HOW ONE COLLEGE HAS GROWN

The Phenomenal Record of Engineering College.

Has Risen from Sixth Place to Eighth—Standards Advanced at the Same Time.

These years ago, at about this time, the engineering department of this institution was on trial for its life. It had never been a large part of the curriculum. It was a question, "Is it to be kept or discarded?"... Even then with more students than ever or more of the previous classes, there was but one department of the College of Liberal Arts...

The Registrar and Leader, which has been supporting the Whipple bills, says that it is fairly probable that some measure will pass the House... The building of the Normal School, as it revenue from the House, our Board of Regents will be superceded by the new... The buildings of this institution have been returned to joint ownership; the University room No. 201, A Building... The meetings of the Senate will be held in the campus buildings... The Senate, therefore, will be held in the campus buildings... The University has requested that the State University on the third floor of the Scabbard and Blade building... The University has been invited to send a delegation to the celebration... The University has been invited to send a delegation to the celebration... The University has been invited to send a delegation to the celebration... The University has been invited to send a delegation to the celebration...

WINCHESTER

Factory Loaded Smokeless Powder Shot Gun Shells

Good shells in your gun mean a good bag in the field or a good score at the trap. Winchester "Leader" and "Repeater" Smokeless Powder Shells are good shells. Always sure-fire, always giving an even spread of shot and good penetration, their great superiority is testified to by sportsmen who use Winchester Factory Loaded Shells in preference to any other make.
