NARROW ESCAPE FOR FILIPINO

Falls off Track in the Nick of Time and Escapes Harm.

Confide M. Almaz one of our Filip- line students narrowly missed death under the wheels of an interurban car yesterday. While crossing the tracks at the corner of Clinton and Washington streets, he slipped upon the ice and fell. A crowd was rounding the curve, but M. Almaz did not know it until he actually fell. Seeing his danger, he made an attempt to rise, but owed himself by pulling half off the track. The car stopped almost instantly, but was within a frightfully short distance of the young man when he managed to get out of its path. The only inconven- ience he suffered from the accident is a bruised knee.
