TWO BASKETBALL GAMES YESTERDAY

AT COE AND COLUMBUS JUNCTION.

Varsity Played the Presbyterians.—
Team in Bad Condition.—Easy
Work for Freshman Team.

Iowa's basketball season is nearing its close. Yesterday afternoon the varsity went to Cedar Rapids where they contested a return game with Coe College. Captain Bob Heath and his Freshman team left earlier in the afternoon for Columbus Junction. There is little doubt of a Freshman victory, but the varsity has a hard proposition to tackle at Coe. The little college has a fast team, as they have demonstrated on Iowa's floor, and they will make a hard fight to break even with the Old Gold.

The varsity is not in the best of shape, and Buckner may have been out of the game on account of a bad "charley-horse", which has been bothering him for some time. The loss of Buckner at this time would seriously weaken the varsity, as there is hardly a man who could be played in his position. Buckner at guard has been playing great ball, and his loss leaves Iowa little hope in any of the big contests.

If Buckner is in condition to play, the varsity will line up with Captain Barton and Burkheimer at Forwards, Perrine at Center and Buckner and Brown at Guards. Even the Iowa's line-up is still in doubt as Perrine has been out of the game for a week, being ill at his home.

The Freshman team will line up with Burrell and Byoir at Forwards, Norton at Center and Captain Heath and Stewart at Guards. This team is out for a hard battle as the schedule which has been arranged for them depends a great deal upon their showing in this game.

10:45 p. m.—(Special from Cedar Rapids).—Coe won the game this evening by a score of 33 to 31.

Dr. F. E. Bolton was a visitor in Des Moines yesterday. Dr. Bolton was in attendance at a meeting of the State Executive board of the Iowa Teachers' Association, of which he is a member.

Senator Moon of Ottumwa is in the city and will spend some time here in the interests of the varsity debaters, whom he will coach with the assistance of several university instructors.

David S. Welch, assistant superintendent of construction at the university, will leave this week on a business trip in Texas and Oklahoma.

Mr. Clark H. Lowden, sophomore medic, is sick in the hospital.

Dr. Colfax will be at Colfax over Sunday.

PHI DELTA PHI BANQUET.

Legal Fraternity Feasts at the Burkley.—Six Volumes of Cyc Are Perpetrated.

Last evening the Phi Delta Phi fraternity held its annual banquet at the Burkley Imperial. About thirty-five members were present, including several town alumni and honorary members.

After the banquet, a very original program of toasts was given. Dean Gregory acted as toastmaster. The program was as follows:

Encyclopedia of Law
In Six Volumes.

Introduced by Dean Gregory.

Ab Initio to Ejectment...Mr. Smead
Execution to Funeral Expenses.....
..... Attorney Hart
Future Estates to Junkshop.....
..... Professor Hayes
Justifiable Homicide to Mother-in-law..... Professor Wilcox
Next of Kin to Original Package...
..... Judge Wade
Pains and Penalties to Without Recourse.... Judge McClain

Kansas Debate.

The Marshall Law Society has received a communication from Kansas University to the effect that they have selected the negative side of the municipal ownership question which the local society submitted for debate. Kansas will be represented by Paul Jones, Charles Blackmar and Thomas Gowenlock. The debate will take place in Iowa City this spring.

Notice.

All students in the University should be registered not later than Saturday, February 16, since those who register after that date will be required to pay a registration fee of 25 cents for each day's delinquency beyond Saturday, February 16th.

Students of the professional colleges whose registration for the coming semester's work is entirely regular should pay their tuition fees and leave their present city address at Secretary McChesney's office. It will not be necessary for them to present their tuition cards at the registrar's office.

Several students in the Colleges of Liberal Arts and Applied Sciences have registered for the second semester's courses but have not yet paid their tuition fee. These fees must be paid before next Saturday.

H. C. Dorcas,
Registrar.

Baseball Men Attention!

All men interested in baseball will report to Marc Catlin at the Armory at 3.00 o'clock, Monday afternoon.

Miss Nellie Jones underwent an operation for appendicitis, Tuesday, and has been dangerously ill for the past week, but is now slowly recovering.

TO CELEBRATE 50TH ANNIVERSARY

HISTORICAL SOCIETY ANNOUNCES PROGRAM.

A Program Extending Over Four Days Will Commemorate the Adoption of Iowa Constitution.

The State Historical Society is distributing the preliminary announcement of the program to be given here next month, in celebration of the fiftieth anniversary of the adoption of the state constitution of Iowa. The exercises begin on Tuesday, March 19, and continue for four days. The honorary presidents of the occasion are Governor Cummins and President MacLean. President MacLean will preside Tuesday evening, and open the week's program with a brief address. Andrew Cunningham McLaughlin, professor of History in the University of Chicago, will give the principal address that evening. Professor McLaughlin is a son-in-law of President Angell, and was formerly in the University of Michigan. Eugene Wambaugh is the speaker on the following evening; he is now professor of Law in Harvard University, and was formerly a member of our own law faculty. On Thursday evening the address will be given by Reuben Gold Thwaites, Superintendent of the State Historical Society of Wisconsin. During the forenoon of the same day there will be a conference of History teachers, and in the afternoon a conference of local Historical Societies. On Friday, Governor Cummins is to preside. The address will be given by Justice Emlin McClain, of the Iowa Supreme Court. At 1:00 p. m. there will be a luncheon at the Burkley.

It will be remembered that seven hundred and fifty dollars were appropriated last year to the purposes of this celebration. The fund has been so expended as to insure a really notable occasion, of a nature to celebrate fittingly the most significant event of early Iowa history.

THE FIRST PRELIMINARY.

Six Men Are Chosen Out of Fifteen to Compete For the N. O. L.

The "preliminary to the preliminary" for the N. O. L. contest was held yesterday, and lasted nearly all day. The judges were Messrs. E. A. Wilcox, Sloan, Ferson, Horack, and Parish. The contest was begun in the Assembly room but was changed to the old Capitol building on account of insufficient heat. Out of the fifteen men entered, the following six were chosen: Loeher, Carberry, Myers, Crawford, Bridgens, Cunningham. Each of these men has had experience in debate or oratory, and their contest Tuesday night for the honor of representing Iowa in the N. O. L. will undoubtedly be close and interesting.

Baconian Lecture.

Last Friday evening the Baconian Club listened to an interesting paper given by Dr. Starch, of the Philosophy department, on the "Influence of the Weather on Human Conduct." The term weather, by the reader's definition, included six important meteorological conditions, i. e., temperature, altitude, humidity, wind, character of the day, whether bright or cloudy, and the precipitation of rainfall.

Dr. Starch pointed out the influence of these various conditions on health, insanity, suicide, crime, intoxication, the behavior of penitentiary prisoners and upon our power of attention to work.

Professor Teeters of the Pharmacy department followed with a voluntary report on the importation of aloes, the common cathartic used in most all pills. It is obtained from a plant much resembling the century plant, and is shipped from southern Africa and the islands off the coast, the principal point being upon the Island of Locrotin.

Notice.

Those members delinquent in dues and fines please meet the treasurer at the earliest possible date. Summary court for the excusal of fines will be held at the next drill.

J. C. Hollman, Treas.

BIGGER AND BETTER THAN EVER

WORLD'S COMBINED SHOWS AT THE COUNTY FAIR.

Outclasses All Preceding Ones.—
Real Circus in Middle, With
Many Sideshows.

Preparations for the Johnson County Fair are being completed, and the fair promises to be one of the cleverest and most original ever given here.

Amusements and entertainments of all kinds will be provided. There will be a typical minstrel show given under the direction of B. G. Bradley and Will Riley in which quite a large number of University men will take part.

Miss Alice Wilson is supervising a pantomime production, "The Wooing", in which ten girls and one man will take part.

Miss Sue Jefferson is taking charge of an illustrated lecture of local application; she will be assisted by several others.

A Kangaroo Court will be conducted by some of the law students, this is a feature which promises much amusement, as it has been most successfully conducted elsewhere.

A general circus will be run in a big tent in the center of the Gymnasium, where various animals will be shown, side shows run, and many other attractions offered.

The teeter-totter, one of the biggest successes of last year, will be run by Mr. Wilmot Royal, and arrangements are being made at present for a "shoot the chutes".

The Graduate Club of the University have consented to take charge of one of the attractions but have not as yet announced what it is to be.

One of the best features will be the free wedding which will take place at nine o'clock. A free supper and free admittance to all attractions will be given to the couple who are married. The names of the couple will not be announced until nine o'clock Saturday evening.

Besides all the above attractions there will be many others on the "Pike" where representatives of all nations will have booths.

The state senate last Friday passed the Frudder laboratory bill which provides for an annual appropriation of \$6,000 for the bacteriological laboratory of the State Board of Health.

Dr. Butler, of Whittier, Iowa, is arranging for a re-union of the medical class of twenty years ago, which will take place at the time of the alumni clinic, the first of May.

Dr. Paul Ditmar, of Keota, was in the city with a patient today.

The senior medics have been taking operative work upon cadavers under Dr. Titzell, for the last week or so.

The thirteenth biennial report of the state board of health has just been issued. Fifty pages are devoted to a detailed description of the results of the work done in the bacteriological laboratory here.

Red Men's Hall, (formerly Kenyon's Hall), newly furnished and the finest dance floor in the city. This hall is for rent, for parties and dances, etc. Price six dollars per night. Arrange for dates at Martin Gerber's Store, 218 East College st. 1-17

The "History of the Upper Iowa Conference," written by Rev. S. N. Fellows of this city, formerly professor of Natural and Moral Philosophy and Didactics in the University, is nearly ready for publication. Rev. Fellows has been connected with the Upper Iowa Conference since its organization, and his work promises to be one of inestimable value to the church folk of Iowa.

Kid Gloves cleaned. Prompt and satisfactory work guaranteed. Leave orders at Mrs. L. L. Kenyon's Toilet Parlors, 26 1/2 Dubuque stre. et. Over Smith & Cilek's Hardware store.

Superintendent P. B. Croze of the Washington, Iowa, schools, has returned home after a short visit in the city. He attended the recent S. U. I. debates in order to get pointers for his high school boys who will debate a team from the Iowa City high school in this city on March 2nd.

Two front rooms for rent at 1010 Every college in the University is now represented at our tables. We can accommodate a few more good men. "The Hungry Shall be Fed." Student's Boarding Club, Cor. Linn and Market.

Mr. Curtis Updegraff, '09, is spending Sunday in Cedar Rapids with friends.

Miss Mary West is visiting at the Kappa house.

The Zet debaters chosen Friday night are O. O. Mueller and F. M. Meyers for the Minnesota final, H. W. Barnes and Vincent Starzinger for the Wisconsin. The third man on each team will soon be chosen by the Irvings.

In "The Time, the Place and the Girl," which comes to the Coldren on next Wednesday, Joe Howard, the composer, is said to have excelled in tunefulness his score in "The Umpire," which is generally conceded to be with few peers among musical comedies in point of merit. The more striking numbers in his latest work are "Thursday is my Jonah Day," "I Don't Like Your Family," "Blow the Smoke Away," "The Waning Honeymoon," "First and Only," "Dixie I Love You," and "Don't You Tell." Seat sale Monday eve. Limit of ten to each purchaser.

Students:—For any of you who wish to go out the coming vacation and make some money, I have a proposition which is a winner, which I can guarantee from experience. Call and see me between 7 and 8 p. m. or Sat. p. m.

A. J. Fawcett,

318 S. Dubuque St.,

Iowa City.

Miss Edith Ghiffilen of Coe College, Cedar Rapids, is in the city and will lead the meeting of the Young Woman's Christian Association in Close Hall at 4 o'clock. Every girl will be welcome.

FOR RENT—Furnished room, 413 East Jefferson st. 2-7

The Sigma Chis gave a pancake breakfast and dance at their chapter house yesterday morning. About ten couples were present.

New White Goods and Wash Goods, Embroidery, Laces—very large and elegant selections.

H. A. Strub & Co.

"The Time, the Place and the Girl" will be presented for the first time in this city on Wednesday, Feb. 6, at the Coldren theatre. The new offering is by Will M. Hough and Frank Adams and Jos. E. Howard. The new production will be different from those previously offered by the well-known Askin-Singer Company. Herefore the atmosphere has been foreign, but in the forthcoming production it will be strictly American. The scene is laid in the mountains of Virginia. Ned Wayburn holds the rod over the chorus. Seats will be on sale Monday eve. Limit of 10 to each purchaser.

Miss Ethel Towne of Des Moines is a guest at the Delta Gamma house.

The most stylish turnouts in the city at Murphy's Livery.

Marlin 16-Gauge Shotgun
This is the smallest and lightest weight (about 6 1-2 pounds) repeating gun ever manufactured, and opens up many new possibilities to the up-to-date sportsman. It is not a 16 barrel on a 12 action, but a new, well-balanced, properly-proportioned gun that, with modern smokeless powders, enables a shooter to use a powerful load in a small shell and reduce, materially, the weight of shells and gun to be carried. The small, light gun handles fast, results in close holding and increased accuracy. Full description in new Marlin Catalog No. A542, just out. Send three stamps for postage to THE MARLIN FIREARMS CO., NEW HAVEN, CONN.

Northwestern University Medical School.
(Chicago Medical College)
DR. N. S. DAVIS, Dean,

This medical school is centrally located, convenient to large hospitals, affording abundance of clinical material. The laboratories and lecture rooms are commodious, well-lighted and generously supplied with all modern appliances to aid in carrying on in the most effective manner, the study of medicine.

The full course consists of four years, eight months each, beginning October 1st.

The classes are divided into small sections, thus affording to students better opportunities, or the advantages of individual instruction. This feature, as well as a graded curriculum, characterize the work in all the departments.

The ability of the men who graduate from this school, as well as the character and thoroughness of the work given here, is evidenced by the success of our graduates in the examinations given by the different State Boards. Out of the 135 graduates of the class of 1905 who were examined by the various State Boards in the United States during the last year, only one failed.

Action Guided by Knowledge Wins Success.

Your life, to be one of achievement, must be a life of action; and this action must be directed by knowledge. To gain knowledge, you must study and investigate. You must set your mind upon some one subject, and study it diligently.

Our streets, offices, and factories are crowded with unskilled people struggling to get or to hold jobs.

Why is the lot of these people so hard? Not because Fate is cruel, but because they lack knowledge.

Spare-time learners never lack faith in themselves; the habit of solving problems out of the presence of a teacher makes them self-reliant; responsibility loses its terrors; Opportunity's challenge is accepted; there's no flinching, and no defeat.

Take courage; acquire the study habit; get to believe in yourself; be determined not to lose, and you'll win.

We have 18 students in Iowa City. It is like "Carrying Coals to Newcastle." But a fact nevertheless.
