H. S. ATHLETES EXPECTED TODAY

EXCURSIONS RUN FROM SEVERAL CITIES.

Ida Grove and West High of Des Moines Expected to be Strongest Competitors.

The high school athletes competing in the meet tomorrow are expected to arrive today, headed by the crack team from Ida Grove. A special excursion tomorrow will be run from Des Moines with a crowd of from one to two hundred students and athletes.

Preliminary dope gives Ida Grove and West High, who took first and second in the meet last year, about an equal chance for first honors this year. Both schools have most of their old stars back and with their new men will carry off a large share of the honors. Nichols is the only point-winner of last year's team lost to Ida Grove.

All preparations at this place have been made by the board of control. The silver loving cup which will go to the high school winning the meet is on exhibition in Morrison's window. It was selected by the board after competitive bidding by the local jewelry firms, and is one of the prettiest models ever seen here.

The medals, which were purchased through Keith & McChesney, are embossed with an entirely new emblem, that of a woman holding out a laurel wreath.

NOTICE THE STATE UNIVERSITY OF IOWA.

Cadet Battalion.

May 16, 1906.

Orders No. 26.

1. Friday, May 18th, being a holiday in the University on account of the High School Track meet, drill for that day is hereby suspended.

2. The attention of cadets is again called to the fact that on Monday, May 21st, will occur the annual government inspection of this battalion. Every man will have his equipment clean and will see that his personal appearance is as good as he can make it. In this inspection a comparison of this department is made with all other military schools and departments in the United States, and it is the desire of the Commandant to make as creditable appearance as is possible. The hour of review will be published Saturday and Monday on the University bulletin boards.

3. After the review and inspection on next Monday, the annual competition between the companies will be held. Each member present in the winning company will receive from the commandant of cadets, a silver badge to be worn on the uniform and which will be appropriate to wear on all occasions. In this regard and in view of the fact that this is the last regular drill before competitive drill it is hoped that captains will induce the men of their companies to come out to an extra drill or two before next Monday afternoon.

By order of Lieutenant Weeks,
Hiram Price,
Captain and Adjutant.

Delta Delta Delta initiated Miss May Bowen at the home of Mabel Merritt, last Tuesday evening.

The Tri-Delts will go tally-ho riding Friday evening.

VARSITY WINS FROM COE 10-1

COBB ALMOST BLANKS PRESBYTERIANS.

Iowa Took Another of the Games in the State Championship by Defeating Coe 10 to 1.

Cedar Rapids, May 16—(Special)—Iowa defeated Coe here today easily by a score of 10 to 1. Cobb pitched an excellent game, almost whitewashing the Coeites.

Kirk knocked a home run the first time up to bat, and Kent duplicated it later in the game. Iowa had the game won from the first, partly due to Coe's numerous errors.

IOWA OFFICIALS LIKE S. U. I.'S MANAGEMENT.

Praise for Regents, Secretary McChesney and Staff, and Treasurer Lovell Swisher.

The board of control has made a report to the university on that institution's management—by way of the formal avenues, the governor and legislature—from whom the printed document has come.

It declares the regents of S. U. I. are painstaking and faithful in the discharge of their duties, and the best interests of the university have received their most careful attention.

Anent new buildings, the report says the awards of contracts were made "after full and fair competition, to the lowest bidders."

The books of the treasurer's office and the accounts therein were audited, and the control board says of the showing made by Lovell Swisher: "All were well-kept."

Of the loaning of funds of the university, (A. Whitney Carr Scholarship fund, etc.), on Johnson county and adjoining county lands, the board of control says: "We commend the practice. These lands are easily reached and their value can be readily determined."

The board of control concludes with a declaration that "we commend the improved methods of keeping accounts, etc., (in the office of Secretary McChesney), as it has made possible saving of time and more satisfactory investigation thereof."

FUNERAL HELD IN WILLIAMS-BURG.

The services were held in the Presbyterian church, conducted by Rev. P. C. McFarland, assisted by Rev. Stoch, formerly her pastor. Rev. George of the Congregational church, Rev. Dillon of the M. E. church.

There was a wonderful profusion of flowers sent by the University societies and friends, and by societies in Williamsburg with which she had been identified, among them the Eastern Star and the Progress Club. All business houses closed. The crowd at the church included nearly all of the Williamsburg population.

FIRST OPEN AIR CONCERTS.

The first open air concert of the year will be given Friday night by the University band on the main campus. The full band of 40 pieces will take part in the program, which will be practically the same as was rendered at the concert at the Coldren some weeks ago. The program will commence at 7:00 o'clock.

DO IT NOW

Six days ago William Thorneburg and Elizabeth Ogden were with us in all the joy of life and health; today they are but a memory. Their virtues have been borne in upon us by the sadness of their taking away. We are admonished of the uncertainty of life and the certainty of death. This is well for us, yet we are the losers.

A young man full of energy and life, well prepared by education, is a valuable asset in this world's affairs. So is a young woman of the same sort. They are too valuable to lose.

This is a question of the past as far as these two people are concerned. The work they would have done must forever be left undone. The loss is irreparable. But retrospection is of little value, save for its influence upon the future. We have sorrowed for them. It was all we could

do. But how shall this be of benefit to the future?

Young people of proper spirit will go boating on the Iowa as long as there is opportunity for boating. Shall it be made safe as possible for them?

The old dam is partly destroyed. Willing hands have stopped the breakwater. But the obstruction is only temporary. The first high water will carry it away. It will be an easy matter to make it permanent if action is immediate. If it breaks the death trap will be re-opened.

Either this breakwater should be thoroughly repaired and the old dam blown out entirely or the breakwater should be blown out and river permitted to take the short cut, which is the nature of the stream. There should be no temporizing in this matter; it should be done thoroughly and at once.

NOTICE

Vacancies in Editorial Staff

For various reasons the announcement of vacancies to be filled in the Iowan staff failed to appear in two issues, and it is desired to advertise this opportunity thoroughly before considering applications. Accordingly, further applications will be received at the Iowan office up to May 25. These should state qualifications for the work, and give the writer's city address.

WE SHIP ON APPROVAL without a cent deposit, Pay the Freight and allow 10 Days Free Trial and make other liberal terms which no other house in the world will do. You will learn everything and get much valuable information by simply writing us a postal.

We need a **Rider Agent** in every town and can offer an opportunity to make money to suitable young men who apply at once.

\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80 PER PAIR

Regular Price \$8.50 per pair.
To Introduce We Will Sell You a Sample Pair for Only 4.80
(CASH WITH ORDER \$4.56)

NO MORE TROUBLE FROM PUNCTURES.

Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 percent (thereby making the price \$4.55 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, built-up-wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDAY catalogue.

DO NOT WAIT but write us a postal today. **DO NOT THINK OF BUYING** a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.

MUSICAL FESTIVAL.

State Normal Holds Its Fourth Annual Musical Festival.

Yesterday and today the students, members of the faculty and friends of the Iowa State Normal school enjoy the greatest musical treat which has been held in the mid-west this season. It consists of three concerts, the first on yesterday evening, the second this afternoon and the third this evening. The event is known as the Normal School May Musical festival.

There are thirteen musical societies in the Normal school and these are assisted by the Thomas orchestra of Chicago and the following vocal and instrumental soloists: Madame Maconda, soprano; Glenn Hall, tenor; Miss Grace Munson, contralto; Mr. Herbert Witherspoon, basso; Dr. Nicholas Elsenheimer, pianist; Leopold Kramer, violinist; and Bruno Steinle, cellist.

The principal entertainment occurs this evening when Mendelssohn's Overture, St. Paul, will be rendered by the choral society assisted by the orchestra and the vocal soloists. There are 175 voices in the society and they have been in training during the year under the direction of Prof. C. A. Fullerton, who has become one of the best choral directors in the Mississippi valley.

The concerts are being held in the Normal school auditorium, which has a seating capacity of twenty-five hun-

dred. The purpose of the festival is to give the teachers who are students of the school an opportunity to hear the best there is in music. The expense of the undertaking will be met by the sale of the tickets, which are placed at a very low price, but the proceeds of which will be ample to cover the total cost of the entertainments.

Yesterday afternoon the "pill rollers" beat the "tooth carpenters", 8 to 7. The pharmacists shut out the dents for the first five innings but after that things ran even.
