IOWA STATE CHAMPIONS.

The Old Gold Waves in Triumph on State Field.

SCORE 9 TO 0.

Yesterday was a day when Iowa fans and people saw the Iowa football team defeat the Ames team on state field. This is the final great game in Iowa this year and was the game which decided the championship of the Iowa and left it to each side a poor.

The Excursion.

The Rock Island ran a special train from Iowa City to Des Moines, which carried our hard rain and had a U. S. students and friends of the University to Ames. The train was met by hundreds of students and in a short time everybody was taken by the "dumpling" to the City as fast as possible.

The School.

Here an attempt was made to show the people the campus and buildings, but it was no use to try to disguise the fact that we have been regaling the great game of the day. Little groups of visitors would go to see a building and then turn back toward the grounds.

Before the Game.

The game was not called until 2:30 o'clock, but at one o'clock people were gathering more than the field and in short time the great crown was surging and pushing its way toward the right end of the stadium and a standing room was taken place in the management of the paper.

The Grounds.

The long hard rain had soaked the ground and while it appeared in fairly good shape it was soft and slick and several men went down and it was possible for the fast fielding the ball of Iowa to make the long jump. In the air and between the bases it was a further example of the difficulty of the game to the Iowa fans.

At 2:15 the Ames band came upon the field and in connecting with the next class order they made music enough to drown the rain. Better if they had been equal to the task. A little later the Iowa band came, but when it came in real roosting, we were not interested in it with our sister school.

The Game.

The Iowa team was upon the ground at 2:30 o'clock, but Ames was late and it was 2:45 o'clock when Iowa sent the pitcher into Iowa territory. Then came thirty-five minutes of Booty and a game.

Iowa was immediately penalized for off side play. McElhenny took four yards and Iowa was penalized again. Stroder took two yards and Humenig tried the end without success.

It was Iowa's ball on the twenty-five yard line. Keister on a punt. Iowa was penalized for off side play. McElhenny's punt went to Hubbard, but Hubbard missed the punt fifty yards to Hubbard, but the ball was brought back and Ames penalized for off side play.

Swichum hit off left tackle for five yards. McElhenny hurried for two yards. Keister failed to gain. McElhenny stopped White for a loss. Ames braced and stopped McElhenny without a gain. Swichum appeared to be the star of the game.

McElhenny hurled for ten yards and McElhenny stopped White for a loss. Ames braced and stopped McElhenny without a gain. Swichum appeared to be the star of the game.

Swichum went into the movements. Chalmers failed to gain. McGowan failed to gain. Swichum tore through the line for thirty yards. Allen went three. Kent put forty-four.

McElhenny forced to gain. Keister went the line for forty. Lineman Fieger penalized Iowa five yards for off side play, ten-one. Iowa was penalized and the line for two yards. A trick play allowed Hubbard to go to the twenty and Smith made short gains. Moore broke up the play and Jones froze forty yards to Kent, who went for forty yards. Iowa changed her signals during

Iowa's attack that had been a little dull and in a short time the Iowa fans were regaling the great game of the day. Little groups of visitors would go to see a building and then turn back toward the grounds.
