CAMPAIGNING FOR MEMBERS

Y. M. C. A. Will Start Vigorous Move to Add Membership—Continue Camp

A vigorous campaign for new members will be started by the Y. M. C. A. Sunday morning, which will last for ten days. The membership committee of this Christian organization has been actively engaged for the past week in laying plans for the new move and it will be inaugurated with many features.

Pamphlets will be issued by the association with opinions from young men and women who have come to the service to incite interest in the Y. M. C. A.

Campus, president of the membership committee has appointed sub-committees for all the classes, about thirty in number, and an effort will be made to reach all the undergraduates in the University.

The energies of Secretary H. L. Hineman the local organization has shown a progressive and earnest spirit which bids fair for its success. His broad minded policy has made him many friends and under his guidance it is predicted that the organization for new members will meet with success. A new building is one of the aims of the new secretary and already has gun plans toward that end.

KIRK IS ELECTED

Football Captain

Star Hailback Will Head 1908 Team

Election to Lead Gridiron Squad Is Fitting Return, Where Kirk's Greatness

Carroll Kirk, star half back on the University of Iowa football team was elected captain of the team for the 1908 season yesterday afternoon. Kirk's election comes as a fitting climax for a season of brilliant playing, and assures Iowa a leader next year, who will be directed by any man in the West.

Kirk was the first player at football at Marshalltown high school, where his gridiron abilities earned him a state-wide reputation as a fullback. In his senior year in the University he made the same position on the Freshmen team and last year the starred fullback on the Varsity. This season he was shifted to halfback, where his stellar end running, line plunges, accurate drop kicking and handling of the forward pass made him not only the majority of the Hawkeyes eleven, but earned him a position on the All-Western team by many critics. Kirk is a junior in the College of Liberal Arts, and a member of the Sigma Alpha Epicycle fraternity. He is 23 years of age, and weighs 175 pounds. Besides being a football player he was Varsity catcher last year on the baseball team and captain-elect of the 1909 six.
