OLD GOLD WINS FIRST CONTEST

IOWA FIVE OVERWHELMS NORMAL AT BASKETBALL.

Barton the Star of a Great Contest in Which Rule's Men Begin Victorious Season.

In a game replete with rapid passing and pretty goal throwing, Iowa won the first game of the basketball season from the State Normal last evening by a score of 71 to 16. In both halves of the game, the Old Gold players mystified their opponents with a series of plays and passes that were perfectly bewildering.

Captain Jimmie Barton scored 35 of Iowa's points, making 16 goals from the field and three fouls. Buckner who played a great game at center was close with eleven goals to his credit. Norton and Stewart played fast agressive ball in the guard positions and played the ball up to the forwards with lightning speed.

Coach Seymour of the Normal officiated and called many fouls on the wearers of the Old Gold. At times the big crowd did not take kindly to his decisions but he was fair throughout. The Iowa men made many fouls and Seymour called them. This was due to the fact that the University men have practiced under the Collegiate rules which allow more aggressive ball than was permitted under those of the A.A. U.

In the second half Norton went to forward and Burkheimer was substituted for Perrine and played a consistent game. For the visitors, Shearn at forward and Merner at center played practically the whole game.

The unexpectedly large attendance and the great work of the Iowa five give promise of the most successful basketball season in the history of this sport in the University.

The line-up:

IOWA.		NORMAL.
Barton	L. F.	R. G. Walters
Perrine	R. F.	L. G. Colton.
Buckner		C. Merner
Norton	L. G.	R. F. Shearn
Stewart	R. G	L. F. McMahon

Summary:—Goals from field; Barton 16, Buckner 11, Perrine 3, Norton 3, Stewart 2, Shearn 2, Merner 2, McMahon 1. Goals from fouls; Merner 5, Barton 3. Fouls; on Buckner 9, on Barton 4, on Stewart 3, on Norton, 2, on Merner 4, on Shearn 2. Referee, Seymour; Scorer, Piggott. Score, Iowa 71, Normal 16.

The calendar which the Y. W. C. A. girls get out annually will be on sale in the main corridor of the Libera l Arts Building the first of next week. Orders for calendars may be left with members of the committee, Eleanor McNeely, Avis Hall, and Mary Bowen at any time now.

A NEW PERIODICAL.

A Quarterly Journal of Political Science Lately Launched.—Professor Shambaugh an Editor.

The American Political Science Association has put forth a new magazine. It is a quarterly, and is called the American Political Science Review. The first number came out just recently.

Last February, Professor Shambaugh went to New York, where he met with Albert Shaw of the Review of Reviews. and Professor Willoughby, of Johns Hopkins, as a committee on arrangements. Their efforts were successful, and the magazine is fairly launched. Professor Shambaugh is on the Board of Editors. Another editor is Eugene Wambaugh, of Harvard's School of Law, who was formerly in the Iowa law faculty.

Committee Has Been Organized to Have Charge of General Business of the Societies.

The Students' Music Committee has just been organized. It is composed of one representative from each of the various musical bodies excepting the band. It will have in charge the management of th musical interests, such as arranging for concerts, co-operation of the different societies, and business management in general. From the Men's Glee Club, Mr. Sleeter is the representative; for the Choral Society Mr. Davis; from the orchestra, Mr. Coyle; from the Girls' Glee Club, Miss Strawbridge. The committeee had a meeting Wednesday evening, and made appropriations out of the funds on hand.

It is planned to give two or three concerts, in which all the musical bodies will participate. The first one will be before the end of this semester. The committee are considering the advisability of a tour for one or more of the organizations to be made about Easter.

THE COTILLION TO-NIGHT

GRAND MARCH BEGINS AT EIGHT

Many Out-of-Town Guests Expected. —Galleries Will be Open to Spectators.

The committee in charge of the Sophomore Cotillion began yesterday to decorate the Armory in white and old gold. The floor has been planed recently to an even smoothness, and after being thoroughly waxed, will be in excellent condition for tonight. The orchestra will be placed at the north end of the floor instead of in the center as in some former parties. Grabbe's orchestra of Davenport will play.

At eight o'clock the grand march led by President and Mrs. MacLean, will begin. The dancing program will consist of twenty regular dances, and four extras. The program will be old gold in color, with the University seal in black on the front.

Out of town guests are expected to arrive early this evening for the function. and an especially large delegation will come from Cedar Rapids.

The committee wish to announce that the gallery will be open for spectators at a normal price during the evening.

Transit Board Elected.

The Eugineers, held their long delayed Transit Board election at a meeting in the Engineering building last evening. The Electrical faction started the surprises by throwing their entire vote to Mr. Lee, the Civil Eugineers' candidate for editor in-chief. The first ballot showed that Mr. Lee was elected almost unanimously. While the Electrical Engineers were wondering if they were to be left out in the cold in the contest for Business manager, the Civils turned the tables and threw their vote to Mr. Emmons, the Electrical Engineers' candidate. The first ballot resulted similarly to Mr. Lee's.

PROM. COMMITTEE APPOINTED.

Prom to be Given Before Lent, so as to Avoid Conflict With Pan-Hellenics.

R. G. Remley, the Junior, (L. A.) class president, has appointed the Prom Committee. On account of the proposed Pan-Hellenic party, to be held immediately after Easter, the date has been fixed for some time just before Lent. The committee is representative of most of the fraternities, and is composed of Spangler, Pond, Neustadt, Pike, Harwood, Brant, and Remley.

That Band Tour.

At the regular meeting of the University Band Wednesday evening the matter of a summer concert tour was discussed. It is proposed to start from here about the middle of June, and tour the state for at least four weeks. The outcome of the plans depends somewhat upon the support that the Band hopes to receive from the University. The trip, if taken, will be a great advertisement for the University, and the boys feel that because of this, the University should encourage the undertaking in a substantial manner.

New Works by a Distinguished Author.

Professor Charles Bundy Wilson received yesterday a letter containing, among other things, information of great interest to the literary world. The letter is from Helene Vacaresco, a member of the Roumanian court and the highest aristocracy in Roumania, an author whose works have been crowned by the French Academy. Mlle. Vacaresco wries from her palace in Bucharest, that she has in preparation three books—a novel in French, a volume of French poems, and a work in English entitled the King's Wife. The letter also bears the news that the King of Roumania, the husband of Carmen Sylva, is seriously ill.

Glen W. Miller Dent '07, is recovering nicely from his operation performed at the University Hospital last Monday.

NEW OFFICERS FOR ATHLETIC UNION

BOARD ADOPT CONFERENCE RULES.

Automatic Rule Adapted in Regard to Conferring "I's" to Football Men.

The Athletic Board of Control took action at its last meeting in regard to the proposed changes in the conference rules. These changes met with the unqualified approval of the Iowa authorities, and as a consequence our influence will be exerted in securing the approval of the same in the other universities.

The University of Wisconsin disapproved of the proposed changes and voted them down. What action the other members of the Big Nine will take is uncrtain, but it is probable that the necessary two-thirds will approve of them in order to secure their their adoption.

Another matter of considerable importance was taken up by the Board in regard to the giving of the athletic emblem to the football men. The Board votedw to adopt the following rule:

"The University "I" will be given to the football men who participate in two major games during the season, but may be witheld at the discretion of the Board. Participating in a game will be interpreted to mean playing in one of the major games throughout one entire haif. unless removed on account of injuries."

Under this rule, the Board granted an "I" to both Mr. Fritzell and Mr. Streff.

A Musical "At Home."

Another enjoyable "At Home" was given Wednesday evening at the home of Professor and Mrs. Starbuck. As the two previous evenings had been devoted to the Classic School of music, this evening was given to representations of the Romantic School. Mrs. Starbuck chose Mendelssohn, Chopin, and Schumann, as representative of that school.

Each composer was introduced by a few words explaining the type of work illustrated by each selection.

Mrs. Alice Chase sang several beautiful German songs from the works of Mendelssohn and Schumann.

School of Music Reception.

For the first time this year the School of Music will be opened to the public at an informal reception Monday evening from eight until ten o'clock.

Miss Proffit, Miss Felkner, Mrs. Starbuck and Mr. Cox will receive and all who are interested in the school are invited to be present.

Mrs. Nyle W. Jones is suffering from an attack of pleurisy.

Another Man to Oxford.

The Rhodes Scholarship examinations will be held Jan. 17 and18. It has been two years since the last examinations, and many students who have come here within that time do not understand what is offered.

The scholarship provides a three years' residence at Oxford University, with an annual income of 300 pounds sterling. The candidate must be unmarried, must be between the ages of nineteen and twenty-five, and must have reached at least at the end of his sophomore year in some recognized degree-granting college or university. And he must pass the examinations.

These examinations are not competitive, but qualifying. The papers are sent to London, and passed upon there. The returns, sent back to the Iowa committee, of which President MacLean is chairman, determine who is eligible to be chosen, and the committee make the choice on the basis of Cecil Rhodes' ideas of manhood.

For the student who is in position to avail himself of it if chosen, the scholarship offers an inviting prospect. It is a rare opportunity for culture. Some student will win it this year. It is to be hoped he will be an S. U. I. student.

Those who are interested should call at the executive office for further information.
