ANNOUNCE CAST FOR PLAY

"Twelfth Night" will be given in Near Future - Edith Hall and Norma Coover to Star.

The plot of characters for the Drama Club play of "Twelfth Night" was announced yesterday. The play will be produced before the close of the first semester.

Communication on Band

Saturday we meet a most worthy opponent, one who will call in question the manhood of those whom it will be a great honor to meet. Ames will be there in force and prepared to rise as the players of the University. They will also have their band to lead the rooting and if we expect to win, we must have our band there also.

The sessions of the Association were held in the Banquet Hall of the Shoreham, and closed today. Below is a list of the officers, President - James H. Baker, of Colorado.

Vice-President - Webster Mer- rifield, U. of North Dakota.

Vice-President (ex-officio) - Hon. Ethel Ellsworth Brown, U. of Wisconsin.

Secretary - Treasurer - George E. Follow, U. of Maine.

The Executive Committee consists of the above officers, and the Board of Governors, U. of Alaska, George E. MacLean, U. of New Mexico. The Governor of New Mexico.

President MacLean will go on to Brooklyn to visit his mother and sister. It is probable that he will return via Washington as the National Y. M. C. A. convention before coming back to Iowa City.

WILL DEDICATE NEW
HALL NEXT APRIL

Hall of Natural Sciences To Be Accepted Soon.

The line of the walls for the New Science Hall is here and is being installed. After that is finished, the contractor will be ready to offer the building to the authorities for acceptance.

Two carloads of furniture are arrived from Des Moines last week, for completing the equipment of the laboratories and library. The museum furniture has not yet arrived, but everything will probably be completed by the end of the year, when it is now intended to hold a formal dedication of the New Science Hall next April.

Komen, To Entertain

The Komene Society will entertain their friends at a closed literary program in the Phalanx hall this evening.

WILLIAMS GETS NEW
OPEN STYLE PLAYS
O'Brien Talks to Aggins'
Coach Saturday

Varisty Trainer Looks for Hard- est Game of Season - Big Mountain Meeting

According to Trainer O'Brien the Ames team is going to spring a quality of class and style in open style play on the Hawkeye eleven which will equal Iowa in that respect. O'Brien said Clyde Williams, of Ames, forward, in a Home game was returning from witnessing the Minnesota-Carstice game.

"Williams wasn't up there just simply to see that game," said O'Brien. "He went to get some eastern forward pass and open style play from one of the fastest elevens in the country, and you can bet he will have his men working every Sunday to reproduce that department of the game. The Ames game is not going to be one of the hard games of the year, but it will be equal to any we have played. Ten or twelve men are placed in a line and about five yards apart. Then the successful and ends and are getting downag to the line. This gives excellent prac- tice in side stepping and in shifting the ball from side to side.

The signal practice of both the regular squad and the reserves is absolutely fine. Every player has run off without a hitch and some wonderful manipulation of the forward plays will be seen Saturday. Not only Kilk, but Stewart, White, Carberby, Bruggeman and Murphy are especially keen at forward passes.

The condition of the whole squad is everything that could be desired. Knowles' note is coming along in fine shape and the reserve squad is ready to play the game with blood in their veins.

FRESHMAN SOCIAL
TOMORROW EVENING

Dunkell's Orchestra will furnish Music.

Tonight the Fresh- men hold their social. The com- mittee is busy making final ar- rangements.

Dunkell's nine piece orchestra has been obtained to furnish music for the dancing. The program consists of seventeen dances and three extra.

There will be an intermission between the tenth and eleventh dances. At this time a musical program will be given.

Rehearsals will be served in the band room in those divisions.

The committee is especially de- signed that every Freshman as- tend the party and get acquainted with their classmates.
China: Lamps and Glassware

Each of these three forms of handicrafts is largely done away in the vicinity of Wishing Gin.

For the annual wedding we have a personally selected array of the area's best productions, exclusive, decorative articles, as you would expect from that.

If there is any difference on price as compared with what is asked for ordinary, inexpensively selected items, your good judgment will determine that reason at a glance.

I hope to use this opportunity because you benefit by them.
Ensign who returned to Iowa, Daisy, Diah, Duh, 4:30 ~

Today in Pharmacy School

in memory of the late Albert E. Ebert and upon the anni-

National

versary of his death, the officers

of the American Pharmaceutical

Association have presented each

of the institutions that represented

with an Ebert memorial volume

and a crayon portrait of

the president of

which portrait was arranged

the trustees of the United States

Pharmacopeial convention.

The officers of the association

in presenting the portrait to

the institutions of the conference,

suggested that as honor be given to his memorial service in the various

schools on Wednesday, Nov. 20, the anniversary of his death.

In accordance with this sugges-

tion, the Iowa College of

Pharmacy will devote part of to-

day to this.

Mr. Ebert was at one time

president of the American

Pharmacological Association

and also a member of the United States Pharmacopoeia.
