The team representing the Zeta gal- was in the opera house last night, the decision of the judges

in-est be
time ago. According to the constitution
of the debating league the win-
ing side selects two men and the losing side one to repre-
represent the university in the final con-
test to be held in Lincoln some-
time in April. The question is a
very difficult one to handle and
much hard work both sides showed however
that they had a thorough knowl-
edge of the subject.

The following was the subject of the discussion: Resolved—

That the United States should Adopt a System of National Bank Credit Based on Com-

mmercial Assets, in Preference to a System Based on United States Government Bonds.

This question was affirmed by the faculty committee
chosen by Dr. Bible, F. S. Sles, B. E. Williams and Hon. Geo. W. Ball.

The debate was conducted on
the platform to the front of the hall, each
ma n having a rebuttal speech. The rebuttal was opened for
the negative by S. E. Skelly and for the affirmative by J. E. Goodwin.

The closing speeches were given
by F. S. Sles for the negative and R. E. Hutchinson for the affirmative.

Mr. Bible then initiated last night
Mademoiselle and Edith Baj-
neering two for the negative.

Eddie Rule will be here Thurs-
day to take up his work as gym-
nastic director.

Carl R. Ross is confined in Mercy
Hospital with Typhoid fever. His
disease is rather mild form.

The Iowa track team will meet
Northwestern, Detroit, Evanston on

POINTS ON THE NEW GYM

How to Start Work in the Athletic Pavilion in the Best Way

What does a Fellow need if he takes Gym work? Well he could use his old pants and shirt, but he would have all kinds of trouble, they would bind his arms and legs, so he would be hindered in every thing he tried to do, and the man with a good neat-fitting suit would be doing all kinds of stunts before he got started.

What will it cost me to get a fairly good outfit? Now you are talking. The fellows up at the Students' Supply House, have got this over this thing and have on hand just what you want, and Bobbie, or Tommie or Car will be glad to show you everything they have and fix you out. If you are going into the Gym, get ready and go in right. Now you want some kind of a shirt; a jersey is a good thing, in fact the only thing to have, you can get one with half sleeves or sleeveless for 50 cents and they are good to. Or they have a $2.00 jersey that is a mighty good thing. A good sweater is a nice thing to have but you can get along without that. However those fellows can supply you with anything you need in this line.

Pants—"who said pants"—Have you seen those Y. M. C. A. pants, finest thing out, they look neat and are made to fit so they don't bother a man at all. They are flannel good quality $1.75 and $2.50. Knee Tights are nice for gym work and only cost you 50 cents or you can get a pair of running trunk, and use them later in the season on the track, almost forgot to say that they sell for $3 and 50 cents per pair.

How about Shoes, "don't get cold feet" but get a pair of good gym shoes. They have shoes or a slipper with an extra heavy rib-ber sole for 75 cents. But you might want a shoe with a leather insole, a peach for gym work, basketball or tennis, they cost a little more but are worth it. How about running shoes, a man who sped makes demands. You want to see them—best kicks you ever saw.

Now those fellows will give you a complete outfit for $4.40, shoes, pants, shirt and everything. Did they say they can't do it? Well, you just look up there sometime between classes and see—they have what you want, and they can deliver the groceries.

Suppose I need a pair of boxing gloves, a base ball bat, base ball tennis racket, tennis balls, hand balls, or anything of that kind, where will we get them? At the Students Supply House, of course.

Where did you say this place was? 123 Iowa Avenue, up stairs, just across the street from Close Hall. You can't miss it. The fellows want you to come up and see what they have any way. They are all students in the varsity and they will treat you right.

The Boys carry the Spaulding Supplies and you know yourself that they are the best made.
