CONGRADULATIONS

Professor Starkbusch, the principal of the Iowa State University, has been awarded the Bachelor of Laws degree from the University of Nebraska. He will be the first student to receive this degree from the University of Nebraska. Professor Starkbusch has been a member of the Iowa State University faculty since 1890 and has been a noted scholar in the field of law. He is the author of several books on constitutional law and has been a frequent lecturer on the subject.

Professor Starkbusch has been a member of the American Bar Association for over 30 years and has been a member of the Iowa State Bar Association for over 20 years. He has been a frequent contributor to legal journals and has been a frequent speaker at legal conferences.

of some of the personal truces having leaked out. They appear to be of rather a drastic nature and those students concerned declare the book shall not leave the presses. The courthouse has issued rather a solemn charac-
ter but the managers declare they will fight it out on the bitter end.

Addie Grantly will return to school after the Easter recess.

STAMN Alpha Xiota will enter-
tain at an informal dance April 2nd

AMUSEMENTS.
With the coming of George Ade’s comedy, “The County Chairman,” to the Columbia next Monday April 1, we shall see the dramatic event of the year. George Ade wrote the best comedy in this production that has been put on the stage in years. Attending its première and marvelling with the wit of the talented author and playwright, it is no wonder that he had the unprecedented record of 313 performances in New York and eleven weeks in Chicago, five weeks in Boston, and the same in Philadelphia, breaking all previous records in those cities. Henry W. Baxa, under whose direction “The County Chairman” is presented, has provided a highly accomplished aggregation of star and actresses among whom are Theodore Bikel in the title role, Gene Gauntlett, leading woman, Grace Bonnie, Thomas Hardy, Mathew Lewis, and others in character and comedy parts. The story of the production is a powerful one and very frequently told. Best sale opens Friday one.

Next Tuesday evening, April 1 at the Coliseum, Mrs. Kendall, supported by a competent company, will present the big Chicago laugh hit, “Swell Ell, East.” This play fits Kendall, and we are assured of one of the best productions of the season, both as regards company and scenery. The sale of seats opens Friday evening.

President MacLean and Professor Bassin are in Chicago attending the meeting of the representative of the North Central Association of Colleges and Secondary Schools.

Professor Gordon is to give a commencement address before the Cedar Falls high school May 29.

Graduate School of Harvard University

Law School
A three year course leads to the degree of B. S. A degree for three years is required. Law students are examined for admission by one of the members of the Harvard University Law School. The degree is awarded to the one who has passed successfully a comprehensive examination. Prof. F. E. Borden, A. F. C., and M. J. C., Faculty.

Medical School
A three year course leads to the M. D. degree. The course is so arranged that the student may be admitted to the bar examination for New York, Illinois, and Massachusetts, and such other states as the student may desire. A course of study of three years is required.

Divinity School
This is a supplementary school of the college of divinity and is conducted for the purpose of giving to the student who is not prepared to enter a theological college a thorough and adequate preparation for the study of the sacred Scriptures. The course embraces four years, and the degree of Bachelor of Divinity is granted on satisfactory completion of the course.

Graduate School of Arts and Sciences
Instructive leading to a master’s degree in any field of knowledge. This course is designed for the education of those who desire a thorough training in a single line of study. The degrees of Master of Arts and Master of Science are awarded on satisfactory completion of a course of study of two years.

Graduate School of Applied Science
Instructive leading to professional degrees in any field of applied science. This course is designed for those who desire a thorough training in a single line of study. The degrees of Bachelor of Science, Master of Science, and Doctor of Science are awarded on satisfactory completion of a course of study of two years.
