When a man accepts an invitation to act as a judge on a debate held between two universities he is honored and confers an honor on both universities. If he is deterred by accident from acting in the capacity of judge, it works a loss to both schools and to himself but if, being deterred by accident, he sends no notice or explanation of his non-appearance he works a much greater loss to both universities and certainly does him no good. He is guilty of the grossest negligence. The Iowan hopes that the explanation may be received from the judge who did not appear at the debate last night and who sent the debaters no warning.

Considerable dissatisfaction is shown today over the outcome of last night's Iowa-Minnesota debate. The tie, which resulted from there being but two judges present, is looked upon by many as signifying nothing; to those viewing the matter thus there was no debate.

While it is unfortunate that no decision could have been made it is by no means the greatest importance. The misfortune lies in the fact that the third judge owing to accident or negligence did not come and did not send notice of his not being able to be here. The two judges present were undoubtedly capable and conscientious men but less than three men can not pass broad and satisfying judgment. For this reason the debate was not thoroughly judged and consequently today the public and the debaters are not quite satisfied.

The concern of the public in the matter of this is little. It is the participants in the contest who are affected. Who won? Minnesota won. Iowa won. Those men who for weeks worked conscientiously and tirelessly are all victors. They are better men today than they were yesterday.

POUNTS ON THE NEW GYM

How to Start Work in the Athletic Pavilion in the Best Way

What does a fellow need if he takes Gym work? Well he could use his old pants and shirt, but he would have all kinds of trouble, they would bind his arms and legs, so he would be hindered in everything he tried to do, and the man with a good coat-fitting suit would be doing all kinds of stunts before he got started.

What will it cost me to get a fairly good outfit? Now you are talking.

The fellows up at the Students' Supply House, have gone over this thing and have on hand just what you want, and Bobbie, or Tommie or Cin can be glad to show you everything they have and fix you out. If you are going into the Gym, get ready and go in right. Now you want some kind of a shirt; a jersey is a good thing, in fact the only thing to have, you can get one with a half sleeve or a complete for 30 cents and they are good to. Or they have a $2.50 jersey that is a mighty good thing. A good sweater is a nice thing to have but you can get along without that. However, those fellows can supply you with anything you need in this line.

Pants—"who said pants"—Have you seen those Y. M. C. A. pants, finest thing out, they look neat and are made to fit so they don’t bother a man at all. They are flannel good quality $1.75 and 89.90 Knee Tights are also for gym work and only cost you 50

cents or you can get a pair of running trunk, and use them later in the season on the track, almost forgot to say that they sell for 8

and 50 cents per pair.

How about Shoes, “don’t get cold feet” but get a pair of gym shoes. They have shoes or a slipper with an extra heavy rib

ber sole for 75 cents. But you might want a shoe with a leather inside, a peech for gym work, baseball or tennis, they cost a lit

mes more but are worth it. How about running shoes, a man via

speeds needs spikes. You want to see them—best kicks ever 

Now those fellows will give you a complete outfit for $8.50-

shoes, pants, shirt and everything. Did you say they can’t do it.

Well, you just loof up there sometime between classes and see—

they have what they advertise, and can deliver the groceries.

Suppose I need a pair of boxing gloves, a base ball mitt, base ball

tennis racket, tennis balls, hand balls, or anything of that kind, there will be get them at? The Students Supply House, of course,

FAMABELLA

We don’t believe there’s a cigar on the market that has “taken hold” faster than the Famabella Havana Cigar. “The Perfection of Blends.” Its success has been due solely and entirely to the quality of the cigar itself, and to our way of handling our trade. There has never been any “hand wagon” advertising or gift enterprises conducted with Famabelia. They’ve won out strictly on merit and they’re making a bigger hit every day, at The Clinton Street Smoke House.
