COUNTY FAIR WAS A GREAT SUCCESS

Annual Y. W. C. A. Event Yesterday

Large Crowds Throng Armory Last Evening, Making It Un-
usually Successful

The Johnson County Fair of the Y. W. C. A. conducted at the armory last night was in many ways the most successful天然水 that ever has been held. Throughout}-
the fair the interest was heightened with students whose Natürlichkeit made every booth a success. The noises of the fair were dulcifying. Everywhere tickets played a key role of their own, the glory of their attraction, and the happy hundreds of the big crowd lent an air of mirth and enthusiasm to the whole that made it most successful.

There were so many interesting attractions that only a brief mention of each is possible. The shows are described in order going around to the left after entering the armory. The Delta Gamma's conducted an ice cream buffet appropriately decorated as a snow scene. The Tri Delta Club presented amusing travesty spoofs "Twilight Night." The Delta Delta produced "How Old Is America?" Information as to the nature of the production will be furnished upon application to any number. A novelty that presented a burlesque, "Elvis Island," showing the arrival of immigrants of all nationalities, is worthy of note. In addition, the Clark student guard, Sedco, illustrated the manner in which he put it over "Viva Erin, Pennsylvania," a number which was so well executed that the first round of a burlesque entitled, "The Davenport Fair Fight," another in the series, featured the Human Telephone.

At the end of the armory Kappa Kappa Gamma conducted a tennis match. Many amusing situations were handled legerdemain. The big tennis heroes were handily handled by Judge-Tiny "St. Clair" of the Mock Court who was so successful that they were forced to adopt "Bluff" Boyar as a lineman. The Octave Thonet sold quick six-pak-
s and the Kodakola drinks, each of a body shaper, both of which dispensed prance and flourished new victory. Next to this was a split of bocce, the Pohl show-
ing pictures and the Deltinas material show. Among the other leading features were the "cheese," dive, the "shoals sensation," and the "big Ho-Xad nam." For the most part, the last was usual, was the biggest showing of mirthful attractions of the evening.

Will Entertain. Wednesday.

The Epsilon club will dance Wednesday evening at Majestic.

REGISTRATION IS GOOD

Registrar E. C. Barrett says that the request for re-
gistration has been very satisfactory," said Registrar E. C. Bar-
rett yesterday. "While I can give no definite figures at the present time we will undoubtedly reach the 2,500 mark this year as ex-
pected. On January 7 the num-
ber of students in the University was 2,270 and the increase has been good and the general impression is that many students register in the University after the registration is over in the second semester. I know of a man who will come here the last of this week having made the decision that he could not get away until two weeks after the second semester started. It is surprising to see many new students enter through the year.

"From my correspondence I judge that the attendance re-
mainder of the year will be record breaking. All indications point toward the re-
sumption of the enrollment and another starting increase next fall.

EQUIPMENT FOR STEAM LABORATORY

Prof. Obie Receives Refrigerat-
ion Plant

Prof. Ernest L. Obie, head of the Department of Mechanical Engineering recently received some valuable equipment for the steam laboratory in the way of a York three-stage refrigerating plant which arrived Friday from Ice King of Chicago. The plant consists of a thre-
stage compressor, condensing and drying coils and an ice tank of 500 pounds capacity. It has a capacity of three tons of refrigeration or one and a half tons of ice in a day, and large enough to furnish the University with ice in cost of the plant. It is a complicated one and cost about $1,500.

It will be installed in the Steam Laboratory immediately and will be used for testing purposes.

COE IS DEFEATED BY HAWKEYE TEAM

Score was 42 to 26 at Cedar Rapids Last Night.

Iowa's basketball team defeated Coe College last night at Cedar Rapids by a score of 42 to 26. Iowa's lineup was differ-
ent than in the Illinois game, as well as in the game against the University of Missouri.

In the game Friday afternoon, Iowa took the Illinois squad into camp by the score of 46 to 32. Iowa showed superiority all through the game except for a brief period in the second half when the Hawkeye team was leading. The team presented a new line-up, Peppers playing at center, and Notkenhomme appearing at forward. Both men played excellent ball, Burke getting the most points, and Peppers taking his position in the best form shown on the floor this season. Iowa won by a lead of 11 points over the Hawkeye team by far the best man on the floor, the team working mainly on the outside.

The game as a whole was rather spasmodic, the teams at times playing fast ball and then slowing up all they were scarcely playing at all. It brought out the fact again, however, that the Hawkeye team is an able, well-guarded, effective team, and the men were all in good shape for the game with Coe Saturday in Des Moines.

MEMBERS OF THE FACULTY—No. 11

PROFESSOR WALTER LAWRENCE BIERRING
Walter Lawrence Bierring, M.D., and Alumnus of, and Professor of Theory and Practice of Medicine and Clinical Medicine, and Vice Dean of the Faculty of the College of Medicine, was born in Davenport, Iowa, July 15, 1868.

His early education was obtained in the public schools of that place. He entered the University in 1889, both in the College of Medicine and also as a special student in the College of Liberal Arts. Graduating from the College of Medicine in 1892, he spent the next year abroad doing post graduate work in the Universities of Heidelberg, Vienna, and later in the College of Medicine and Pasteur Institute in Paris.

He was early appointed a faculty of the faculty holding the chair of Pathology and Bacteriology from 1892 to 1902, and Histology from 1894 to 1897. In 1902 he was appointed to the chair which he now fills.

Dr. Bierring's worth in the field of medical sciences has not been without notice outside the University circle. He is a member of the Iowa Academy of Sciences, Johnston County, and Iowa State Medical Societies, American Medical Association, American Association for the Study and Prevention of Tuberculosis, President of Sect. II. (Clinical Study of Tuberculosis) International Congress of Tuberculosis which met in Washington, D. C., in September, 1905, and Chairman of Section on Pathology and Physiology of the American Medical Association, 1906-7. At the meeting last year he was elected president of the Iowa State Medical Society.

After all has been said the highest tribute to be paid to Dr. Bierring is to say that he is a man whose personality has endeared him alike to students, alumni and friends of the University.

PI PHI FORMAL A GREAT SUCCESS

Many Out of Town Guests Were Present at Function

The formal, traditional party given by Iowa Zeta Pi Beta Phi in Majestic Hall Friday night was a great success. About forty couples danced from eight o'clock until twelve.

The hall was completely transformed, filled with drappery and bright lights. Many strings of red hearts formed a solid top or ceiling and were dropped in strings from the edge of the balcony to a peristyle effect, reaching to the seats and chairs below. The red electric lights in the center of the hall added greatly to the decorative effect, while the electrical effects produced by a machine, made some pretty color dances. 

Promptly at 8:30 the grand march, which was led by Mrs. W. G. Raymond, Willis Mercer, Edith Ball and Walter Myers, began. At ten o'clock dainty refreshments were served at small tables in the gallery.

Several pretty and original favors dances were given during the evening.

The party was chaperoned by Dr. and Mrs. R. H. Volland, Mr. and Mrs. Geo. W. Ball, Sr., Mr. and Mrs. W. G. Raymond, and Mrs. S. H. Dayton.

The guests were made up of many guests woman: Misses Emily Dwight, Marie Kriechbaum and Marie Minton of Burlington; Maud Meek of Ankeny; Ada President of Simpson; Kathryn Tappert, Oue St. Vall, Elie Sick, Leslie and Sula Kimmery, Coudersport Davenport; Marie Hoffman, Ruth Work of Ottumwa; Price of Clarksville; Nanning College of University of Chicago; Mary Carpenter of Columbia Junction; Max Wagner of Waterloo; Hattie Ling of Pella; Edith Tisler of Des Moines; Nelle Showalter of Council Bluffs; Robinson of Spencer.

Irving and Zeta Elect Teams

At a business meeting of Irving Institute Friday evening Charles Brigg was chosen as June Orator. This oration will be delivered at the graduating exercises in June. The Sophomore debating team against the Zeis as arranged by the intercollegiate debates is as follows: Powell, Hansen, Thompson. The Zeitschian Society chose the Sophomore team to go against Irving. There are several evening, Jerry Houghton. O. Mueller resigned as treasurer of the N. O. L. and H. H. Smith was chosen to succeed him. At a meeting of the Forensic League a list of amendments were adopted. The com will be printed in the near future.

JUDGE EMLIN McCLAIN

Among the Alumni of the State University of Iowa, one of the most prominent is Emlin McClain, L. A. '71, L. 72. This prominence has been connected with his connection with the University as Professor in the Law College, and his national reputation as a publicist.

Emlin McClain was born in Salem, Ohio, November 26, 1851. When four years old he came to Iowa with his parents, who settled in a farm in Cedar county.

In 1868 Judge McClain entered the University. He took an active interest in college life, becoming a member of the Beta Theta Pi fraternity, and of the Zetagathian Literary Society. In his senior year he was elected to the honorary fraternity, Phi Beta Kappa. He graduated in 1872 with the degree of B.A. and in the years 1872-3 received the degrees of A. B. and L.L.B.

After leaving school he began the practice of law in Des Moines. From 1873 to 1875 he was Clerk of the Committees of Claims in the United States Senate during which time he prepared—McClain's Annotated Statutes of Iowa.

In 1881 Mr. McClain became Professor of Law in the College of the University where he was extremely popular with the students. During his busy career, he has always found time to contribute articles to the leading law periodicals of the country, and also to prepare many books which are acknowledged authorities on questions of law.

In 1910 he was nominated at the Republican State Convention for judge of the Supreme Court of the United States, but was defeated.

Mr. McClain's national reputation as a publicist.
