JUNIOR ANNUAL UNDER WAY

PRESENT JUNIOR CLASS THE LARGEST EVER.

Will Retain System of Department Management in Full Force.

The 1908 Hawkeye Board has organized an Under-Way in the Classical Department, which is under the able leadership of Prof. Henry W. Bigelow, late editor of the College. Under-Way is a meeting of all the junior classes, which are divided into departments.

The J. C. C. Y., as usual, will be called to order at 7:30 P.M. in the central hall, and the program will consist of a debate on the question "Resolved, that the Negro shall have the right to vote." The debate will be held in the gallows of the student body.

LOCAL PRINTERS WALK OUT

THE STRIKE BEGAN YESTERDAY.

Men Demanded Higher Pay for Starter Hours—New Men Take Places.

The disagreement between the printers of Iowa City and their employers has come to a head, and all the union men have struck. The demand is for an eight-hour day and higher pay at the same time. To this the employees felt that they could not consent. As the difficulty was felt, the printers called out the strikers and took their places in the city paper.

THE STRIKE is the head of the Iowa City printers. Their principal object is to improve the health of the Iowa City. This goal is to be reached by the printing of the Evening Iowa City.

An immediate step has been taken, and the city is now in a better condition.

Thanksgiving Day Run Arriving Men interest—Capt. Burkhead—Has Something Up His Sleeve

According to present indications the first cross-country run to be held on Thanksgiving Day promises to be of special interest. This will be due not only to the ability of the individual runners as to the large number who expect to compete.

In 1904 there were about 20 men in the squad that Capt. Burkhead led over the old river course. Since then the squad has gradually increased until now it numbers nearly thirty five. Last year running between the full of the fall, when the squad ran up to over fifty men, all of whom were regularly equipped. These were those when Prof. Rush and Dr. Hustedt used to be regularly and around a keen spirit of competition between the classes, but there was not the least indication that there is now, and on that account it is expected that the 1906 club will surpass all others.

One thing that promises well for this year's running is the fact that during the past coaching the men were as regular in turning out as doing the present warmer weather. This fact in one way is not strange, because it came a man who participates in cross country running for the love of the sport enjoys the keen sunshine weather.

The men who have not been declared to a man that the best runs were those that would earn them a fast leg in order to keep warm. Capt. Burkhead keeps a list of the men who appear regularly at practice and reminds the men that there is so much good in store for the one who runs regularly this fall and thus compels the running on that regard to be enrolled are not compted off the squad in regard for he is enrolled and it is known who the final runners will be. None of those in the run can only be the men who have run regularly. The committee in charge of the men's runs will be as the following:

Miss Anna Hofman has been ill for several days.

George D. Graham spent Sunday at Waterloo.

The Young Woman's Guild of the Protestant church, set aside by Miss Norrie, 124 Church, Saturday, October 31 from two to five.

The Germania held a meeting of the Pi Beta Phi Chapter house Monday evening. The officers elected for the coming year were: President, Maude Talmage. Vice-President—Lou Williams. Secretary—Josephine Lynch. Treasurer—R. E. Glass.

Representative Standing of this report is making his daughter Miss Clara, a brief visit.

P. S. Sundstrom has written to friends, that he is willing to give up his plans for the year and cannot return to the university. Mr. Sundstrom was called to his home last week because of the father's serious illness.

Miss Laura Giddings of Topeka, Wash., is visiting her mother, Miss Gertrude Beamish.
