Davenport Orchestra Will Play—Presents Announced—Floor Has Been Placed.

The Supreme Gotion Committee announces that its arrangements are complete. The program was selected by Mrs. Geo. H. Maclean, Mrs. Mayor, Mrs. W. W. Raybold, and Mrs. W. J. McClenon. Work has been very smooth and there will be no change in the floor, so that it now is in perfect condition.

Governors of the orchestra of Davenport, will furnish the music.

The date, Dec. 14, is considered a fortunate one by those in charge. They will be able to announce that the orchestra at that time, and it is near enough to the holidays so that the students attending are likely to be in a very festive frame of mind, an unusually successful party is an as near certainty.

Left Last Evening for Minneapolis—Will Go to Europe Next Summer.

Professor Bryden went to the University of Minnesota yesterday evening, with the object of bringing to his attention the progress of the institution, which is in charge of Mr. D. J. MacDonald, and Ross Davies. Among the speakers who are in interest to the University people are—the-Chancellor, Mr. Maclean, and the subject of their addresses:—

The Problem of the Country Town.

The Problem of the Rural School.

The Problem of the Public School.

Charles H. Edmonson, D. D., of the University of Iowa, has in charge the preparation of a thesis on "The Problem of the Country Town.

A Thesis by E. E. Howard.

E. E. Howard, D. D., of the University of Iowa, has in charge the preparation of a thesis on "The Problem of the Public School.

The entire Wallack's was occupied by the Howard. The entire Wallack's was occupied by the Howard.

The Choral Society will not meet tonight, but will hold its next rehearsal Dec. 31.

COMING WINTER HASTENS WORK

NEW STRUCTURES MOSTLY ENCLOSED.

Power House Will Be in Operation Within Six Weeks—Hospital Loons Large.

Two tunnels, which, with their fittings, are here now, and will be in place at once. The work of placing this machinery will require several weeks, but Mr. Eilertson believes that the plant will be in operation by the end of January.

The tile roof on the new Science hall is about three-fourths completed. The ornamental statuary also is nearly done. There has been delay in shipping sand from the mill at Anamosa, Wis. Until the easy," at least, the building cannot be closed up so as to begin plastering. The heating contractor has the foundations for the ventilating fans and the steam pipe connections are all made. The building is ready to be heated as soon as the last winter comes down. When the new floor is completed, the last part of furnish will be finished. Carpenters are now at work on the Ir

The building will be finished in two weeks.

A small building in the rear of the city electric light office has been fitted up to serve as an "animal house," and will be turned over to the Medical Department within a few days.

At the hospital, the outfit is almost complete, and the new wing is ready for the stone work to go on. Bricklayers are at work on the inside walls. The ceiling for the fourth floor of the first story will be finished next week. The work here will continue until winter comes down. When the new wing is finished the hospital will be an extremely large building.

Library Club Meeting.

The Library Club met last night at the home of Mr. Wyer. The program of the evening consisted of a paper on "The Purchase of Books at Auction Sales and Second-Hand Dealers," by Mr. Wyer, and an "Oregonian Literary News" by Miss Jemima Roberts.

The program for the next three meetings was planned. The next meeting of the club will be in January with Miss Marthi.
Victor Herbert believes the musical effort of his life is contained in "The opera of 'Riverstreet,'" the latest and most notable works that will bring Miss Chip and Mary Martin here this season. Miss Chip personifies the spirit of the opera department, and his success in the crime element raises above some of the great 음악 works of the time. Their work now is sold.
