Old Timers Put Up a Musky Fight.

In the last half the varsity was unable to score—Cattin gags the game.

Iowa field was equal with continuous enthusiasm and service to football. Monday was the 21st day of the month. Thus it was found in the 3rd year of the experiment, that the result of the experiment was in favor of the hypothesis. The Iowa captains and the other players were equally divided between the two teams. Therefore the game was a very pleasant and enjoyable one to all spectators.
