ENROLLMENT LARGE
LARGEST IN THE HISTORY OF UNIVERSITY
Students Here from All Parts of the United States and Foreign Countries

Reports from the office of the registrar show the enrollment at the present time to be 1,551, which is the greatest number of students ever registered in the history of the university. The number exceeds the enrollment at the close of the last school year by 185. Every county in the state is represented by one or more students. The registrar's list reveals the fact that students are attending in all parts of the state, both from nearly half of the states of the union and from foreign countries. The states other than Iowa, from which students come are as follows:

Iowa, Oregon, Minnesota, Pennsylvania, Oklahoma, North and South Dakota, Wisconsin, Massachusetts, Montana, New York, Missouri, Michigan, Kansas, Nebraska, Utah, Wyoming, Washington, California, and New Mexico.

In addition, there are students here from the District of Columbia, Ontario, Canada, Manitoba, and Kentucky.

With its new buildings, new courses, and the largest enrollment in its history, so one can comfortable say that the university of Iowa is growing, it grows like no perezous and is keeping in step with time.

The story before whom Drake law students have been trying Governor Taylor for the murder of George Shambaugh was decided Thursday. After being about two hours Wednesday evening, the jury in whose hands the Freedom of Gov. Taylor was entranced, reported a disagreement. The question at issue related to matters of sufficient evidence to connect, and how much weight should be given to the evidence of the co-conspirators, Howard, Yates, and Powers, who have been convicted of similar complications in the death of Goebel. The jurors also had to agree to the establishment of an alibi for Howard, who is alleged, fired the fatal shot.

Dr. Brown and Starbuck take part in the monthly meeting of the national federation of women's society which meets Saturday.

Miss Ethel Elliott L. A. '83, in director of education at Smith College, will give a recital in the liberal arts auditorium on Saturday, April 1.

At the next meeting of the regents which meets here tomorrow, the annual session of the Iowa Athletic Association will again be opened and the contract let if any are found satisfied.
