Committees of Faculty Meet with the Debaters and Offer Valuable Suggestions

E. H. McCoy, Law '04, will be here Friday to assist the intermediate debaters. Mr. McCoy was a member of the debating team which argued the question of Provincetown and Revenue Tax. He is with Wisconsin in 1907, but the unpopular end, namely that of Revenue Tax. At present, Mr. McCoy is located in Wisconsin and enjoying a lucrative practice.

The success of the Forensic League in bringing back former debaters to assist the men who are at present endeavoring to keep up Old Gold's high standard in forensic work. It is the hope to make graduate coaches a permanent feature in the preparation of contestants and perpetuating the fine method of conducting debates which has been in vogue here under auspices of the Zetasgathian and Irving societies assisted by the Department of Public Speaking.

A committee consisting of Professors H. E. Gordon, E. H. Wilson, L. H. Haney, F. F. Haas, Mr. and Mrs. Charles Randall met with the debaters Tuesday afternoon and entered into a detailed discussion of the reasons for the success of the two eras. Many valuable suggestions were made as a result. Another conference will be held as soon as the athletic seasons are completed and prepared to engage in actual debate.

The debaters are now receiving special training in presenting and voice culture. In order to get them accustomed to speaking in large halls they are receiving their training in the Hall of Natural Science.

ANNUAL CALENDAR WILL BE PUBLISHED

Y. W. C. A. Busy With Its Souvenir for Christmas

A committee of the Y. W. C. A. is at work on the annual calendar. Interesting cuts of the university and several new features have already been decided upon. The calendar will serve as a unique souvenir of the school and perhaps valuable as a valuable mass reminder for friends. They will be completed before the holiday season.

Weather Forecast

For Iowa City and vicinity—Fog today and colder.

SPECIAL MUSIC AT ASSEMBLY

Professor Cox gave Violin Solos—Main Glee Club Were On the Program

Instead of the usual address a special program was given at University Assembly yesterday morning—Professor Cox rendered a violin solo with accompaniment. The male glee club of the University closed the meeting with two much appreciated songs. Owing to the absence of President E. G. Maclean, Dean L. G. Weld president. Rev. D. W. Wilson, pastor of the Presbyterian church, delivered the invocation and scripture reading.

IOWA CLUB LOCATED IN NEW QUARTERS

Will Meet in Irving Hall—Proclaim This Afternoon

The Iowa Woman's club was meeting at the university last evening in one of the rooms in Close Hall for its regular meetings, through the efforts of Secretary H. L. Heintzmann of the club. Irving Hall was granted by the Association managers. The first meeting in the new quarters will be held this afternoon, when the following program will be given:

ROLL CALL

UNPACKING ANIMAL BIOLOGY EQUIPMENT

Great Activity in the Hall of Natural Science

A large pile of broken boxes in the north campus wing was a witness to the activity now going on in the Hall of Natural Science. High meeting last night. Members of Animal Biology has been in packing cases for some time and the unpacking is just under way. There is a great amount of this work to be done and it will be some time before it is completed.

Animal Biology

All past due to inspect the new Laboratories of Animal Biology may come on Saturday evening, November 23, from 6:30 to 9 o'clock. Pleas do not come earlier than the date specified, as the equipment is now being installed. The laboratories proper occupy the whole of the second floor of the north wing in the Hall of Natural Science; the lecture and reading rooms fill the west end of this floor. The first story, while a room for aquatic animals is in the basement. All of these will be open Saturday, Nov. 23, from 6:30 to 9 o'clock.

IOWAN TO GET OUT EXTRA AMES-IOWA GAME

Will Issue Special Edition Saturday Evening Directly Following Ames Game—Full Details

An extra containing a full detailed account of the Ames game will be issued by the Daily Iowa Saturday evening directly following the game at Ames. If the telegraph service is good the paper will be in the hands of the carriers on the streets shortly after the second half closes at Ames. As three members of the Iowa staff will be in the State Field press stand a complete story will be given to the Iowa readers in the extra.

The regular Sunday morning paper will be issued as usual.

JUNIORS CHALLENGE SOPHOMORE CLASS

Unequal Communication Sent Sophomores

An unsolicited challenge for a football game was received by the president of the junior class and will be accepted as class Monday. "The Sophomore class eleven hasn't been organized for several weeks but the team will play any aggregation from the junior class" and a member of the class yesterday. The only restrictions that the game sophomores want are that the juniors do not play men who have had Varsity training. The Soph will take on the Juniors for two fifteen minute halves next Friday at 3:15 p.m. on the conditions named above.

The challenge was as follows:

We, the Junior class of the Collegiate Liberal Arts, hereby challenge you to a football game to be played on our field on any date you name. We realize that you have been organized for several weeks but we, in good faith, do not forget our victory over you back of the ships about a year ago and are now ready for another battle. Yours,

PHILOSOPHICAL CLUB HOLDS MEETING

Special Program of Literary and Musical Numbers

The Philosophical Club and the Seminar in Education held a joint meeting last night at the home of Prof. F. E. Bolton. Dr. J. A. T. Williams read a paper on "The Teaching of Patriotism." Mrs. Anna Diller Starbuck and Mrs. Baker rendered some pleasing musical selections.

STATIONS, Attention!

The men of the Sophomore class are urgently requested to meet in the Old Block at 6:30 o'clock today. Don't fail to be present.

Weather Forecast

For Iowa City and vicinity—Fog today and colder.

NEW HOSPITAL WING IS ALMOST FINISHED

The entire basement will be devoted to the eye, ear and nose clinic under charge of Dr. DeW. Washburn. This department is arranged in a very convenient manner, containing a reception room, treatment and operating rooms. Altogether it will be one of the most complete and best arranged suites of rooms for this purpose anywhere to be found. It will afford great relief from the present cramping quarters.

In the west wing of the hospital new tiled floors and water-closet have been installed in the small operating room, sterilizing room, instrument room, and in the service rooms.

Y. M. C. A. GETS PALMS

The Y. M. C. A. Association has recently placed two large palaces in Class Hall. The trees give promise of being a real adornment to both the reading room and the general entrance.

Choral Rehearsal Tonight

The University Choral Society will hold its regular rehearsal in the Auditorium, Hall of Natural Sciences, this evening immediately following the mass meeting.

Henry G. Cox, Director.

At Greene, Iowa, is located an able and progressive group of University students and alumni. Mr. and Mrs. L. A. Milton, who own and operate a well known long distance line, is in superintendence of schools and is enjoying the confidence of the people. Clarence W. Sobe, L. A. '07, is cashier of the Merchants National bank. He and Mrs. Sobe, near Clarion, L. A. '00, have a beautiful home, to which some ten years ago they welcomed a tone boy. In the bank Mr. Sobe is assisted by D. H. Ellis, ex-'b3. The dental department is represented by Dr. G. H. Reynolds, D. D., and J. J. Wilson, D. D. The former is assisted by Mrs. Reynolds and the firm has an extensive practice, but there is an abundant opportunity for Dr. Wilson as shown by the handsome patronage extended him.

In medicine Dr. Patterson, E. R., and Dr. W. R. Arthur represent the University. Dr. Patterson, has the largest practice in the city and has been fortunate in handling difficult cases, while Dr. W. R. Arthur, L. A. '97, will be glad to know that he is well started on his professional career.

A. E. Hill, Ph. G., '02, is living there, not engaged in his profession at present because of his health. Greene is also the home of Louis Huske, L. A. '07, now a law student in the University of Colorado, in which he has a position of Louis Huske, L. A. '07, now a law student in the University of Colorado, in which he has a position of

Iowa Plays Much More Open Game Than Aggies

Anchises Does Not Use Forward Pass as Much as Hawkeyes—Henry Doing a Fair Job

[By Maurice A. Kent]

Just how will a wet, heavy football affect the offense of the Iowa team against the Illinois team Saturday? The contest of opinion is that it would favor the Aggies, the sound reasoning that in the games already played this season the Iowa team has played a much more open game than the Clyde Williams team. But there are several things to be considered before it can be definitely decided that a wet field would be a definite advantage to Iowa's especiallv because the Illinois game showed dismally that Iowa has developed the forward pass and the short kick to a wonderful extent. But Iowa also can play the old fashioned game, and, as shown in the last part of the Illinois game, she has the ability to do it if the ground is at all dry. The old fashioned flat passing game that would almost necessarily be resorted to in a slow, wet field. But the fact still remains that Iowa shows in particular in two respects, the forward pass and favoring and with the forward pass and Kirk's drop-kicking handiwork by a wet ball the old gold offense could be correspondingly weakened.

Also, although Anchises hasn't used the forward pass as much as Iowa is that no sign that Clyde Williams hasn't been preparing it especially for the Iowa game and hence a wet field might make it be a serious handicap to the Agresse repeaters of pig. Still another thing is that Clyde Williams' team has a little more even distributed Iowa and this would seem to her advantage if the old fashiohne football were to be played entirely. But summing it all up and adding consideration that the handicaps and advantages a wet field would bring to both teams it will must be said that Iowa would have the advantage in case of anything but a dry day.
