Come and help make History.

AS IT WAS IN THE PAST

MISSOURI WINS

Story of the Game—We Lost by the Narrowest Margin—Red Decisions.

(Dispatch, November 28, 1902.) Missouri defeated Iowa 6 to 0 in a fine, hard fought game. The field preparations and crowd excited Long's defense was strong, but Missouri's was closer. Hay was cut, and more, Iowa's defense was superior to Missouri's, and altogether the best team has gone out this year. The most comforting thing about the team is, the character. Iowa did not lay down. It did not, however, play a good full game. Gather Iowa's team, or else she will be played by a team in the second half, Iowa attacked the Missouri territory and kept it there by tricking, but was unable to score. Two attempts at place kick fail the game ended Missouri 6, Iowa 0.

FIGHTING STUBBORNLY, TIGERS GO DOWN IN DEFEAT.

Missouri Drove Her Best, but the Hold-off of the Year Still Works Against Her.

(Dispatch, November 14, 1902.) Columbia, Mo., 3:00 p. m. — The game was called at three o'clock. This afternoon on Rollins Field. The weather was ideal for football. Both teams were in good shape, and the Iowa team was much heavier in weight. Missourian was strong and determined to fight, but her only hope was to hold down the game and makeouri. The line back which has followed Missouri all the year, worked together for the Iowa team. In the second half, Iowa advanced the Missouri, and the game ended Missouri 6, Iowa 0.

Tigers will arrive today, average 171 pounds.

MISSOURI READY

TIGERS WILL ARRIVE TODAY—AVERAGE 171 POUNDS.

After Four Straight Victories the Tigers on Battle With the Hawkeyes in Decisive Game.
Great Crowd Expected.

From every indication at present, there will be a record breaking crowd at the game tomorrow. The ticket sale has met the expectations of the management, and when the whistle blows tomorrow, the great grand and side lines will be crowded, providing the great weather continues.

The University band of forty pieces will furnish music for the event.

The night will be enlivened by the concert of the Glee Club, and the junior class will present a musical number.

The presence of the students from the University of Minnesota will add to the grandeur of the occasion.

Contrary to the expectations of the members of the Athletic Club, the game is not at present considered important by the fans.

Mr. Co. was naturally somewhat astounded to find himself making such an announcement, and called our attention to the fact.

The next morning, the editor printed the article, adding paraphe to the words that "a real man is a real individual," and the real estate business was established.
