THE SEASON OPENS.

With Tuesday's Game It is Hoped That a Most Successful Season May be Inaugurated.

Fully five thousand people are expected to witness the opening game of Iowa's football schedule. The game will be between Iowa and Coe college of Cedar Rapids. The Presbyterians have a snappy lot of players and a good game is anticipated. One of the special features of the game will be the kick-off by Governor Cummins. Colors, pennants, people—all will be in abundance. Coach Chalmers expects to try all of his regular men in the game, as it will be a good chance to see what the men can do. At center will be Seidel and Moore. At guard positions, Rockwood, Narum, Fitz. At halfback, Chalmers, Tupper, Murphy, Allen, "Fuzz" White. At full, Magowan, Chalmers. At quarter, Kent, Futzall. At tackle, "Cresco" White, Schwinn. At end positions, Murphy, Streff, Knapp, Moore, Brown.

TUESDAY'S GAME.

Preparations are going on for a great time at Tuesday's game with Coe. An excursion is being worked up to bring a big crowd down from Cedar Rapids. Governor Cummins is expected to be present to kick off and the board of regents will be guests and attend in a body.

A new score board has been erected so that the audience may be kept informed as to the progress of the game.

The admission will be fifty cents. Ladies wearing the colors of Coe of Iowa will be admitted free.

MASS MEETING.

On Monday evening at 7:30 o'clock the football season will be formally opened by a mass meeting in front of the liberal arts building. Music will be furnished by the University band, and a male quartet. Addresses will be given by President MacLean, Prof. Smith, Judge Wade and Mr. Byden. The latter will have charge of the rooting, and his talk will deal with this important adjunct to athletics. Everybody come.

GYMNASIUM OPENED.

Beginning next week the gymnasium will be opened from one till six in the afternoon for the use of students desiring to practice. Schedules begin November 1.

The basket ball teams will begin work in the evenings next week. Plenty of material is showing up.

This year there will be two indoor baseball diamonds. Another basketball court has been added so that twenty men can be worked instead of ten.

TOO MANY MEN COMING.

Uniforms Cannot be Procured Fast Enough for New Men.

There was heavy scrimmage work last evening. Fifty men were out and there were many good men wanting to play, who could not be provided with suits. Suits cannot be procured fast enough for the men. Football enthusiasm is at its highest and after the big mass meeting Monday even-

At Other Schools.

Northwestern university defeated Evanston high school Thursday on the university's new athletic field. The score was 32 to 0. Coach McComack used his heavy weights for plunging with success.

Tom Hammond has delighted the Wolverine squad by returning to Michigan this year. Hammond is a star half and is considered the Wolverine's best player at present.

THE RECEPTION.

THE RECEPTION

Was Given by Y. M. and Y. W. C. A. and Was Well Attended.

The annual reception of the University Christian associations to the new students, faculty and friends was held last night for the first time in the University armory, and was probably the most largely attended reception given by them for years, fully seven hundred being present.

After having hats and wraps cared for the guests were given neat cards tied with a bow of old gold ribbon and bearing their name, college and class, as an aid to general introduction; then passing the receiving line, they were ushered into the midst of the company where soon the merry hum of conversation and greeting arose as people passed from group to group making new acquaintances and renewing old ones.

Later on Mr. R. W. Stearns, in behalf of the association, with a few well chosen words, welcomed the guests, and introduced President MacLean, who, after a happy allusion to some former experiences in speech-making, spoke briefly of the purposes of the associations and the place of the religious life in the University.

Mr. Neil De Bey, Dent '08, accompanied by Miss Gertrude Branson, then rendered an excellent violin solo which was followed by Miss Evarts' graceful welcome to the new girls.

The formal program over, many lingered to talk until the flickering lights warned that the hour of departure was at hand.

It was a most enjoyable occasion and raised the wish expressed by many that such University events might occur more often in the student days here.

SOPHOMORES ENTERTAIN THE FRESHMEN.

On yesterday about fifty freshmen accepted the sophomore invitation to a reception. The sophomores prepared a beautiful spot on the campus and prepared to serve milk instead of the usual frappe. Each class wore their colors, but according to aboriginal style, smeared on their faces. The freshmen were a little slow in arriving, but when they came they were in full dress and there was a general social program, in which all took an active part.

At exactly high noon President MacLean gave the closing address and all went home pleased with the annual function, and glad at its happy and good natured termination.

Chicago News: A young man who weighs about 200 pounds and has muscles in proportion is apt to be joyously surprised this year at the ease of the college entrance examinations.

PRES. GEO. E. Mac LEAN

ing Iowa's stock should go up still higher. Miller, a crack track man, from Sioux City, was in a suit last night and took part in the scrimmage.

The freshmen and scrubs were separated yesterday and the 'varsity bucked the scrubs and then the freshmen.

All of the men are developing fast both in speed and playing. "Germany" Schwinn will be better than ever this year as will all of the 'varsity men. Rockwood will guard Iowa's line as he never did before.

The freshmen want to play the Ames seconds on Thanksgiving and put the Agricultural school's scrubs to defeat.

Andy Chalmers suffered a slight sprain in yesterday's practice. However, he expects to be all right by Tuesday.

Tupper is out with a sprained wrist, and will hardly be in condition for the game.

ends showed up weak in the last scrimmage practice before the opening game of the season.

Illinois university will have a light team this year. Barkley, a 195 pound aspirant for guard position, has reported, to the great joy of the coaches. He is green, however, and will take a great deal of training to make good.

Coach Stagg expects a hard game with Lawrence university today and has therefore taught the Maroons a variety of new plays to be sprung on the visitors from the Copper country. Coach Stagg is coaching on his bicycle.

Des Moines college defeated Central university at Pella yesterday. The game was not marked by a display of vigor.

Penn college defeated Ottumwa high school at Oskaloosa yesterday, 35 to 0.

EXCHANGE.

The football squad is increasing daily and now numbers in the neighborhood of one hundred with eighty-five as an average attendance.—I. S. C. Student.

The Iowa State college will conduct two lecture courses. The chapel holds only 600 hence the two courses in order to accommodate every student.

The Independent from the University of Missouri comes to our table and gives every evidence of prosperity. From its reports other universities besides S. U. I. are booming.

Waterloo parents are showing a very proper spirit this year in sending their children to the Iowa State university at Iowa City. More young men and ladies from this city will be in attendance at the State university fall than ever before. Iowa university is one of the strongest schools in the west and is gaining in strength and popularity with each passing year. Most of the professional men and many of the business men of the city are numbered among the alumni of the state institution and no better class of men can be found anywhere. Among the new students at the university this fall are: Rhea C. Cowin, who will study law, Leo Kelley who will take collegiate work, Walter Hasskari and G. G. Bickley Jr., who will enter the medical department, Arthur Brown, who will study liberal arts, Ralph Dunkelberg, law, Virginia Van Meter liberal arts. There are a number of others who will go sometime this week included among whom are Budd Mullan, who will study law. Aside from this last there are probably probably fifteen or twenty other young men and women of the city who are attending the University, among them being Harry Brown, medicine, Clarence Robertson dentistry, Robert Alford law, Paul Smith law, Harvey Law law; Misses Nellie and Olive Chase, collegiate, and a number of others.—Waterloo Times-Tribune.
