LOSE BY ONE POINT
NORTHWESTERN TAKES BASKETBALL GAME

Iowa Men Showed Best Form Of The Season At Home In Three Games Starred At Free Goals

The basketball game played Saturday night between Northwestern and Iowa went to the former school by a close score of 30 to 24. Up to within the last few minutes of play, the game was even, when the tables were turned by the exceptional playing of the star player of the purple team, who overcame Iowa's lead of more than ten points at the end in the first half.

The game was fast and replete with thrilling moments. On both sides, the Hawkeyes having broken away from the listless playing which rather characterized their appearance in the Chicago game of the night before. One of the features of the game was the abundance of free goals by Captain Schellenk who succeeded in tossing eleven goals during the game. The second half of the game was closely followed by that of the supporting forwards, Barton and Sturtevant, and they in turn were forced to divide honors with then at the armory and Morrissey at center. The team work was the best of the season.

Saturday night's game closes a season which has been on the whole very successful. While the team has not been a championship one, it has won a majority of the state games and acquired itself a place among the best teams of this country. It is likely that Iowa will take the state championship next year and do things to outside teams beside. The Captain for next year will be elected in a few days.

G. H. Ellsworth left this morning for Des Moines, Lincoln, Nebraska and other points. He will return to his home at Pullerton in the latter state. He will be gone a week or ten days, after which he will return to superintend the excavation preparatory to the removal of the science building.

The music lovers of the university have made arrangements for a recital to be given by the Congregational church on the third night of March. A pianist and a Hungarian violinist of Chicago have been secured and a program has been arranged for the Improved Glee Club. The third year's lecture course numbers is primarily the best of the year and the carrying charges of the affair consists of Miss Mary Hatfield, Miss Alice S. Chase and Mrs. Stevenson.

PARTY WITHOUT MANNERS
GREEK GIRLS PLAN MAN- LESS PAN-Hellenic

Sororities To Have Big Dance

In Smith's Armory on March 5

The telephone receiver was taken down tenderly and a gen- eral ring followed. "Hello central, will you give me number 318- please?" Then there was a little wait, accompanied by the intermittent tapping of a small foot. Now a curious ring, and "Hello, Hello, Hello central." No reply. A brown, oh dear! that horrid central. The telephone folder quivered. Then the sonorous tones of the holly bell, "Wanted-please?" "318, Billion Hall." "Who's busy?" "Can you give me number 318?" someone on the line. "That's busy too." "May I have the Delta Pi Kappa House?" "I'm busy, but you can put up and the door slammed. Girls, I just know I won't get any one for that party, it just can't be done.

The sorority girls are receiving bids from each other to a Pan Hellenic fraternity party to be given in Smith's armory on the twenty-fifth of this month. The Greek letter societies of the university, Kappa Kappa Gamma, Delta Delta Delta, Pi Beta Phi, and Delta Gammas, are uniting their efforts for a big party from which the masquerade will be entirely eliminated. The old armory will again take on its festive apparel, to which it has grown somewhat unused, and the room will be appointment scene by the best caterers of the city. There will be good music, and the guests will keep the room all the evening. It has not been announced how those attending the part of escort will be identified but it is probable that bidding some one, sending flowers and engaging a carriage will constitute a young man a young man.

Barbara Alexander, '04, returned to her home in Burlington yesterday, after a three weeks' visit with friends in Fort Hill. She left her home at Waterloo, Saturday.

A car-load of composition tables for the medical building is on the Rock Island tracks awaiting the inspection of the custom house. The tables are of perfect finish and came direct from France.

Albert Carrier is home for a visit with his parents and friends. His work is still in Harvard and he is connected with the C.B. and S. at Quincy, Illinois, in the capacity of civil engineer.

DEATH OF E.B. RIVER

SUCCEEDS TO ATTACK OF APPENDICITIS

Was Prominent Track Man And Coach Re- mains Sent To Crete

Edward B. River who under- went an operation some time ago for appendicitis died there at 2:40 o'clock Sunday morning. Chances for his recovery had been very slight for a week and though his death did not come as a com- plete surprise, it has caused much gloom in the university. River, as he was familiarly called, was one of the most popular men in the school and had made many friends by his geniality. He was a good fellow and knew everyone. Mr. River was considered an expert in the fall of 1901, registering as a freshman. He has always stood well in his classes and would have been graduated this spring. It is in this work that he is best known by the student-body. He has worked hard for four years in doing his share to make Iowa's teams successful, having been a member of the 1903 relay team which established the state record in the half mile. He was a prominent member of Alpha Phi Delta and at the time of his death was sec- retary of the athletic union.

The remains were taken to his home in Crete, Sunday evening. A large number of class-mates and friends were at the interur- ban station to show their respect economic insecurity to the city. There will be good music, and the guests will keep the room all the evening. It has not been announced how those attending the part of escort will be identified but it is probable that bidding some one, sending flowers and engaging a carriage will constitute a young man a young man.

Miss Alice Edwards, L. A. '06, is back home now after to leave for the remainder of the year because of ill health. She left her home at Waterloo, Satur- day.

Miss Alice Edwards, L. A. '06, has been a broken arm, resulting from a fall on the campus. She has been to leave for the remainder of the year because of ill health. She left her home at Waterloo, Satur- day.

Miss Alice Edwards, L. A. '06, has been a broken arm, resulting from a fall on the campus. She has been to leave for the remainder of the year because of ill health. She left her home at Waterloo, Satur- day.

Mr. Frank D. Kern, L. A. '04, who has been the employer of the Bureau of Plant Industry, U. S. Department of Agriculture, has been located at the Illinois Experiment Station at Lafayette, Indiana, since September. Mr. Kern is now associated with Dr. J. C. Arthur in the investigation of plant races.

PRIZES FOR ESSAYS

WILL AGAIN BE AWARDED BY CHICAGO FIRM

List of Nine Subjects to Choose From

Writings due June 1, 1906

In order to arouse interest in the study of topics relating to commerce and industry, and to stimulate an examination of the value of college training for business men, committees com- posed of Prof. J. Laurence Laughlin, University of Chicago chairman; Prof. J. H. Clark, Columbia University; Prof. Henry C. Adams, University of Michigan, Horace White, Esq., New York City, and Prof. D. Wright, Clark College, have been enabled, through the generosity of Messrs. Hart, Schaffner and Marx, of Chicago, to offer again in 1906 four prizes for the best studies on one of the following subjects:

1. To what extent and by what administrative bodies, should the public attempt to control railway rate proceedings?
2. A just and practicable method of taxing railway property.
3. Will the present policy of the labor unions in dealing with non-union men, and the "closed shop" further the interests of the working men?
4. Should ship subsidies be continued or regulated? the use of mines of coal, iron or other raw materials whose sup- ply may become the subject of monopoly?
5. What provision can be made for working men to avoid the economic insecurity said to accompany the modern wage- system?
6. A first prize of one thousand dollars to the one or a group of five hundred dollars, in cash are offered for the best studies pre- sented by Class A, composed ex- clusively of all person who have for the senior or junior year received a degree from an American college in 1894, or thereafter; and a first prize of three hundred dollars, and a second prize of one hundred and fifty dollars in cash are offered for the best studies presented by Class B, composed of persons who have for the senior or junior year the papers are to be sent in, are under- graduates of any American col- leges, and the author of the prize may be in Class B but any one in Class B may compete in class.

VARSITY GLEE CLUB

CONCERT WILL BE RENDERED EARLY IN MAY

Organization Receives Much Commendation—Will Take Trip

It may interest the student body of the university to know the bright prospects of the latest of undergraduate organizations, the "Varsity Glee Club." It is now condensed to a membership of sixteen, all being enthusiastic in the work and attending the three weekly rehearsals with regularity.

The result is, that a repertoire of considerable variety is being developed; which, it is hoped will meet with the approval of all, when rendered at a concert to be given early in May.

It was thought proper for the Glee Club to appear at the dedication of the new armory—not to stand criticism as to musical qualities—patrician songs not being exactly the vehicle for a musical introduction, but to contribute to a patriotic occasion. The Glee Club is much encouraged in its work, however, by the very kind commendations extended to it at this time. It is the cordial encouragement of the university which cheers and spurs a struggling organization to greater endeavor; and it is hoped that after the spring concert, the Glee Club will be well enough organized to be permanent and valuable to the aims of undergraduate institutions.

With the coming of the Christmas holidays the Glee Club hopes to make an extended concert tour, bringing cheer to the alumni of this university and showing the world what it can do in musical lines.

### NOTICES

Students and faculty member, we request you to send all notices to the Daily Iowan. Notices must be left at the Daily Iowan office or the President’s office before 3 p.m. on the day they are to appear.

All persons who expect to enter the Freshman Oratorio Contest must place in the hands of the Professor of Public Speaking on or before Monday, March 24, 1905, three typewritten copies of their respective orations.

H. H. GORDON

### FAMABELLA

We don’t believe there’s a cigar on the market that has “taken hold” faster than the Famabella Havana Cigar. “The Perfection of Blends.” Its success has been due solely and entirely to the quality of the cigar itself, and to the way of handling our trade. There has never been any “band wagon” advertising or gift enterprises connected with Famabella. They’ve won out strictly on merit and they’re making a bigger hit every day, at The Clinton Street Smoke House.
