ROCK ISLAND CAMESTHIS WEEK

VARIETY WILL HAVE PLAY REAL BALL

Weather Has Been Cold for Practice

Other Things Contributed to Physical Anguish.

Monday, the six practice games
with Rock Island commences and will continue during the entire week. Here they will turn out, if it is impos-
sible to say as it depends upon the condition of the "injured," the weather,
or, but, the empire, and incidentally the amount of baseball that the variety is able to play. Rock Island has a very fast hard hitting bunch and it is aimed to hand among the leading teams of the Three-League this year. Also they have always worked in their practice games with Iowa in the past and if Iowa wins any of them next week, it will be a deal sure indication that the variety can get the ball.

Friday, the wind was too cold and raw for practice, but yesterday, it had warmed up enough to permit a
shy age of batting practice although nothing else was attempted. Every-
one is in excellent shape and the lack of any hard hitting is anything remarkable considering the cold in "baseball" weather of the kind of the week or so.

The batting practice of yesterday afternoon had a slightly "tipped" look. Every ball seemed to go in a way that drew the most melancholy
laughs from the suffering players and occasional howls from the indifferent spectators.

How the teams will line up Mon-
day, is not known but know that
the whole squad into consistents, it will be as follows:

Cedar—Chris Barlow. PihK-Kent, Doby, Powers, Colle-
4th—Walter Miller.
5th—Earl Stewart.
6th—Wayne Kelley or Has-
9th—B. Wilson.
10th—Field-Johnson, Barton. Oute:
11th—Field—Blythe, Pit.
Thursdav afternoon the pitchers
were in a particularly lethal thirty mood and the expectation was
nothing less than a thrilling, fence person led off by pitching Barton in the small of the back. Shortly after he engaged Kent in the back of the head. Next inning, Mike Kelley who was
essary for the pitcher's role evened up
with a respectable bump on Por-
ner's chest. But the next "outing" Powers-McKenzie got back and almost
stuck Mike Kelley's left elbow. This
don't indicate any hard feel-
ing in the baseball squad, merely
little wisps among the fingers.

Have been given about the first work
is May, has been abandoned on
account of the lateness of the season and the large number of other at-
tributions.

The University Dramatic Club.

THERE IS TO BE
ONE MORE CHANCE
TO SEE THE LITTLE MINISTER

Dramatic Club invites to print Re-
quest and will repeat performance.

Owing to the continued urging of friends and disinterested ones, the University Dramatic Club has decided to repeat "The Little Minister" next Wednesday, April 17th, at the opera house.

Never before in the history of the club has any of its offerings been so heartily received and as warm
praised as this last play. "Cross and people have rallied to the coldness of the world, this is a more sure and less profound
1
anxiety is less conceivable; In-
deed, many playwrights have compared this last effort of the Dramatic Club as very favorably with professional
work. A reason for the success of the club is found in the fact that the members do not merely learn the lines of a play and then present them with all dignified gesture. Instead, they have been in careful preparation for their productions. The work of the club is considered as part of their school work, and the members receive credit in the Public Speaking Department for their participation in the plays. The production proceeds from all of the club's endeavors and thus is it that details are made im-
portant and slowly work a truth unknown.

The expense of this play is unusual by heavy. Owing to a number of un
fortunate circumstances last Monday night—with such the Breit concert

and a feature which drew the mem-
ers of the faculty—the announced
at "The Little Minister" was not by any means what it should have been. And so, encouraged by friends who have seen it once and wish to see it again, by many professors and stad-
dard bodies, and others, they want the opportunity to see it, and by citizens who were unable to go Monday night, the show effort is again on Wednesday night next. A filled house is assured and the feeling of confidence which the cast received from giving the play once will add to the finish and artistic effect of the play. The seat side will begin Monday night at the box office of the College.

FRAT BASEBALL.

All The Teams Play This Week—Kap-
na Sigma and Sigma Alpha Have Tie Game to Play. Off.

On account of the Pan-Hellenic party on Friday evening, no baseball games will be played the Pan-Hellenic league next week. Percentage marks, therefore, remained at standstill. At present but one game has been played by each team in the league, Sigma Alpha, Sigma Nu, Phi Delta, Phi Kappa. Sigma Kappa plays each a percentage of .600. The last two teams played on Wednesday, April 4, and the Sigma Alpha won a close score, 5 to 2.

The Pan-Hellenic league, however, declared that this game had to be played as the Sigma Alpha veto
led a rule of the league in playing Careherry trying out with the variety in a battery position. This game may be played this week.

The schedule for this week will be as follows:

We will be playing the Delta Sigma Theta, Sigma Kappa, and Delta Sigma Theta. This game will be played on Wednesday. On Thursday, the Delta Sigma Theta and the Sigma Kappa will play on the variety in a battery position. This game will be played on Thursday.

There was no one out and the variety in the history of the game was given to the left, with an "I" out field on the pivot.

Refreshments were served in the Alpha Phi Delta room on the third floor, an armament which added a great deal to the convenience and pleasure of the guests.

There were many out of town guests here for the party. Among the number were the following:

Phi Delta Theta: Misses Blumberg, Marthe Lavel, Mabel Jacobs, Laura Cunningham, Clinton; Misses Blassman, Deavenport; and Charles Williams and Nola Richardson.

Rapids: Miss Schrader, Tipton; Mr. W. T. Oakes, Clinton; and Dr. K. O. Horer, Davenport.

Sienna Chi: Merisa Christy, Ottumwa; and Quertermous, Leland.

Delta Tau Delta: Miss Buggan.

Rock Island: Miss Curry and Mr. Philip Phillips, Ottumwa; Miss Leech, Cedar Rapids; Mr. Joe Burgess, Muscatine; Miss Jesse Manchester, Fairfield; Misses Jacobi, Clifton, and Miss Jesse Manchester, Fairfield.

You have probably wore
