WARDE SPKE. ON SHAKESPEAR'S LIFE

Delivered Fine Address Before Large Audience

Firt Number of the New Lecture Course Proves a Success—The Muir Hage Theme

FREDERICK WARDE, the eminent tragedian, who was for thirty-eight years one of the greatest on the American stage, delivered a large audience in the Rotunda of University of Iowa on Friday night with his recital on the plays of Shakespeare. From the moment he began until the end the player added to his already large store of knowledge everything except that they were in the presence of one who was master of his art.

President MacLean, in introducing the great actor, paid his highest compliment which presented itself in having so eminent a lecturer in the new auditorium.

Other than to commend in a brief summary of Shakespeare's life and continued the lecture in the time allowed him in the early playgrounds of the line. He then took up the Bacon theory and later illusionists, which he held were worthy of all attention beyond their clear ingenuity and pithiness and mystery-making power.

The lecturer went on to define the pattern of Shakespeare's plays, emphasizing the great poet as an equally great apostle of Christianity, and said his theory with recitals from various clausms, which he held were unworthy of any attention beyond their clear ingenuity and pithiness and mystery-making power.

MUCH INTEREST IN HOCKEY

Great Number of Girls Playing Makes It Necessary to Form More Classes

Such interest is being shown in the hockey games played by the girls gymnastic classes this fall that it has been necessary for Miss Alice Wilkison, the director, to form several extra classes to accommodate all who have registered for the course.

As a complete innovation a love of the game, the love for meeting with marked approval and all the girls are enthusiastic.

There is talk of forming a University team after the close of the collegiate games, but yet the girls are simply learning the first rules of the game.

PROFESSOR MAGOWAN RECEIVES BENEFIT

Is Granted a Portion of the Carnegie Teachers' Fund

As a tradition of the University some student who has done his part for the world is presented with an amount of money. This year's recipient was Miss Minnie Sandien, who has been appointed assistant Art instructor at the Carnegie teachers' fund.

SPARK CHRONOSCOPE: SPLENDID SUCCESS

Description of Instrument Constructed by Prof. Seashore

The last number of "Stoneman" contains a interesting description of "The Spark Chronoscope." This instrument is one of the most successful of its kind and was planned and constructed by Prof. C. E. Seashore of the Department of Psychology. The instrument is used in experimental work for the purpose of measur ing short intervals of time.

Change in Epsilon Tau

The meeting of Epsilon Tau will be held at one o'clock, Thursday afternoon, instead of 3:30 as previously announced. Mrs. Woodman, room L.A.

BOARD TO PUBLISH BOOKLET

Sovvenor Will Contain Pictures of Athletic Team and Will Be Elaborate

The board in charge of athletics will have ready for publication before the Wisconsin game a booklet containing costs and writings by the members of the University football team but also of the teams of Illinois and Wisconsin.

This booklet will be similar to the one issued last year in regard to the Ames-Iowa championship game except that it will be more elaborate and complete. It will contain cuts not only of each member of the team but also of the coaches and trainers at work. Cutts will be also of the directors of the opposing teams. Pictures of various of the University buildings will be given space in its pages.

In addition to the features common to the publication of other pamphlets, this pamphlet will have the move impressive illustration of the taste of Iowa and opposite universities in action on the field.

NEW PLANT HOUSE NEARING COMPLETION

Will Be Ready by the First of the Month

Work on the plant house is rapidly nearing completion. The workmen are now installing heat and making water and gas connections. It is thought that the building will be ready for occupation during the first of the month.

SHIMKE GOES TO CLEAR LAKE

Will Get Supplies for LaboratorV

and Planet House

Prof. B. Shinkle of the Department of Botany will spend Friday and Saturday at Clear Lake. He goes for the purpose of obtaining supplies for the laboratories and the new plant house.

VOLLAND TO GIVE PAPER AT WATERLOO

Will Address the Inlay Club of State Society

Dr. R. H. Volland is in Waterloo today, where he will read a paper before the Inlay Club of the Iowa State Dental Society.

IYANE Party

Last evening the Ivy Lane Literary Society gave a very pleasant dancing party at the Redfield halls. Mrs. Conly acted as chairman of the party.

Bolton's Classes Postponed

Professor F. E. Bolton's classes will not meet Thursday or Friday as he will be absent from the city.

Erodiphian Announcement

Regular business meeting of Erodiphian 4:30 Friday afternoon at Close Hall.

CATLIN WORKING THE SQUAD HARD

Last Open Practice Before Drake is Today

Freshmen Secured a Touch-down Last Night on Forward Pass—Medicine Showings

If Catlin does not succeed in inciting a species of "pop" and "ginger" in the Varsity eleven by next Saturday afternoon which will drive the Old Gold colors down Drake's field for a victory, it will certainly not be for lack of sufficient proficient work and coaching. Until darkness settled over the field and made further handling of the ball impossible, the squad ran up and down the length of the gridiron in one continual signal of straight football, tricks and test passes. Every play was critiqued and repeated in an effort to perfect team work.

The freshmen were sent to scrimmage against the Varsity and played last ball for the first time in several weeks. After handling netting several gains, and a touch-down was secured on a long pass. After the play was stopped, the ball was in the Varsity's possession it was taken down the field in rapid strides, Stewart missing his opportunity the scrimmage Catlin held the first team on the field and continued his work on individual players and formations.

Open Practice Today

The practice will be held again this afternoon. As many new plays have been added to the Varsity series, and as this will be the only opportunity given to witness them in action before it lines up against Drake, a large delegation will undoubtedly be on hand to cheer its efforts against the strong freshmen eleven.

It is probable that the same team will meet the game Saturday as were first picked against Missouri. An addition to the quarter-back candidates has appeared in the person of Bruggerman, who deserted the squad several weeks ago. He has returned new and is making a strong bid for the position.

Snake Working Hard

Both effort is being directed toward developing a worthy and efficient Drake squad. They have called in several alumni, who are training the young players in the fine points of the game. Daily scrimmages are being held with West High, which is without a doubt one of the highest high school teams ever turned out in the state. One of the developments at Drake which is of sophis- (Continued on next page)
SPECIAL OFFER
For the next thirty days the DAILY IOWAN will make a special offer for New Subscriptions at the rate of
35 CENTS Per Month
payable at the end of the month, as an inducement to those who are not now reading the paper regularly. You cannot afford to be without the happenings of the University for this small sum.

FOR SALE—A car with much running. The new owner will have all the experienced dealers and with the training which they will receive from Coach Randall they will have a hard proposition for any school. Clara Bryant, of Iowa City, is a senior Irving. He has been in several class debates and in his junior year. He was also on the Wisconsin preliminary last year.

Cly Byrson, a sophomore Irving, was the star West Des Moines debate and had a major. He was leader of last year's very serious freshman team. Mr. Byrson is a good incisive speaker. He is also an orator of no mean ability.

Chas. Briggs, of Wapello, is a junior Irving and was leader of the sophomore team last year. Mr. Briggs, delivery is very forceful and he makes a strong argument.

N. O. Field is a Philo and also senior representative. He was on a team which defended North Dakota three straight last year. He has had a great deal of experience in forensic in Mr. Luxford, a Setagahdam, comes from Harlan and has been the outstanding novelty in debate.

Vincenzo Suvarnza, a junior Isidore comes from East Des Moines High School. Since he has entered the University he has rapidly improved his reputation as a star. He was on the Minnesota team last year and his rebuttal was exceedingly good.

Lawrence Meyer, an alternative, is one of the best men Iowa City High School turned out in recent years. He has had considerable scholastic and social training.

R. N. Jones, the other alternative, is a senior Zeta and President of the L. A. seniors. He was on the Wisconsin team last year and is a member of the dreaming club.

With this array of talent Iowa's future brightnesses. With a good training and the student backing Iowa will win.

COMING EVENTS
Today—Meeting of Episconius Tue. 10:35 a.m. in the Hall of Liberal Arts.

Oct 25—Prof. Rockwood will address the Discussion Society on the subject, "Some things about Alternatives."

CUTLING WORKING THE SQUASH BALL

(Confirmed from page one)

intercalary is the plucking of Hoff-
man at end. He is to be used
extensively toward forward pass-
es and it is for that reason that he
has been moved out from his old
position at back.

Beck Goose in Dirks

Late last night the athletic board decided to take the full
block of 40 pieces to Des Moines Besides a desired trip for
the band it seems to suit Iowa routers. No excursion
will be run but it is expected that quite a number will take
the new mailing.

Mistakes in Offers

The name of L. Mitchell, of Clinton, Secretary, and S. E.
Shelley, of De Witt County, delegate, was unintentionally omitted in the
list of Senior Law officers printed in the Iowan.

FINE COLLECTION FOR BotanY

Hon. Euclid Sanders gives His
Fine Collection of Plants to the
University.

Hon. Euclid Sanders of this
city has its valuable collection of
plants to the University.

The collection may include,
mostly of Cacti with a few speci-
mens of Cacti, Plants, Algae,
Orchids, Ferns and Epiphytes.

The manner of accepting the
gift has been previously orga-
nized and proper provisions for
the same are being made by
Drake University in their class and
laboratory.

Weather Forecast

Iowa City and vicinity — Fair
to day and warmer.

ANNOUNCEMENTS
