8:00 p.m. - Public program of the Mexican society. Philomathean Hall.
8:00 p.m. - Sigma Xi lecture by Prof. A. G. Smith, L. A. Auditorium.

DEAN AMOS N. CURRIER.

A COMPLIMENT TO DEAN CURRIER.

An invited to make address at dedication of Shishum Monument.

Dean Currier has received an invitation to make an address at the dedications of monuments on Shishum battlefield. The invitation comes from one of the prominent families, Cal. Boll of Washington, who at the outbreak of the war was captain of the company of that name. Dean Currier declined, but upon further solicitation was consented to write the address, and will be read by a substitute.

Dean's military experience began in August, 1861. He enlisted in Company C, Iowa infantry. This regiment was known as the "Hoover's Nest" of beauty, where it fought desperately and sustained heavy losses, the total number of men in this regiment being 150.

Dean Currier was not injured, but was taken prisoner and sent South, narrowly missing being assigned to Libby prison. Upon being exchanged, he continued his military service until January, 1865.

Two years later, Professor Coates came here. The close of the present academic year will round out forty years of continuous service in the State University of Iowa.

J. C. Monke, a professor of Liberal Arts and Law, now in attendance at Harvard, has become a member of the Harvard Law Review board.

Professor W. C. Wilson, editor of another column in the Iowa Press, has returned to this city from a lecture tour of New England. His visits to Harvard Law School and Yale Law School have been very successful.

The next meeting of the club will be on November 15 at the home of Professor J. F. Brumbaugh. This will be made a combination of the anniversary celebration of completion of ten years of the Club's existence. Dr. Horack will be the moderator for the evening and his subject will be "The History of the Club."

DEAN AMOS N. CURRIER.

11:45 p.m. - Eve of Grand Ball at University of Iowa. Day's work coming to a close, the men and women of the University will be taking part in the grandest social event of the year.
We compete with the cheapest club.

The Merchant.

A new machine has come yesterday for the department of mechanical engineering.

An important meeting of the Freshman L. A. class will be held on Thursday, November 8, at 3 o'clock in the Liberal Arts Auditorium. This will be the last meeting before the party and all freshmen are urged to be present.

Prof. Wilson has been invited to be a regular contributor to the "Pest Latex.

R. H. Thompson, L. A. "st, returned yesterday after a short visit at his home in Cornell.
