## RESOLUTIONS VOTED DOWN

### JUNIORS AND SOPHOMORES WILL NOT INTERFERE.

#### Joint Meeting Yesterday Showed a Disposition to Let the Scrap Alone

Pursuant to notices sent out by Dean Currier a large number of sophomore and junior Liberal Arts students gathered in the auditorium of the Liberal Arts Building yesterday afternoon for the purpose of discussing the class scrap problem. The first part of the meeting was taken up in the rehearsal of songs learned at assembly in the morning. Finally, after the meeting was brought to order by Mr. Cunningham President of the senior class, a resolution was offered by Herbert M. Harwood, representing the Upper Class Commission to whom the question had been referred for recommendation. The resolution was as follows:

Whereas, There is at present no settled policy of supervising underclass rivalry and no satisfactory form of contest,

Resolved, That the senior and junior classes control the annual freshmen social by means of a body of six men from each class, who shall act as leaders in directing their respective classes, these men to be appointed by the class presidents of the previous year and be it further

Resolved, That the assembled present sophomore and junior classes adopt the three following forms of contest to take place on Iowa Field:

1. A push ball contest to take place on the gridiron the first Monday morning of the school year, each class to line up on opposite ends of the field and at a given signal run toward the ball which is placed in the middle of the field, the class having the ball in their opponents territory at the end of thirty minutes being declared the winner.

2. An annual track meet between the sophomores and freshmen classes on the second Saturday in October, the events to be the same as in the Iowa State Intercollegiate meet.

3. An annual sophomore-freshmen foot ball game to be held on the first Saturday in November.

This resolution was promptly voted down and the meeting adjourned.

Professor W. C. Wilcox will give the commencement address at Glidden, Iowa, this evening, his subject being "What is an Education?" Tomorrow night he will speak at the Shelby commencement, on "Social Dyspepsia".

## ENGINEERS MAKING SCENERY.

### Are Preparing Model of a Greek Temple For Use in "Iphigenia"

Our versatile engineers have turned their attention to classic architecture, and are making some of the scenery to be used in the Greek play next week. The piece is a model of a Greek temple, of the tetrastyle type. Professor Washburn designed it, and Mr. Bender and some of his students are now building the scene. The body will be white, in representation of marble, but parts of it will be brightly painted, in imitation of the Greek custom. When the scene is finished it will be historically correct in every detail, showing a Doric temple with three steps.

The first dress rehearsal of the play will be held Saturday evening. The costumes are nearly finished. Like the scenery, they will be correct in every detail.

Mr. Cox is arranging the music. It will be produced by the use of the woodwind instruments, clarinets, bassoons, and oboe.

Professor Washburn has also made a drawing of one of the scenes of the play, and this will be used in a poster to be printed in two colors. Three hundred of these will be sent over the state. The play will be thoroughly advertised, and will no doubt attract attention far and wide, being the first event of the kind in this part of the country.

### Final Komenian Program.

The last session of the Komenian Society for this year will be held Friday evening at eight o'clock, in the C. S. P. S. hall. The program to be rendered is as follows:

Piano duet, Misses Dvorsky and Shimek.

President's address Jeffrey Hrbek

Violin Solo.

Lecture, "Science", Professor Bouska, of Ames.

Piano duet, Misses Vesely.

The lecture will be given in the Bohemian tongue.

Mr. Joint, freshman medic, and his brother, freshman dent, left last night for Emmetsburg, on account of the destruction of their home by fire.

Dr. Barnes, of Grundy Center, was in the city Tuesday with a patient.

Miss Jennie B. Hudson, M 3, has been at Colfax the past week.

Dr. A. H. Barker, '93, of Brooklyn, brought a patient to the Homeopathic Hospital Tuesday.

The annual initiation and dance of the Waskwi society of the junior class of the College of Liberal Arts will be held in the Majestic Hall, Tuesday evening March 28.

## WE MAY WIN THIRD PLACE

### IOWA'S TRACK PROSPECTS ARE DISCOURAGING

#### About Nineteen Points Our Probable Limit.—Grinnell is Likely To Win.

With fair prospects of winning approximately twelve points which should give third place, the Iowa track team leaves for Des Moines to take part in the state meet Saturday. Part of the track men go tonight to enter the preliminaries at the Drake Stadium tomorrow and the rest follow on Friday.

A fairly conservative "dope" sheet gives Iowa at best about nineteen points. Several of the students have figured not more than 15 points while the optimists have been estimating the Hawkeye total as nearer 25. Directly after the Drake meet when several of the men were in better condition, Iowa seemed to have a fighting chance for third place but at present several of the athletic followers contend that Drake will finish ahead of the Old Gold, giving Grinnell first and Ames second.

Miller and Renshaw are not in the condition they were previous to the Drake meet owing to the cold weather, strained tendons etc., and it almost unsafe to dope even a third in the 220. However, last night in a practice heat Renshaw ran the century in 10 2-5, after a poor start. He was paced by Carberry in the last half of the distance.

Captain Riley has done almost no work in the last few days as Catlin found shortly before the high school meet that his crack distance man was becoming "fine" and should be given a rest. Riley should be in good shape by Saturday but with the entrance of Burkstresser, the Morningside speedy miler, the prospects are good for a grueling race and if this is the case it is not likely that Riley can do his best against Beard and Davis the fast Ames par in the half mile. Granting that Riley is pushed only moderately in the mile the dope may favor a second place for the Iowa captain in the half mile.

Renshaw and Burkheimer should land eight points in the broad jump if the latter's bad foot is in condition by the end of the week. Strained badly in the Minnesota meet in slipping off the take off, the tendon in Burkheimer's right foot has been slow to heal and though it may not pain him much Saturday he has not been able to jump for several days and will not be in top condition. Renshaw has jumped farther than any man in the state so far this year.

In the relays Iowa should run third as in the dual meet the Iowa quartets were able to defeat Drakes

two teams. This is the dope on the 19 points which Iowa should be able to gather in Saturday. The other possibilities are Hazard in the quarter and Remley in the two mile. Either of these men are apt to capture a third unexpectedly.

Trials were run yesterday to decide on the relay men and in one of these Hazard beat Carberry in a close 220 in. 23 4-5 seconds after a pretty race. The half mile relay team will probably be Miller, Renshaw, Hazard, and Coyle. The one mile relay team will probably be composed of Hazard, Renshaw, Carberry and either Coyle or Hotz.

The final workout of the year, with the exception of the handful of men who will train for the Conference meet will be taken on Iowa Field this afternoon. The final touches will be in the nature of a light jogging, etc. A larger squad will be taken to Des Moines than was at first intended but the exact makeup of the team will not be definitely determined until today.

Much to the disappointment of the loyal supporters of the track team the \$2.25 rate was not granted and few will probably take advantage of the usual one and a third third rate of \$4.85. However, these tickets are good for a week.

The Sixth annual dance and banquet of the Newman Society was given last evening. About a hundred were present. The dance took place in the Majestic, beginning at 8:30. At midnight the banquet was served in the Olympian restaurant, which was specially fitted up for the occasion. T. M. Garvin was toastmaster. The speakers were, Jack Streff, "The Society," Hugh Stuart, "My First Case," Chas. McHugh, "The Co-Ed," H. C. Schmitz, "Seniors"; J. J. Lamb, "Finale."

The event was partly in honor of the out-going seniors. The lady guests were principally from the Newman's sister society, the C.F.U.

The committee in charge was composed of C. J. Welch, A. J. Thomann, and M. J. Fitzpatrick.

Dr. Hanson of Forest City, brought a patient to the Homeopathic Hospital Tuesday.

Dr. Richard Summa of St. Louis gave his last lecture on Oethodontia to the Dents yesterday morning.

Miss Alice Clapp will give a dinner Monday evening in honor of Miss Felkner.

Miss Jacobs went to Cedar Falls yesterday, where she will coach the high school senior play.

The band will not be able to go to Des Moines on account of inspection Saturday.

## HAMLITON CONTEST THIS EVENING

### FIVE ORATIONS HAVE BEEN ENTERED.

#### Second Part of Program Will Be Two Scenes From "Twelfth Night."

The contest to choose the orator to present Iowa in the Hamilton Oratorical contest will be held tonight in the Assembly room at 8 o'clock. The following men will speak:—

G. E. Frazier:—"Hamilton of Gings."

W. K. Royal:—"Hereditas as a Factor in the Formative Period of our National Life."

Elmer Green:—"Aaron Burr."

H. H. Smith:—"Our First Great Foreigner."

C. A. Orr:—"Alexander the Great."

The judges of the contest are Professors Macbride, Peirce, Bush, Supt. Storm and Atty. H.G. Walker.

Following the oratory will be given some scenes from Shakespeare. "Twelfth night" by students of the department of Public Speaking.

Act I, Scene V, and Act II, Scene II, will be given with the following girls taking parts:—

Clown..... Miss Ball

Olivia..... Miss Alice

Maria..... Miss Broderson

Viola..... Miss Alice Swisher

Malvolio..... Miss Keyser

The program is free to the public.

### NEXT YEAR'S DEBATERS.

#### Nothing Definite Accomplished in the Meeting Tuesday Evening.

About thirty men attended the lecture given by Dr. Horack on the control of corporations. One of the objects of the meeting was to discuss, after the lecture, the method of picking out the teams who will represent the University next year in the quintangular debates. A number of plans were proposed, but nothing was settled upon, and the matter was left in the hands of a committee consisting of Professors E. A. Wilcox, Ansley, Gordon, P. E. Ritz. The committee will have some reports to offer next week.

Col. Burnett has suspended fifty-two of his students down at Bles.

Professor Calvin is in Washington

Mr. Ellsworth was in Cedar Rapids yesterday.

**A ROUGH-HOUSE SESSION.**  
It is to be regretted that the sophomores and juniors of Liberal Arts did not take matters more seriously in the joint meeting of yesterday afternoon. The mood shown was rather frivolous, in view of the importance of the subject under consideration. Almost anyone of these men, who are to be the seniors and juniors of next year, would admit if interviewed singly that there were features of former class scraps that ought to be eliminated. As the University grows and the number of men taking part in these combats increases the probability of grave injuries becomes a serious matter. Nobody wants to revert to barbarism, and general satisfaction was expressed last fall over the success of the regulations agreed to before the contest. Just why the upper class-men should take the matter as a joke is hard to see. There is nothing unreasonable in the action of the faculty in asking the co-operation of junior and senior classes in establishing certain limits beyond which the excitement of the strenuous scrap-pers shall not carry them. The freshmen of this year have shown themselves amenable to reason and common sense, and their willingness to make new precedents sets an example to upper class-men that should make the latter slightly ashamed of their lack of dignity and responsibility.

Paul F. Edinger will teach in the summer session of the University of Colorado, leaving here June 17. After finishing his work he will return by way of the Bad Lands in Dakota, so that his summer's trip will contain much of interest from the geological standpoint.

The boss says, "The time to push your business is when your business is pushing you." We are certainly pushing out a big line of lightweight underwear since the warm spell struck town. Your underwear is your closest friend, sticks closer than a brother,—but you don't want the sticky kind this sort of weather. We are long on underwear, even if we do carry 'shorts' and 'stouts.' I think we sell about as much linen mesh as any other high grade stuff. We carry the best makes of pure linen goods. The man who has once worn linen underwear won't wear any other kind. It spoils him even for the silks. We have a mesh underwear that we can sell you for 50c the garment, and its great value for the money too. We carry all kinds of lightweight underwear. We don't carry any but the most reliable makes and every garment is guaranteed to fit right and wear right or we refund your money or give you new underwear. **\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80 PER PAIR**

Regular Price \$8.50 per pair.  
To Introduce We Will Sell You a Sample Pair for Only \$4.80 (CASH WITH ORDER \$4.85)  
NO MORE TROUBLE FROM PUNCTURES.  
Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.  
Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

**DESCRIPTION:** Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

**COASTER-BRAKES**, built-up-wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDRY catalogue.  
**DO NOT WAIT** but write us a postal today. **DO NOT THINK OF BUYING A BICYCLE** or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.

Seven Large Stores.

**SUIT SALE.**

**Unreasonable Weather**

causes a congested stock of merchandise, and that means a hurried sale of men's fine high-grade clothing, at prices you would pay for the ordinary kind.

We have taken all our high priced odd suits worth \$20-\$22.50 and \$25.00 in connection with some complete lines and marked them at "Must sell" price of \$17.50.

We also placed some of our \$16.50 and \$18.00 garments with our regular \$15.00 line which will not only give the purchaser a great assortment to choose from, but the greatest value that it is possible for a large concern to give.

Ask to see our line at \$12.50. It will surprise you at the variety shown and also shows the worth of a seven to one store buying power.

We not only claim to sell you better suits for the money than most stores, but the same rule holds good throughout the entire store in all the departments.

Ask to see our "Willner" special hat, equal to the other fellows \$2.50 grade at \$1.90.

Fancy silk clocked half hose, 12 1-2¢ per pair.
