**BASKETBALL WORK OUTDOORS**

Team Getting Practice for Speed - Capt. Buckner Start Throwing Baskets

During the past two weeks innovation in basketball practice has been carried out by Coach Schroeder, consisting of outdoor play on the regimental drill ground. This practice, owing to weather conditions will be discontinued in the future. The regular Volunteer practice hours will now be Tuesday evening at 6 o'clock and Saturday mornings at 9 o'clock.

The team is taking an active part in outdoor work. The head coach-mortar practice. Work is begun with a short goal practice in the army grounds, and then the team is turned to the drill ground for work in passing. The outdoor work is intended to develop improved passing and to improve their Gravel and endurance. A player who seems almost as much as the work on the floor that finds his wind is not nearly in the condition that he supposed when he gets on the floor. The work is made up of a most strenuous and already an improvement can be noted in the accuracy of the passing of the team.

The most encouraging sign in the work of the volunteer is the fact that the coming up of Caesar's is being got on the avidity of the boys.

BASKETBALL IN IOWA

1:00 P. M. - Practice for the Senior Class against the Junior Class.
3:00 P. M. - Practice for the Junior Class against the Senior Class.
5:00 P. M. - Practice for the Senior Class against the Junior Class.

The result of the Iowan-Wisconsin game, 15 to 14, in favor of the former, is of great interest to Iowa gridiron supporters tastes the two teams in the same game as the Old Gold eleven are with these University. Judging from the score indicates that the Hawkeyes are not greatly in an advantageous position and gives promise of two difficult games for Iowa.

**SQUAD TAKES 8 MILE RUN**

Cross Country Men Led Over Long Course In Hare And Hound Race

Eight miles was the distance taken by the cross-country squad under Captain Remley yesterday morning. The run was in the nature of a hare and hound race, with the hounds starting one hour and 45 minutes start. Their trail led south from the armoury, boasting, and circled over the northwestern hills. The hounds were fifteen in number and managed to follow the trail over the course and back to the starting point in an hour and three minutes, gaining six minutes on the horses.

As is shown by the length of the run and the time it was accomplished as a squad is rapidly improving. The men are all making a strenuous effort to be at their best physical condition by November when the intercollegiate season will begin. Poor weather and unacquainted with his own college.

**ILLEGITIMATE OLD COLORS IN VICTORY**

Drake Eleven Defeated by Score of 25 to 4

White Plays Star Game - Kent Out by the Umpire After Touchdown and Drop kick

[By Herbert Harwood]

Des Moines, Oct. 26.—Iowa defeated Drake yesterday afternoon on Drake Stadium 25 to 4 in a game characterized by the brilliant defense of the blue and gold and the lowly defending the blue and gold. The game was played in the first half after a yard run by McClary on a forward pass from Captain Huffman. Iowa went over for the score. A deep kick from the yard line by McClary one yard later shorted left the score at 1 to 0.

Behind-against interference Curry scored the first touchdown of the second half with a 15 yard run after 14 minutes of play. A fumbled punt and star plays by Backus in falling on the ball brought the third touchdown. Blocked a punt and Fetzell, substituting for Curry, fell on the ball and put the score at 6 to 0.

Hawkeyes back at times showed great brilliancy of form and moved the ball over 40 yards. Dick Powell, the Old Polly's men. Krick played a star game for Iowa, once narrowly missing a 45 yard kick. The football game was a success. Putting him out of the game was a wash.

Captain White played his best game of the year. He with the three center men and Stewart played throughout.

Substitutes were freely used and with good effect by Coach Carlin toward the close of the game, and with a couple of times to play another touchdown would have been scored. Possibly the coaches on the Iowa staff in the effort of holding and for unconscious forward passes were costly and spoiled the results of the work of Iowa's backfield. Drake worked the forward pass successfully more than did Iowa but the Hawkeyes did four or more ground than Drake, only to lose on the field. Krick did his best but the rest of the best pass ever seen at the football, and long high spirals for good distances.

The coaching spirit shown on the Iowa Iowa was the feature of the game. Time after
