Big Nine Conference

Officials Improve the Old Rules.

Joint Meeting Tuesday.

Iowa Will Be Materially Aided by the Proposed Changes—More Iowa Teams for Play.

The Big Nine Conference composed of representatives from Michigan, Minnesota, Wisconsin, Illinois, Iowa, Indiana, Purdue, Chicago and Northwestern Universities, met in their annual session and fixed up the football regulations last week.

The reforms voted upon last year are modified as follows

Playing selections extended from five to seven games.

Some features of the three year rule eliminated.

All students entering college before Sept. 1, 1906, shall be eligible to play five years.

Football practice to be in full swing earlier than before.

As a result of these changes upon football at Iowa, our team will be materially strengthened by allowing first to play another year. This will give him another year in which to polish his great skill in passing, and make sure of a real team around us to win with the best punter in the west.

Bredmann is another man who will get an addition year on account of the new regulation. Those men on the least war pool will give an amount of strength that we have supposed has gone.

The Iowa football men who leave the gridiron on account of graduation are Stufl Allen, Hulehman, Nolte, Gaylor and Wainwright.

The extension of the playing selections will give us two more games on our schedule, which will permit us to play more Iowa teams next year.

At the conclusion, Dr. C. P. Hanchett of Wisconsin was chosen chairman of the meeting and Prof. T. F. Myron of Purdue secretary. These present as delegates were as follows: Prof. G. A. Blane of Chicago, Prof. Goodrich of Illinois, Prof. G. G. Weatherly Indiana, Prof. A. G. Smith, Yale, Prof. H. L. Moen, Michigan, Prof. E. E. Wilson, Northwestern, Prof. T. F. Muir, Purdue; Prof. J. P. Palms, Northwestern, and Prof. C. F. Hanchett, Wisconsin.

Marshall Law Elect.

Held Business Meeting Friday Evening. Followed by Smoker.

The Marshall Law Society strictly observe for each quarter. At the regular meeting Friday evening, the following men were chosen to serve for the remainder of this semester:

President—LaBe

Vice-President—Copley

Secretary—Hoverson

Treasurer—Thompson

Registrar of Arms—Shahan.

The only serious contest came in the election of registrar of arms; Mr. Bihl received a wholesale campaign which nearly won the coveted crown but his plans were frustrated by a dastardly grandstand play on the part of Mr. Denny Shahan, whose fiery precincts are much admired by a large constituency.

The semi-annual meeting of the Iowa Union Medical Society, which began at Cedar Rapids last week, will draw a considerable attendance from Iowa City and the College of Medicine. Among the local members are: Herrington, Preston, Van Hoos and Eshen.

Professor Design will visit Iowa, Bettis, and Grinnell this week. He intends to be present at the meeting of the Government of Charles and Construction at Grinnell, Friday.

Miss Mary Lee, Des Moines, is staying with Mrs. Kolen, Des Moines, this week.

Miss Katherine Fowler, of Des Moines, was staying with Mrs. Dental Clinic last week.

Mr. R. E. Wilson, Northwestern; Dr. H. C. R. Jones, L. A. and Burnam; the fourth of the Whitney Scholarship, has come down to us. The poem "India," has been staying with Mrs. Dental Clinic last week.

Northwestern University Medical School

Chicago Medical College

Dr. A. S. Davis, Dear.

This medical school is normally located, convenient to large hospitals, affording abundant material for study. The liberal salaries and modern appliances to aid in carrying on the most effective manner; the advantages of modern science.

The full course consists of four years, eight months, beginning October 1st. The courses are divided into small sections, thus affording opportunities to different branches of medicine. The feature, as well as a graded curriculum; characteristic of the work in all its departments.

The ability of the men who graduate from this school, as well as the character and thoroughness of the work given, is evidenced by the success of our graduates in the examinations given by the different State Boards. One of the 13 graduates of this year was examined and passed by the various State Boards in the United States and proved to be the only one failed.
