SENATE APPROVES GREATER COMMITTEE

Passed Favorable Resolution At Its Meeting

Makes Suggestion That Two
Alumni Members be Added—
To be Appointed Soon

By passing a resolution favorable to the formation of the Greater University Committee the Senate at its regular meeting gave a great boost to the new movement which bids fair to greatly aid the University.

The resolution as adopted read "That it is the sense of the Senate of the University that we approve the appointment of a Greater University Committee and suggest that there be alumni representation upon it."

Favorable opinions have been made on the new idea of adding a couple of alumni members to the committee and undoubtedly when the proposition is presented to the students as it probably will be at the debate mass meeting Wednesday it will be passed without a dissenting vote.

The idea of having the alumni upon the new committee is considered to be invaluable in soliciting funds for a central club house and in organizing some definite scheme for attracting students to the University through the graduates and former students of the school.

The appointment of the Greater University committee will be made by President MacLean the first of the week and announced at the assembly next Wednesday.

Joint Program to Be Given

The Irving and Erodolphian Literary Societies will hold a joint program Saturday evening at their halls. After the program, which will consist of a scene from the "Misdemeanors of Nancy," a fudge party will be the entertainment of the evening. The scene is cast as follows:

Nancy—Alice Wilson.
Mrs. Winston—Meta Raney.
Mr. Winston—Clifford Powell.
The Englishman—Lawrence Mayer.

Evermann Sends Pictures

A beautiful series of pictures of fishes has been sent to the Natural History department of the University by Dr. Evermann who lectured here last fall. This collection will be framed and placed on exhibit in the museum at New Science Hall.

Girls Elect Representative

At the meeting of University women held yesterday afternoon at 4:30 in the Assembly Hall, Edith Ball, L. A. '08, was elected as representative to the "Student Council of Nine."

CAMPAGNING FOR MEMBERS

Y. M. C. A. Will Start Vigorous
Movement to Add to Member-
ship—Commence Sunday

A vigorous campaign for new members will be started by the Y. M. C. A. Sunday morning and will last for ten days. The membership committee of this Christian organization has been actively engaged for the past week in laying plans for the new movement and it will be inaugurated with much enthusiasm.

Pamphlets will be issued by the association with opinions from faculty and students which will serve to incite interest in the Y. M. C. A.

Mr. Lampe, president of the membership committee has appointed sub-committees for all the classes, about thirty in number, and an effort will be made to reach all the undergraduates in the University.

Through the energies of Secretary H. L. Heinzman the local organization has shown a progressive and earnest spirit which bids fair for its success. His broad minded policy has made him many friends and under his guidance it is predicted that the campaign for new members will meet with success. A new building is one of the aims of the new secretary and already he has begun plans toward that end.

JEFFRY D. HRBECK DIED AT LINCOLN

Honored Alumnus of University
Victim of Typhoid Fever

Jeffrey D. Hrbek, L. A. '07, died Wednesday afternoon at Lincoln, Neb., of typhoid fever.

During his three years in the University here he gathered about him a host of admiring friends who will grieve to learn of his untimely death. He was 25 years old.

After graduation here last spring he was elected to the chair of Bohemian and German at the University of Nebraska.

His mother and two sisters, Miss Sara, L. A. '11, and Miss Lottie, of Cedar Rapids, were at his bedside. The remains will be brought back to his home at Cedar Rapids and funeral arrangements will be made later.

Forensic League to Meet

A meeting of the Forensic League has been called for tonight, the session to be held directly following the literary programs in Close Hall. A quorum was not present at the first meeting and every member is urged to attend the meeting tonight.

Military Ball Date Set

At a meeting of the Military Ball committee yesterday the date was set for Friday evening, January 17th. It was first thought that the function could be held on February 7th, but the committee decided on the earlier date.

A. G. SMITH BOOSTS IOWA UNION IDEA

Local Professor Favors Stu-
dent's Organization

Suggests Plan for Organizing the
Union on a Firm Finan-
cial Basis

Professor A. G. Smith, himself a strong advocate of the Iowa Union plan, has the following to say regarding the proposed student organization.

"I think that an Iowa Union would be a very desirable organization, a club that would give a common center to student gatherings. It would add greatly to college life. Such a movement once started, must continue to exist by means of either endowment or membership support. But it is in the starting that the difficulty will come. In order to make a proper start and place the union on a good financial beginning I would recommend that the newly appointed Greater University committee be authorized to make an investigation of existing University unions and form a plan for organizing the Iowa union from their findings."

Many suggestions have come to the IOWAN from the student body and the interest in the new scheme is unprecedented. All interests among the undergraduates are watching the development of the Union idea.

A valuable suggestion made yesterday was concerning a University banquet for the men to be held shortly after the holidays in the University Armory, the rally being for the purpose of boosting the central club house idea.

WILL ADDRESS IOWA FORESTRY MEETING

President MacLean and Dean
Gregory Will Give Papers

The seventh annual meeting of the Iowa Park and Forestry Association will be held at Des Moines, December 10-11. Dean Charles Noble Gregory will speak upon "Civic Improvement at Madison, Wisconsin," and President George E. MacLean upon "An Old New England Village." Professor T. H. Macbride is secretary of the Association, and Professor H. F. Wickham, treasurer.

Ottesen to Address Masons

Realf Ottesen, president of the junior law class will give a paper on "The History of Modern Masonry," before the University Masonic club tomorrow evening at Iowa City Lodge Hall No. 4 at 7:30. Arthur E. Hageboeck will speak on "George Washington as a Master Mason." A smoker will follow.

COTILLION COMES TONIGHT

Many Attractive Features For
First Formal Social Function—
Will be a "Red" Party

The committee in charge of the Sophomore Cotillion began early yesterday morning to decorate the Armory for this evening's party. The floor has been thoroughly cleaned and after being well waxed, will be in excellent condition.

The centre of the decorations will be the huge "I," made of many incandescent globes. Several thousand yards of bunting will be used in carrying out the elaborate plans for beautifying the hall.

Out of town guests have already commenced to arrive. A large delegation is expected from Cedar Rapids.

The committee wish to announce that the gallery will be open to the spectators at the usual price.

The dancing program will consist of twenty-two dances and three supper extras. The program will be red in color, and embellished with the class numerals on the front. The party commences at eight o'clock. The grand march led by President and Mrs. MacLean starting promptly at eight thirty.

KIRK IS ELECTED FOOTBALL CAPTAIN

Star Halfback Will Head
1908 Team

Election to Lead Gridiron Squad
Is Fitting Recognition of
Iowa's Greatest Player

Carroll Kirk, star half back on the University of Iowa football eleven was elected captain of the team for the 1908 season yesterday afternoon. Kirk's election

comes as a fitting climax for a season of brilliant playing, and insures to Iowa a leader next year unsurpassed by any man in the West.

Kirk first played football at Marshalltown high school, where his gridiron abilities earned him a state-wide reputation as a fullback.

Coming up to the University he made the same position on the Freshmen team and last year played fullback on the Varsity. This season he was shifted to halfback, where his stellar end running, line plunges, accurate drop kicking and handling of the forward pass made him not only the mainstay of the Hawkeye eleven, but earned him a position on the All-Western team by many critics. Kirk is a Junior in the College of Liberal Arts, and a member of the Sigma Alpha Epsilon fraternity. He is 21 years of age, and weighs 176 pounds. Besides being a football player he was Varsity catcher on last year's baseball team and captain-elect of the 1908 nine.

Marshall Law Society

The Freshmen program is to be given tonight at 8 p. m. The meeting will be held in Unity Church at the corner of Iowa Avenue and Clinton streets.

Optional—Black.
Selection—Edmonson.
Reading—Miss Benson.

Debate—Resolved, That the new plan of city government by a commission, as provided in the acts of the Thirty-second General Assembly, chap. 48, should be adopted by the cities of Iowa.
Affirmed by Hayes and Field.
Denied by Gabrielson and Pugsley.

Delta Delta Delta Initiates

At its new chapter house on Iowa avenue Delta Delta Delta initiated five pledges last evening. The new members of the sorority are Hazel Sandoe of Marshalltown, Wilma Nichols of West Liberty, Olive Chase of Sioux City, and Harriet Frazier of Nevada.

Every Morning Except Saturdays and Mondays

Of the Vidette-Reporter the thirty ninth year and of the S. U. I. Quill the sixteenth year

Entered as second-class mail matter, November 12, 1903, at the postoffice at Iowa City, Iowa, under the act of Congress of March 3, 1879.

As an aid to arousing a great boosting spirit for a central club A UNIVERSITY BAN- house, idea QUET SUGGESED it has been suggested that a big University banquet be held in the University armory in January.

This banquet is to be open to the men of the University.

In connection with this event it has also been suggested that four or five enthusiastic and popular alumni be solicited to speak before the students on the Union idea.

The cost per plate would be nominal and by concerted work on the part of energetic students in selling tickets the affair could undoubtedly be made a great success.

FURNITURE INSTALLED IN NEW HOSPITAL

Contractors have Finished Work On New Science Hall

Furniture for the new wing of the University Hospital has been on display during the past week and is now being installed. This furniture is built of bird's-eye maple and presents a handsome appearance.

The work of the contractors on both the Hospital and New Science Hall is now complete. A committee appointed by the Board of Regents has been authorized to accept both buildings at the next meeting.

Equipment for the Natural Science museum is arriving at the rate of a carload a week and is being rapidly installed. All of the furnishings for the department are made of genuine mahogany.

The work of excavation for the presidents house was begun yesterday and the contractor will go on with the construction as long as the season permits. The erection of the new engineering Hall is also progressing rapidly.
