AGRICULTURISTS WIN GAME

AMES WINS BATTLE BY SMALL MARGIN

HARD LUCK BEATS OLD GOLD IN SECOND HALF

Iowa Team Gains More Ground. But Penalties Proved Too Great a Handicap for Iowa--Carldle Indians 18, Chicago 4

ROYA. WHITE

Ames seems to be that Iowa is playing superior ball and with an even break of luck should come back strongly in the second half and win. The old gold players are played a magnificent helping game and show in spirit of Ames football that the Aggies are not

The Ames are playing rough ball. The only thing that prevents that defect for the visitors is their inability to cross the local goal.

Stewart and Murphy started the second half. The ball changed hands twice, Ames finally recovering on Iowa's 49 yard line. The Aggies could only gain half of the required distance in three downs and Iowa took the ball. Iowa failed twice on attempted forward passes, losing 20 yards in penalties. It is Iowa's ball on the 1 yard line. Kirk kicked out to the middle of the field. Ames advanced the ball to ready

Hazard went through for a 25 yard gain to Iowa's 25 yard line. Ames held. Iowa held. Kirk attempted to punt out of danger but the Aggies line came through blocking the kick, one of the Aggies recovering the ball on Iowa's 35 yard line.

Iowa put up a stubborn de

fense and Ames was unable to gain. Jeannet dropped back and put the ball squarely between the two on a goal from punt.

Score at end of 15 minutes. Ames 16, Iowa 8.

After the kick-off Iowa played desperately defensive ball and Ames was forced to kick twice. Iowa secured the ball on Ames' 49 yard line. The old gold then went along with a beautiful series of straight plays for a touchdown. Murphy making 10 yards, Kirk 15 and Hazard bringing the ball to the 10 yard line for a 5 yard gain. At the end of 20 minutes play, Hazard was pushed over for a touchdown. Score, Ames 16, Iowa 8.

Ames kicked off to Iowa and held our men, forcing Kirk to kick.

The Aggies are not

A series of good advance to the red and gold carried the ball to Iowa's 25 yard line when Jaeschke made his second place kick. At the end of 15 minutes of play the score is Ames 20, Iowa 14.

Both teams are playing splendid offen

sive ball. Neither team in this contest seems to be able to withstand the terrific plunger of the opposing backs. The play is fast and

soggy and neither team shows any sign of tiring. The pace is terrific and Iowa's only chance of winning is to wear down the Aggies in the closing minutes of play.

Both teams are displaying

A fighting spirit that nothing seems able to stop.

With minutes left to play Iowa still has a fighting chance to win. The spirit of the Old Gold in fighting an uphill battle is indomitable. The stands have gone wild.

After a kick-off White went around the end for a twenty-five yard gain, and Iowa made a series of good gains. Ames held in their shadow of their goal post and kicked out of danger. After a hacking duel Iowa secured the ball on Ames' 35 yard line. Almost within sight of victory the Hawkeye's lost the ball on Ames' 5 yard line and the game ended. Ames 20, Iowa 14.

Carldle Indians 18, Chicago 4. Final score.

Animal Biology

All who desire to inspect the new Laboratories of Animal Biology may come on Saturday evening, November 25, from 6:30 to 9:00 o'clock. Please do not come earlier than the time specified, as the equipment is now being installed.

The laboratories properly occupy the whole of the second floor of the north wing in the new Hall of Natural Science; the lecture and reading rooms fill the west half of the first story; while a room for aquatic animals is in the basement. All of these will be open Saturday, Nov. 23, from 6:30 to 10:00 p.m.
