OLD GOLD DEFEATS THE MISSOURIANS

Tigers Were Shown by the Hawkeyes

Excellent Team Work Was Feature of Game—The Score Was 60 to 15

By superior all around work Iowa was successful in defeating Missouri last evening by the score of 60 to 15. It was the greatest game seen on the home floor this season and was a credit to the representatives of Old Gold.

Iowa displayed excellent team work, their passing being above criticism and the basket throwing good. Captain Buckter played a star game for Old Gold. Ramond did fine work with the baskets. In fact, each and every player displayed a great variety of work and the score tells the longer schedule.

At the end of the first half the score was 20 to 15. For the Tigers the score was the same at the end of second half but the Hawkeyes were successful in adding twenty points to the former, making them a total of 46. The following is the final score:

Iowa—J. Stewart, r-f; Norton, H.; Ramsay, c; Buckter (Cape.), r-g; Morrissey, i-g; Driver, f; Henley, c; Gardner, r-g; Ber-

Summary—Goal: Stewart, J.

Norton, 2; Ramsay, 3; Buckter, 8; Morrissey, 1; Rennie, 2; Henley, 0.

Free throws: Ramsay on, Hornt, H.; Ramsay; c; Buckter (Cape.), r-g; Morrissey, i-g; Driver, f; Henley, c; Gardner, r-g; Ber-

“Open House”

“The open house,” with all that implies of hospitality and good fellowship is a spirit much needed at Iowa.

“Charmatrons” among the sorority girls is noticeable. Could this not be done away with as in each sorority had an “at home” day, say one Saturday afternoon in each month, at which time they expected to receive their friends, and where their friends could be sure of finding them at home?

If these afternoons were made strictly informal, the sorority girls might take alternate Saturdays for receiving, and a real effort on the part of all the girls were made to promote the University spirit, I think the “open house” would have real success.
