The appointment of yet masts and rooting in general has been

never seen system

mastered amid here as it is

at other schcoks. Under the in-

spiration of some great contrives

like the Ames game last year,

sufficient enthusiasm is aroused to

appeal to yells masters. This

is a thing which should be under

permanent organization. Iowa

will never have the organized,

consistent rooting which is a

feature of all masters and many

western inter-collegiate contests

until it is.

For this reason the Missouri

game next Saturday should in-

spire the new system of organi-

zation under the direction of perma-

nent yells masters. New

and old yells have just been

written. With a competent

leader, these songs together with

the old "Yell Yah!" and oth-

er yells, could materially aid in a

vehicle of the old 100 apiece

and what is a great deal more

important, the old 100 accen-

tuses.

FROM OTHER COLLEGES

Drake university is jubilant over the fact that its registration

mark is over 1,100.

The Ames football authorities

have decided to do away with

the band so that the Iowa min-

ters will have complete

masters at Ames this year.

The Indiana football authorities

are making a dent of Chicago

next Saturday as a result of the

fact that Captain Tiipee who has

been on the game all year

accounts of injuries will be able to

play.

In reference to the authority of

the "Big Nine." Michigan is go-

ing to have training table ac-

cording to the latest reports

from that institution. Twenty

literary fraternities have pledged

themselves to its support. This

action however is taken inde-

pendently of the university au-

torities and each of the players

saying at the table will pay their

accustomed amount for board and

the excess amount will be

Figure 2 for our part

taxed by the literary societies.

The "Yell masters of

Northwestern seem to be regard-

ed by the light ignited geystly

as particularly easy.

The Sigma Fraternity home at this institution

was recently entered by a masked

boglar and the inmates relieved of several hundred dollars in

and jewelry and money.

This is the third

victory of the kind and the students are greatly aroused.
