## CALL FOR BASEBALL MEN

VACANT PLACES ON THE TEAM.

**Captain Kelly Anxious That all Men Report at Once for Indoor Practice.**

"I want you, to tell all the baseball men to report at once for practice in the Gym," said Capt. Kelly yesterday. "We want every man out, whether he be Freshman or Senior, so long as he can play ball. There are many places on our team that are not filled as yet, and there is a good chance for eligible players to make the nine," continued the star first baseman.

A good schedule has been signed, and now is the time to prepare for the coming summer sport. Iowa will expect much of her team the coming season, and there is no reason why we should not make the best use of every man in the University who has baseball ability. This cannot be done unless the men come out for early practice. The gymnasium will be open every day from 1:30 until 4:30 for the use of baseball men, and candidates should report at that time.

Three of last year's team, Wilson, Davis and Knowlton are out of the game, while in fact there are but six of the old players who will be on the diamond this year. They are the two Kelleys, Kirk, Poyneer, Cobb and Kent, consequently there will be a good chance for new men to make the varsity team.

The indoor work is quite necessary to the success of the men. The armory is large enough to accommodate about twenty players each day, and with the services of a good coach, which will soon be obtained, our baseball men will be in good condition for the game when the diamond is ready.

The question of a baseball coach has been before the Board of Control for some time, and will probably be disposed of at its meeting next Wednesday night.

Through error yesterday morning, it was stated that the general engineering society gave a banquet at the Burkley Tuesday evening. A committee of the society held a meeting last evening and a banquet will be held in the near future.

Professor Peirce has left for Sioux City, where he will deliver an address before the Y. M. C. A. of that city. Prior to his arrival there he will stop off at Fort Dodge and Webster City on behalf of Professor Ensign, to inspect the high schools of those two cities.

The Iowa Senate yesterday passed the Smith resolution demanding of congress that it call a convention to revise the constitution of the United States.

## GIVE DINNER AT BURKLEY.

Engineering Faculty and Wives the Guests of Professors Ford, Ohle and Higby.

The Engineering faculty and their wives were the guests at a dinner given at the Burkley Imperial Tuesday evening. Professors Ohle, Ford and Higby of the Engineering department, were the hosts at this pleasant event. The dining room of the Burkley was prettily decorated and a sumptuous repast was served. Toasts and responses were given afterward, thus ending a most enjoyable evening.

### Notice, Newmans.

The Newman society will hold an important business meeting in Philo hall at 6:45 o'clock sharp, Thursday evening. The attendance of all members is desired.

### Y. M. C. A. Convention.

Yesterday, Mr. Wayne Hemphill, secretary of the local Y. M. C. A., went to Sioux City, Iowa, to attend the thirty-third annual convention of the Young Men's Christian Association of Iowa. The convention will convene today. A four day's program has been prepared, including the following speakers: Fred B. Smith and Thornton B. Penfield of New York; J. P. Bailey of Omaha; C. B. Willis of Milwaukee; Dr. Ira Landrith of Nashville, W. S. Lewis of Sioux City and A. B. Storms of Ames.

### Notice.

All students in the University should be registered not later than Saturday, February 16, since those who register after that date will be required to pay a registration fee of 25 cents for each day's delinquency beyond Saturday, February 16th.

Students of the professional colleges whose registration for the coming semester's work is entirely regular should pay their tuition fees and leave their present city address at Secretary McChesney's office. It will not be necessary for them to present their tuition cards at the registrar's office.

Several students in the Colleges of Liberal Arts and Applied Sciences have registered for the second semester's courses but have not yet paid their tuition fee. These fees must be paid before next Saturday.  
H. C. Dorcas,  
Registrar.

Kappa Lambda Rho meets at the Phi Kappa Psi house Saturday night.

Yesterday morning a short musical program was given at assembly. Miss Alice Remley played a Chopin waltz, Miss Esther Duiey played a violin solo, and Miss Gardener sang "All for You," by Guy D. Hardlot.

Miss Ida Felkner left yesterday afternoon for a several days visit in Chicago.

## MORE COUNTY FAIR NEWS

REMEMBER THE DATE—FEBRUARY TWENTY-THIRD.

Many Attractions Scheduled—A Filipino Booth—Good Things to Eat at Small Cost.

The Third Annual County Fair of the Y. W. C. A. takes place just one week from Saturday.

This year a new idea is being worked out, that is, to begin the Fair at 5 o'clock in the afternoon, and serve supper, having all stunts and side-shows begin at 7 o'clock.

The supper will be spread in a very novel and attractive way, 100; each course being served in separate booths.

Weenies and rolls can be bought in a Dutch booth, pan cakes and maple syrup in Aunt Jemima's plantation booth. Sandwiches and coffee in another booth. The Tri Deltas will serve ice cream cones—and then there will be a pie booth where delicious home-made pie can be bought.

Besides this, there will be lemonade stands, popcorn, peanuts and candy.

The Filipino students will have charge of a booth in which cracked coconuts will be the staple dish. The decorations of this booth will be made entirely of Filipino design.

A very good meal can be bought at the Y. W. Fair, served as a progressive supper.

### Valentine Party Tonight.

The Iowa Woman's Club will give a St. Valentine party tonight at the home of Mrs. C. D. Carney, 530, Iowa avenue. A special entertainment has been arranged, and the gentlemen members of the club will attend, this being a special meeting.

Professor Weller of the Greek department, lectured Tuesday evening before the members of the cast that will present the Greek play in May on "Iphigenia"—and other Greek plays and costumes.

## BANQUET AT THE BURKLEY TO NIGHT.

The Graduate Club Hold Their First Annual Dinner This Evening.

Tonight the members of the Graduate Club will meet at the Burkley Imperial and hold their first annual dinner to be given by the members of the club. The Committee on Arrangements report that a full attendance of the club will be present, with a considerable number of faculty members also.

Good music has been provided by the Entertainment Committee, and a well arranged program of toasts has been secured. Several out of town guests will be present.

### Sigma Nu 14th Anniversary Banquet.

The local chapter of the Sigma Nu fraternity will hold its 14th anniversary banquet Saturday evening, February 23rd, at the Burkley Imperial. A large number of alumni have signified their intention of being present.

### Tie Played Off.

Yesterday afternoon the Phi Kappa Psi whist team met the Phi Delta Theta's in a contest over the tie for first place in the standing of the team. The game resulted in a count of 7 to 4 in favor of the Phi Phis, which now gives them a standing of 800.

### Baseball Men Attention!

All men interested in baseball will report to Marc Catlin at the Armory at 3.00 o'clock, Monday afternoon.

The Delta Tau Delta fraternity entertained Tuesday evening at a dinner-dance at their chapter house. The dining room in which a ten course dinner was served was elaborately decorated in purple and white and gold, the fraternity colors. The table was in the form of an "I" and the decorations were hearts and red carnations.

Miss Nelle Jones is seriously ill at the University Hospital, having submitted to an operation for appendicitis yesterday.

## THE ZETS ARE VICTORS AGAIN

WON LAST NIGHT'S DEBATE BY TWO DECISIONS.

A Close Contest—The Last Debate Under the Old Arrangement.

The Minnesota preliminary held last night in the Congregational church, was won by the Zetagathian team after a very close contest. The teams were about evenly matched, and neither side had such apparent advantage as to make a walkaway probable. The question was the same as that debated the night before, the municipal ownership problem. The Irving team was composed of W. L. Meyers, Will Riley and Philip Macbride, their opponents were O. O. Mueller, Wm. Meyers, and Wm. Jones. The judges were Messrs. E. A. Wilcox, Charles Dutcher and F. E. Bolton.

The position of the two societies was the reverse of that of the Wisconsin debate, the Irvings having the negative and the Zetagathians the affirmative. The Zetagathians have therefore the distinction of having won both sides of the question.

In defending private ownership, the Irving team proposed a commission having the power to regulate traction corporations, and of necessary revoke their franchises. Their plan was supported by clear and logical argument. The Zets demanded municipal ownership, with regulation by the same sort of a commission, claiming that evils now existing would be eliminated if the people owned these properties. A prominent feature of the debate was the rebuttal work, both sides appearing to good advantage here. The members of the winning team probably secured most favor with the judges by their rebuttal speeches.

The Zetagathians feel especially gratified over the two victories won this week because they mark in a way the end of a long period of rivalry between the two societies. Zet and Irving will debate in the future, but never on quite the same terms as in the fifteen year period closed by the contest of last night.

Mr. H. M. Harwood, chairman of the Junior Prom, reports that the Prom was a financial success, the committee not having to levy an assessment in order to meet expenses. So far as the public is concerned, all speak highly of the manner in which the Prom was conducted. From start to finish it was well managed.

Willis B. Newbold, Law, '98, is practicing at the bar of Van Buren county with his office at Farmington. Mrs. Newbold is president of the board of education and both these worthy young people are extremely anxious to see Farmington high school reach the accredited list of the University.

**BASKET BALL ETHICS.**

In a few days our basket ball team will meet the five from the University of Nebraska. When our team played at Lincoln there was one noticeable feature of the game, that was the courtesy with which our men were treated by the spectators. Our team was greeted with a rousing cheer from the University students, our players were each applauded for their best efforts, the officials were never taunted by a dissenting voice. Upon returning home the Iowa men all agreed that their reception at the University of Nebraska was the most welcome, the most cheerful of any in their whole experience.

How will it be when Nebraska plays on our floor? The seating arrangement of the Armory is such that a spoken word from the gallery is distinctly heard by the player. The basket ball management as well as the players, is very desirous of showing our visitors on this occasion the true Iowa spirit.

Let us who are spectators exert ourselves to greet the Corn-Huskers with a cheer for every good play by their men, even though it be in the face of our own defeat. Let us support our own team in every stage of the contest, and not annoy them or the officials by the least criticism during the progress of the game. We have more than a week to prepare for Nebraska, and what will be good for them, will be of use in all other basket ball contests as well.

John W. Wolf, who graduated from the normal department of the University in 1867, is now living at Birmingham, Iowa. For many years, Mr. Wolf conducted a private academy at this place and in later years has been engaged in public school work.

WANTED—A student to assist in housekeeping in return for her room and board Mrs. H. L. Strain, 3t 725 N. Linn st.

The Luther entertainment at the Children Theatre this evening.

"The Time, the Place and the Girl" will be presented for the first time in this city on Wednesday, Feb. 6, at the Coldren theatre. The new offering is by Will M. Hough and Frank Adams and Jos. E. Howard. The new production will be different from those previously offered by the well-known Askin-Singer Company. Heretofore the atmosphere has been foreign, but in the forthcoming production it will be strictly American. The scene is laid in the mountains of Virginia. Ned Wayburn holds the rod over the chorus. Seats will be on sale Monday eve. Limit of 10 to each purchaser.

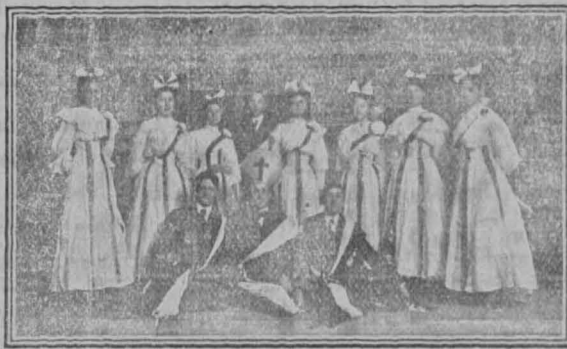

Miss Ruth Spicer of Cedar Falls has been spending several days visiting friends in the University.

The diet scene is one of the most gorgeous of the evening. The military display will be exceptionally fine and the drama is well prepared, and the characters have been well chosen. For pomp and grandeur this number is unexcelled.

Seniors will have their first meeting to discuss the "School for Scandal" this afternoon at 4:30 in Room No. 314.

WANTED—Stenographer to work part of the day. Bell phone 230X. 2-16

When in need of a good driving team call up Murphy's Livery. Both phones.

### Story of the Reformation.

The first presentation of the Story of the Reformation will be given to-night at Coldren Theatre. The entertainment will begin at 8:15 sharp. Two hundred of our best local talent constitute the cast, and are well prepared to give a beautiful rendition of a very elaborate and interesting entertainment.

The most stylish turnouts in the city at Murphy's Livery.

Mr. R. B. Crone, L. A. '97, Superintendent of the Washington schools, was here yesterday to attend the debate.

Ladies' Suits, Cloaks, Furs, Millinery, Dress Goods, S. U. I. Colors in Felts, Velvets, Satins and Ribbons at H. A. Strub & Co.'s.

### NEWS OF THE COLLEGES.

Nebraska beat Kansas in a fast game of basket ball at Lincoln last Saturday night, by a score of 3 to 19.

The hockey season closed Saturday evening in a closely contested game between Yale and Princeton, resulting in victory and the inter-collegiate hockey championship for the last named team. The score was 2 to 1, and the game was witnessed by the largest crowd ever gathered at Princeton to witness a similar event.

The Yale basket ball team is on a tour of 3000 miles, with a schedule of 29 games to be played. Points will be visited on the trip as far west as Chicago, and it will be one of the longest trips ever taken by a college team.

The co-eds at Northwestern are planning an archery event and spring festival in connection with their gymnasium work. So much for the growing popularity and widening field of outdoor sports for the student body.

In their debate with Chicago and Northwestern, held last Friday, Michigan won both the affirmative and the negative.

The Illinois legislature recently passed a law prohibiting university students from indulging in the habit of cigarette smoking.

A committee recently appointed by the president of the University of California for the purpose of considering the advisability of adopting the honor system in examinations, has reported favorably on the movement, and the report will be put to a vote of the student body on the 15th instant, at which time it is intended to decide whether or not the system will be put into effect in that University. The committee has submitted regulations and by-laws for such a system, with the recommendation that the same be adopted. Under this system in examinations, the student is put wholly on his honor, and it should certainly be conducive of a higher sense of honor and self-esteem than is often displayed in the classroom at examination time.

## Northwestern University Medical School.

(Chicago Medical College)  
DR. N. S. DAVIS, Dean,  
This medical school is centrally located, convenient to large hospitals, affording abundance of clinical material. The laboratories and lecture rooms are commodious, well-lighted and generously supplied with all modern appliances to aid in carrying on in the most effective manner, the study of medicine.  
The full course consists of four years, eight months each, beginning October 1st.  
The classes are divided into small sections, thus affording to students better opportunities, or the advantages of individual instruction. This feature, as well as a graded curriculum, characterize the work in all the departments.  
The ability of the men who graduate from this school, as well as the character and thoroughness of the work given here, is evidenced by the success of our graduates in the examinations given by the different State Boards. Out of the 135 graduates of the class of 1905 who were examined by the various State Boards in the United States during the last year, only one failed.

**Action Guided by Knowledge Wins Success.**

Your life, to be one of achievement, must be a life of action; and this action must be directed by knowledge. To gain knowledge, you must study and investigate. You must set your mind upon some one subject, and study it diligently.

Our streets, offices, and factories are crowded with unskilled people struggling to get or to hold jobs.

Why is the lot of these people so hard? Not because Fate is cruel, but because they lack knowledge.

Spare-time learners never lack faith in themselves; the habit of solving problems out of the presence of a teacher makes them self-reliant; responsibility loses its terrors; Opportunity's challenge is accepted; there's no flinching, and no defeat.

Take courage; acquire the study habit; get to believe in yourself; be determined not to lose, and you'll win.

We have 18 students in Iowa City. It is like "Carrying Coals to Newcastle." But a fact nevertheless.
