"TWELFTH NIGHT": THIS EVENING

NEW PLANT HOUSE READY FOR STUDENTS

Open For Work With the Beginning of Semester

New Laboratory Will Greatly Facilitate Physical Work

The new Plant House, which has just been getting into shape and which has been in use only a few days, will be open to students the first of this semester.

The Plant House consists of a large room furnished with tables for work in general plant physiology, and for advanced work in physiology and plant ecology. It will accommodate twenty-four students in general physiology and attending students in physiology and plant ecology.

In addition to the general laboratory, the building contains facilities for special experimental work and another small apparatus room for apparatus and other necessary apparatus.

The new Plant House is equipped with all the experimental apparatus and necessary apparatus.

"TWELFTH NIGHT" COMES TONIGHT

University Dramatic Club in Shakespeare

An Epoch Making Production in the History of University Athletics

The curtain at the Coliseum will rise upon the most difficult amateur production that has ever been presented by University theatermen. The success of the play may be judged by the optimism of its coaches and a perfect dress rehearsal, the first attempt at a Shakespearean production will be excellently staged. The auditorium of the Coliseum was marked by a heavy demand for tickets, thus insuring a packed house.

The management has left nothing undone to insure a perfect production. The best talent of the University is in the large cast. The members have been carefully trained and there was no break in the training from early in November until a few nights before. Everything that could be done to bring the play up to the professional standard has been done.

The training of the cast by Miss Ethel Elliott and several assistants gave opportunity for attention to individuals and promotion of the minor parts. The scenery and costumes are the best that could be obtained in the short space of time. Even such details as the transition of accent from the Elizabethan to the modern English have been carefully coached and this facet often appears in the professional cast.

The last rehearsal of the play was held at the open house last evening and the play ran smoothly throughout. A feature of the play that will probably attract most interest is the dual scene. The principles in this scene have been carefully coached for some weeks by Miss Alice Wilkinson and their final work is really exciting.

RESULTS WERE

The Beta Beta Chapter of the Tau Delta Phi has just held its fall meeting, a well-aired meeting. At the end of the evening the Phi Delta Kappa chapter of the National Fraternity was called to order. As a result of the meeting, the following new officers were elected:

President: James W. Smith
Vice-President: Frank E. Brown
Secretary-Treasurer: John A. Johnson
Assistant Secretary: Robert D. Martin
Assistant Treasurer: William L. Brown

A Baccalaureate Address

A baccalaureate address will be given by Mr. John A. Johnson at the Coliseum at the close of the evening. No subjects will be announced, but any member of the class choosing whatever subject he pleases shall have the floor.

GOOD PROGRESS IN BASE BALL WORK

Several Additional Candidates Joined Squad

Coach Tommy O'Brien Coaching the Men's Team: Five Pichers Out

Good progress is being made in the daily baseball practice in the gym and Coach O'Brien is rapidly systematizing the work and getting the candidates lined up for the long indoor "grid" before the conditions are right. With this the squad allows the squad to get outside. In order that the players may be able to see the ball more easily a canvas will be placed at each end of the cage. Great difficulty is experienced by the players in locating the ball under the present arrangement.

Captain Kirk is devoting most of his time to the candidates for pitchers workouts. At present Cobb, Sutherland, Dobbs, Hincke and Poyner are trying out as "twisters."

"Judging from the enthusiasm shown by the players during the first week of indoor practice it seems to me that Iowa's prospects for baseball are excellent."

In the last time or ever before at this time of the season," said Coach O'Brien yesterday afternoon. "The players are now gaining the practices."

Coach Tommy O'Brien is devoting his time to the batting of the candidates. He realizes the necessity of capable men with the stick and is starting in early to develop this part of the game.

This year's team will be required to keep training. Previous years the men have kept training to win themselves but a new order of things is to be inaugurated with this year's squad.

Another meeting of the C.B.A. evening the men are required to take a sprint around the track in order to get their wind in condition.

The following men have reported for practice the last few days.

Betchel, Schumack, Stewart, McMann, McGregor, P. w. i, Towers, Dobbs, Cageytry, Johnson, Conley, Captain Kirk, Getzinger, Sutherland, Hanlon, St. Clair, Cahill, Hechteln, Cobb,结合, Hincke, Wies and Mericle.

During the meeting, Betsie Walker addressed the students on the need of cooperation in the Student Government and the need of the Student Body. Betsie Walker stated the importance of the Student Government and the need of the Student Body. Betsie Walker stated the importance of the Student Government and the need of the Student Body.

Betsie Walker, the Beta Beta Chapter of the Tau Delta Phi has just held its fall meeting, a well-aired meeting. At the end of the evening the Phi Delta Kappa chapter of the National Fraternity was called to order. As a result of the meeting, the following new officers were elected:

President: James W. Smith
Vice-President: Frank E. Brown
Secretary-Treasurer: John A. Johnson
Assistant Secretary: Robert D. Martin
Assistant Treasurer: William L. Brown

After hearing the protests of the students, the Senate of the University of Illinois, in full assembly, voted in favor of the proposed athletic program. The motion was seconded by A. G. Baldwin, who declared that the move was not for the sake of some individual interests, but for the benefit of the institution and the students. The motion was carried by a large majority, and the athletic department is now in full swing.

The new athletic program includes

- **Football**: The football team will play a schedule of seven games, the proceeds of which will be used to support the athletic department.
- **Basketball**: A women's basketball team will be formed, with the aim of improving physical fitness and promoting team spirit.
- **Tennis**: A men's and women's tennis team will be established, with matches to be held against local schools.
- **Track and Field**: A track team will be formed, with events including running, jumping, and throwing.
- **Swimming**: A swimming team will be initiated, with competitions to be held in the university pool.

The athletic program is designed to promote physical fitness, team spirit, and academic achievement. The university hopes that this program will bring pride and honor to the institution and its students.

**GILBERT LOGAN HOUSE**

Professor Gilbert L. House was born on an Iowa farm in 1865. His preparatory education was received in the common schools, and in academies and small colleges not far from home. Entering the University of Iowa, he received the bachelor's degree from Iowa in 1885. His graduate studies have been pursued at Iowa, at the University of Chicago, and at the Johns Hopkins University; from the last of which he received the degree of Ph. D. Dr. House has been identified with the work of animal biology at the University of Iowa since 1892. He was placed in charge of the work in 1895, and grew into his full professorship in 1897. As Director of the Laboratories of Animal Biology, it became his privilege to plan the new laboratories now installed in the Hall of Natural Science, and there will stand as something very tangible which he has done for the University.

Scientific societies with which Dr. House has been identified are-Springfield, Ill., American Association for the Advancement of Science, American Zoologists, American Naturalists, and the Iowa Academy of Sciences.
STATE FIELD MEET
HELD MAY 29TH
Big College Field Event to be Held Early

The members of the state games committee met in Des Moines yesterday and decided to hold the State Intercollegiate track and field meet on Friday, May 29. The regular date for the meet is Saturday, May 30, but this date is impossible this year, as it falls on Decoration Day. Chairman Mrs. Wofford and the other members of the committee had practically decided upon this date before the meeting, as Friday was considered the most practicable date remaining since holding the meet on Saturday was out of the question. The preliminaries will be held on Thursday.

There was some discussion of holding the meet either a week later or a week earlier, but this was ruled to be impracticable. The earlier dates would interfere with training for dual meets and the later dates would interfere with both the Missouri Valley meet and the conference at Chicago.

Professor Bolton

WILL GO EAST

University Educator to Attend
Important Meetings

Professor F. E. Bolton, with leaves for Urbana, Illinois, where he will deliver a lecture at the University of Illinois Monday. This is the second week of the month he will remain in Illinois in conference with the Illinois Educational Commission and in visiting township high schools. He will then go to Washington, D.C., where he will attend a meeting of the National Educational Association. The United States Commissioner of Education called a meeting of all the state superintendents at Washington, D.C., February 24. He has given Prof. Bolton a special invitation to be present and confer with the Association. Prof. Bolton will also pay his respects to President Roosevelt.

High School Debating

The final contests in the Iowa High School Debating League will be held before the last Friday in this month.

In the north central district Cedar Falls defeated Waterloo and Elkader was victorious over Osage. Cedar Falls and Elkader decide the championship of the district.

Bedford and Missouri Valley decide the honors in the southern district. In the northwestern district Cherokee and Fort Dodge will decide the championship.

Engineers vs. Dames

The morning basket ball game will meet the Dames in the first of the Department Series Friday, February 14, at 7 p.m. Both teams have strong teams, and a hotly contested game is anticipated. Both teams will be bolstered by a large aggregation of rosters.

Coach Blanchard of W. U. has been asked to resign. He has been the coach of the team there for two years.
To the Girl

---

We have some books of occasional interest for sell.

- The Iowa Women's Club will hold a hard-worked evening in preparation for the Illinois game Friday afternoon. Thursday night Perrine was out at center. Centered at guard and Burcherim at forward.

- "We had the fastest practice of the year last night" said Coach Griffin yesterday "and the meet could be pleasing. The tomorrow's program was:

- "A ambassador Lincoln, as a Lawyer" - C.M. Dutcher.

- "As a Military Man, from the Standpoint of the Regular Army." - Lt. C. W. Weeks.

- "As a Military Man, from the Standpoint of the National Guard" - E. C. Rich.

- "A ambassador Lincoln, as a Statesman" - Prof. E.D. Starbuck.

The following program was given:

**Twelfth Night**

Cordano Opera House

Thursday, February 13th

**Tickets Now on Sale**

**A Word About Clothes**

The practice of carrying in our stock the best Clothes of the season has long been our use. We mean to continue it. The best lines in the country are constantly kept here. Our buyer is now in New York City and his business there is to provide for his customers just the best Clothes that are being made for next season. This is one of our Spring Hats:

A Stetson, $3.50

**The University Dramatic Club**

**The University of Iowa**

**Feb. 10th, 60th Anniversary**

**Lincoln Anniversary**

The Samuel J. Kirkwood Post No. 4, Department of Iowa, G. A. R. held a celebration of the anniversary of Lincoln's birthday in the Assembly Room of the Iowa State Library last evening. The exercises were in charge of Captain Ely of the regular post.

The following program was given:

- "A ambassador Lincoln, as a Lawyer" - C.M. Dutcher.

- "As a Military Man, from the Standpoint of the Regular Army." - Lt. C. W. Weeks.

- "As a Military Man, from the Standpoint of the National Guard" - E. C. Rich.

- "A ambassador Lincoln, as a Statesman" - Prof. E.D. Starbuck.

**Dr. Pickard's Brother Dead**

A letter recently received by a member of the Faculty from Dr. J. L. Pickard, ex-president of the University of Iowa, bears the sad news of the death of Dr. Pickard's brother in Pasadena, California.

- **Women's Club Notice**

The Iowa Woman's Club will meet at the Club parlors Friday morning at 9 a.m. to attend the funeral of Mr. Steawood. The funeral will take place at 10 a.m.
