WILL GIVE CONCERT

IAW BAND TO PLAY FOR PUBLIC

Grand Musical is Being Planned
By Director Molesberry
In Near Future

Director Frank Molesberry announced yesterday that the annual concert of the band will be held sometime during the first week of February. The concert will be the musical event of the season at Iowa City and great interest is being shown in it. It will include a musical program with a dance for the students, for Director Molesberry announces that the board program as a whole will be cleared and dancing indulged in. The entire band will provide the music for dancing.

There is still some doubt as to whether the concert will be given. It is promised for, while it is in the new gymnasium but the doubt is about the time when the structure will be ready. It is probable that it will have to be held somewhere else. Iowa's band is famed far and wide for its excellent music. It has been practicing long and well for the annual concert and those who attend may expect a musical treat. The program will consist of both classical and popular music. The band has now a membership of 35.

Prospects Good at Simpson

Simpson college met for the first time for the winter term Tuesday morning. Five hundred students have already registered. This shows that the term's registration will be more than 600. This would bring the enrollment of over 800 students.

The outlook for indoor athletics is very favorable. The basketball team played their first practice game of the season last evening with the alumni, winning by a score of 32 to 12. Much enthusiasm is being manifested in the newly organized classes in fencing under the instruction of Professor Schildt. Mr. Schildt, the athletic director, and a class in wrestling is expected to get under way by the end of the present week. The base ball men are working out as well as possible in the cramped gymnasium.

Delta Tau Delta entertained last night at their fraternity house on east Burlington St.

President Elliot and the Corporation of Harvard have determined this afternoon that all athletic contests will be free to all Harvard students as soon as the Hamptonian is published. The season is expected to be within three years. By buying a special ticket a student may attend all athletic contests at a cost of witnessing all base ball and football games and track meets to ten dollars.

The board of athletic control will entertain the football men this evening with a "smoke talk" in the gymnasium on Wed­nesday night, January 12, in the new gymnasium.

To Keep Records of Athletes

An innovation will be made soon in the manner of keeping the records of Iowa athletes. The board of regents have purchased a tabulating case which will contain the cards of the students participating in any kind of ath­letic event.

These cards will contain the personal record of all athletes such as physical measurements, points, and personal records entered in, dates of con­tests and the honors won. By exam­ining the individual records there will be a general record keeping the scores and dates and all other data relating to the contests.

Therefore so such record has been made it will be impos­sible to even find the score of a late event dating back a few years.

Rov. G. L. Cady will give the address at the Y. M. C. A. meet­ings tomorrow afternoon at 4 o'clock.

The old suit. No doubt the coat is good, but trousers are somehow given to being the first to look shabby—generally takes 2 to one. Now’s about the time to be thinking about the odd pair. We carry a line of them that is bound to make “a hit” with you. Either the Peg Top or the medium wide cut. Patterns are especially well suited for college men. They are made by the Paragon people, who make the best ready to wear trousers in the land. We sell these from $5.00 to $7.50, others from $2.50 up. Glad to show you.

Dr. Whitney on Western Football

In the January number of "Outing" Casey Whitney makes some comparisons between the eastern and western football. He makes a comparison between the eastern teams and then comes out to the middle west. Minnesota and Michigan are put at the head, with the remark that Michigan is considered by those who have seen both teams play to be a little stronger than Michigan.

Comment is made on the alumni coaching system of Wisconsin and the problems that are arising in trying to get the system working. While they may lose games at first, they will come out ahead in the end.

In regard to the overwhelming scores made by both Minnesota and Michigan against lighter opponents he says that they are coached to go in and go on to say "It is my opinion based on the Michigan Chicago game that Michigan would be beaten by any one of six of the leading eastern teams."

He makes out a list of the leading teams such as Yale, Pennsylvania, West Point, Princeton, Harvard, Dartmouth, Michigan, Minnesota, Chicago, Wisconsin, Nebraska. The following scores are mentioned: Cincinnati 0, Michigan 20, Wisconsin 20, Illinois 20, Michigan 20, Ohio State 20, Ohio University 20, Michigan 20, Michigan 20, Michigan 20.

The Capital City Commercial College of Des Moines Iowa is recognized everywhere as a leading institution. In many places the leaders of thought and business have sought its graduates for distinguished positions. A great number of students study are broad, and the instruction is thorough. It is the only badly needed commercial school in the West. It is certainly the best, and it has been used by the late President of the United States. Professor Sager's reputation is far and wide. Grades and Courses Leaving desirable situations.

The following courses are maintained: Commercial Arithmetic. Bookkeeping and Prac-

Tables. English reading and Commercial arithmetic. It is not our ambition to be a large business but to be a small business. It will greatly increase the efficiency of our college. We have excellent private boarding facilities for our boys. For a complete description giving detailed information, W. R. McCARLEY, President Des Moines, Iowa.

"It Pays to Advertise"

When Cleopatra, wise old girl,

Got your new day and drawn pearl.

All fragrant folks cried out "for shame!"

But suddenly, I read it through.

And she was right and she was wise.

To thus get in and advertise.

When Cheops made his subject bid

On concerts for a panama.

He got a tomb worth a king,

(Though not a very useful thing)

But he was right and he was wise.

To thus get in and advertise.

When the Clinton St. Smoke is the place

To do your business in the open air,

Thus a Brown he runs the store

In a way that is not a poor store.

And he is right and he is wise.

To thus get in and advertise.

And if you'd not be counted slow

Follow the man that ought to be

They buy her cigars at the big display

You bet your life they know her price.

And they are right as you see.

They know the place that advertise.
