given to E. R. Ritter and E. R. M. Morrison; sharpshooter medals to R. B. Chambers, G. H. Douglas and G. Palus; marksman medals were given to Ray Files, Lee Bradley, W. B. Breece, G. E. Breeze, C. F. Schenck, C. F. Lemon and W. B. Joy.

The representations of the various classes meet next Monday with faculty members to consider the advisability of using the new gymnastics for various social purposes.

The Iowa Iota chapter, which has petitioned for a charter in Sigma Alpha Epsilon, has received the charter and will soon be formally installed as a chapter for the national fraternity. The convention which granted the charter was held during the holidays.

It is said that George Ade, the noted humorist, has been suc-
cessful with his latest book, his royalty from these alone is three thousand dollars a week. To make this the income derived from his books which shows that it pays to be funny. One of George Ade's, most famous rhyming lines is: "I had the Norwegian poet 'Venge' The Parisians call him 'Peggy' young pub-
lic and everybody is invited.

Professor Arthur Fairbanks, of the department of Greek, has recently returned from an extended European trip. During this journey he visited numerous places of interest in Italy and Sicily, securing much valuable material for use in his classical studies.

Two months of his time Professor Fairbanks spent in Rome, studying his master's classical tragic in the ancient remains of Roman art. The principal purpose of this study was to obtain new ideas and material for his classes in Roman and Greek archaeology, of the site also visited parts of Greece, including the city of Athens.

On his return home, while in Boston, he read a paper on "The Excavations in the Roman Forum in 1904," before the American Institute of Archaeology, then in session in that city.
