IOWA MEETS HER OLD TIME RIVAL
MINNESOTA SENDS A SPLENDID TEAM

Three Judges from Lincoln—Every Man on the Contest To-Night an Experienced Speaker.

More than the University of Minnesota in whom to be kept in debate, upon our own ground, a thing she never has been able to do. She may have done it to some debaters, with a formal record back of them that would be in quality them for victory. The leader in Algorism and Culture of Minnesota is in a superior Law in the University, and the Duncan manager of the Minnesota Daily. He took part in the Forum debate for the last time, and is probably the one. Michael J. Stricker, '97, never has made the one high school team that won the state's first place cup in state championship of the high school league. He has also participated in the Junior high school debate. He was in a sophomore debating team. His name is on the Junior in Art, Albert B. T. of Beloit, in a Junior Law. He has several high school victories of his own, and has been a Peavy prize debater in his freshman and sophomore years.

The Iowa team has won its spurs in battles, too. H. W. Barnum, the leader, was a leader of the Junior high school. He was president of the state's last, final, and editor of last year's Annual. Walter Myers, of Mason City, has won the Peavy debate contest. He is the one that was the sophomore last year, and he has won the Peavy debate contest.

The debate will be held in the Music building, which is to be the site of the debate, upon our own ground, a thing she never has been able to do.
