The Iowa basketball team will play the first game of its schedule tomorrow night at Minneapolis against the strong team representing the university of Minnesota. The Minnesota team is known to be fast and the chances are slightly in their favor. However, the Iowa team is in good condition and may be depended upon to give a good account of itself. The Iowa team will leave tomorrow morning and will take with it hearty wishes for success from all loyal Iowa students.

Board of Control

The trustees of Ames college have been called to meet on January 16. At that time it is said that the legislative commission operating under the desireability of creating a single board of control for the educational institutions will meet with the trustees.

In December, the commission met at Des Moines. Normal school at Cedar Falls and participated in their meetings. They inspected the school carefully. The same process will be gone through at the Ames meeting.

It has been announced that the regents of the State University will meet the last part of this month, and it has also been supposed that the legislative commission would meet with the regents at that time. But the Ames meeting will come first.

Scores High School "Greeks"

There is an interesting article on High School "frats" and sororities, by E. G. Cooley, superintendent of schools in Chicago in the Saturday Evening Post of January 7th. Mr. Cooley has made a thorough investigation of this subject and reaches a conclusion, in which he is supported by the teachers in Chicago, that "these organizations are an unmitigated evil. He urges decisive action against them.

H. H. Eibert last year's student at Iowa and now at Leland Stanford visited at the Bela house over Sunday.

At Other Schools

Chicago sings its alma mater song each morning at the close of chapel.

A graduate of the class of 74, Harvard, has recently left $200,000 to his alma mater, placing no restrictions upon its expenditure.

Harvard and the University of Chicago are advancing the building of new ice skating rinks. Ice hockey has become so popular that the latter school this winter for the first time.

The faculty at the University of Chicago has barred from participating in athletics fifteen freshmen registered in that institution on account of delinquencies. This will keep many good baseball and track men out.

The following counties organized clubs before the holidays and elected presidents as follows: Washington, County, Robert Morris; Jones County, R. C. Crowford; Crawford County, L. Lorenzen; Hardin County, F. C. Dunham; Wright County, Miss M. Mullins.

AMUSEMENTS

"Peggy from Paris" a George
Ado musical comedy which will be
the opening evening of the Masonic
House tonight, is distinguished not
alone for its wit, but for the originality
and its many novels. One of
the latter which is of striking interest is
the presentation of the original
behind the scenes of a theatre, is
the setting of a stage in full view of
the spectators. This process
is carried out in reality not in
premiere. One set of scenery
is "struck", which is the theatrical
expression for removed, and
another set is set in place
"made", and in all plain sight of
the audience, who are an
part of the action of the play.
The scenes represent the
production of the stage of the Par-
son Theatre in Chicago for the
reception of a distinguished
foreign singer.
