before on account of the

work in the contest.

They had been

condition to put up a good

appearance in the contest

they were not afraid of the

result.

A new rule governing col-

lege classes, and which goes in

effect immediately, provides that

examinations must be taken by

every student who has been ab-

examination in the entire

subject before receiv-

At Other Schools

The varsity circuit at Minnesota went in the hole about $250. Last year about $400 was cleared. It is thought that it has done to death in that school for some time at least.

An inter-collegiate temperance league is being organized at the university of South Dakota.

Archibald Hall of Michigan, their famous sprinter, won the 75 yard dash at the Central A. A. U. meet at Madison, Wisconsin has a home swimming contest next Friday night. The student body of California has started a fund to build a dormitory for the use of students in Kyoto, Japan.

Minnesota will have an indoor girls track meet this first week in April. It is the first event of its kind in a western college.

In the annual debate between Iowa College and Cornell held at Princeton the judges decided unanimously in favor of Cornell. This makes six victories for Cornell out of seven contests.
