THREE MORE BASEBALL GAMES

SEASON CLOSING WITH IOWA IN LEAD.

"Vanity Has Beaten All the Teams Yet to Be Met.

By beating Cornell last Saturday, Iowa took another step in her march towards the state base ball championship. It was a mighty close game as the score two to nothing shows and although Iowa had the bases loaded in nearly every inning the two teams struggled along till the eighth when Jimmy Barton broke up the game with a long fly right to right which allowed a man to come in from third. The Cornell pitcher, Fry, had nearly everything in the way of steam and control and all that he does lack is a curve ball. Fry will pitch in the second Cornell game next Saturday and those who see him work will see one of the best college pitchers in the state.

Only three games remain to be played. Cornell, Grinnell and American Iowa has beaten all three of these teams and if she keeps up the pace she has been going lately the state championship will surely go to S. U. I. Right now Iowa’s in the field is working more smoothly and faster than at anytime during the last three years.

Although the season isn’t over yet it is not too early to begin to look forward to the team of next spring. Figure that Iowa will have a ball this year, Miller, Barton, the two Kelleys and Kent. Five men making up the present team but that there is an abundance of fresh material this year to take the place of these five departing ones. An infantry man, Marc Catlin, from the Kelleys, a pitcher the way, Hamond and Southland, pitchers and a few others are all classy material Iowa prospects for next spring are accordingly brighter than for the last two years.

Captain Oliver will represent Iowa in singles and Captain Oliver and Sing in doubles in the annual state tennis tournament which is to be held at Merton. Vernon the last of this week, Oliver defeated Harwood Monday 6-4, 9-7 and Darland yesterday 6-0, 6-2. Oliver and Sing was from Darland and Harwood yesterday 6-0, 6-4, and 7-5. With the exception of Oliver none of the players played the form shown last Saturday against Oce.

Charles E. Cava, a scholar in the German department will sail from Boston July 3, for a years study in Europe. Mr. Cava will make a specialty of the German language and sociological conditions in Europe.
